## Jud Little Ranch Herd Reduction Sale Results

Bidders clamored for the blood of JL Dash Ta Heaven at Jud Little's Herd Reduction Sale. Held Dec. 19 and 20, the sale featured everything from weanlings and broodmares to prospects and performance horses.

Of the top 10 high-selling horses, all but one was by JL Dash Ta Heaven or in foal to him.

The double-bred Dash Ta Fame offering of proven producer Dash Ta Please in foal to JL Dash Ta Heaven topped the sale with a \$25,700 bid. The 2001 mare, by Dash Ta Fame out of Some More Please, by Easily Smashed, is a full sister the late leading barrel horse sire Famous Jr. She's produced futurity winner Dash Ta Jones (by Brownie Jones) and pro rodeo earner A Frosty Please (by Bug In My Frosty). Dash Ta Please also produced Dash Ta Flames (by Chicados Cash), the high-seller at the 2015 Jud Little Production Sale.

Another double-bred Dash Ta Fame, Cool To Be In Heaven, was the second-high seller and high-selling yearling at \$19,700. The filly is by JL Dash Ta Heaven, who sired the newly crowned BFA Juve-

nile Futurity Reserve Champion Feelinthefirewater. She is out Cool To Be Famous, a 2007 daughter of Sun Frost and barrel futurity money earner Gabardine Fame, by Dash Ta Fame, who also sold through the auction in foal with a full sibling for \$17,200.

The high-selling weanling was Dialin Heaven, a colt by JL Dash Ta Heaven out of barrel futurity money earner Ms Kid Dee Dial, by Kiddin N Streakin, that brought \$10,000. The high-selling 2-year-old was Dinky Dynasty, a daughter of FDD Dynasty out of multiple rodeo, barrel racing and pole bending champion Dinkys Purple Rain, by Dinky's Red Man, at \$10,200. The filly Highspeedtaheaven, by JL Dash Ta Heaven out of Jenny Red Money, by WPR World Champion Broodmare Sire On The Money Red, was the high-selling 3-year-old at \$12,000.

Overall, the absolute sale—meaning all horses offered for sale sold—netted \$667,600 for an average of \$4,909 on the 136 head that walked through the ring. The 24 bred mares sold for \$147,400, an average of \$6,142, with the 11 in foal to JL Dash Ta Heaven

## Congress Passes Tax Bill with Horse Benefits; President Will Sign It

In what might be seen as a thaw in Congressional relations, a bi-partisan tax bill, with multiple provisions favorable to the horse industry, has now been passed by Congress. Although the bill has now touched down safely, there were a few gusts and swells that threatened its passage right up to the end. President Obama has signaled he will sign it shortly.

The \$622 billion bill extends or reinstates multiple tax provisions that have been raised, lowered, or allowed to expire over the last decade. Some have now been made permanent in the new bill; others extended for one or two years; but all are retroactive to January 1, 2015 so horse owners and industry stakeholders can take advantage of them for this year.

The bill, called the Protecting Americans from Tax Hikes Act of 2015, includes several provisions important to the horse industry and championed by the American Horse Council for some time. These benefits include making all race horses depreciable over three years; the ability to immediately expense or write-off up to \$500,000 in depreciable business property; and bonus depreciation, which allows the deduction of 50% of the cost of new property purchased and placed in service. All of these provisions apply to horses and other assets used in a horse business.

The bill reinstates the 3-year-depreciation schedule for all race horses for all of 2015 and 2016. "This means that if an owner has begun training or racing a horse this year, or will begin training or racing it next year, the three-year depreciation schedule will apply. Owners and trainers don't have to get involved in deciding when to begin training the horse to qualify for the 3-year period, rather than 7 year; it is automatic for all race horses placed in service in 2015 and 2016. The provision allows horse owners to begin training their race horses when they think best and take advantage of the shorter three-year period," noted American Horse Council president Jay Hickey. "Most horses race over three years, not seven, so this is really a fairer schedule."

The bill also raises the so-called Section 179 business expense deduction back to \$500,000 and makes it permanent, effective January 1, 2015. It had reverted to \$25,000 for 2015. This change will allow anyone in the horse business to immediately depreciate up to \$500,000 of the cost of any investment in industry assets, including horses, fences, equipment, tack, trucks, etc., purchased and placed in

service in 2015 and 2016. The deduction is still reduced dollar-for-dollar once investments in all one's business activities hit \$2 million.

"The 179 expense deduction is a real stimulus to the \$102 billion horse industry and will support thousands of jobs," said Hickey. "And it applies to all depreciable assets used in the horse business, including horses, be they yearlings, race or show horses, mares, stallions, or breeding shares."

The bill restores bonus depreciation for qualifying new property, including assets used in the horse business, such as yearlings and other equipment, purchased and placed in service during 2015 through 2019. It had expired for 2015, but is now restored to 50 percent for business property placed in service during 2015, 2016 and 2017. It then phases down to 40 percent in 2018, and 30 percent in 2019. The first use of the horse or equipment must begin with the taxpayer. Yearlings are eligible for bonus depreciation and new equipment, but not horses like mares or stallions that have raced, shown, or been bred, since they have already been used.

The extender bill would also restore and make permanent favorable tax treatment for land donated for conservation purposes, particularly land donated by farmers and ranchers.

The AHC has been working to have all these provisions increased or reinstated and is pleased they have been acted upon. They have been made retroactive to cover all of 2015. "We had hoped these provisions would have been extended earlier in the year. This would have made planning and decisions to invest in the horse business easier. Congress apparently follows the 'better late than never schedule'," said Hickey. --Courtesy of the American Horse Council

# Headin' For Home

by Sherry Morrison  
Triple M (Mike Morrison Ministries)

**D**o you remember years ago when you watched the Miss America pageant, and at least ONE of the candidates would tell everyone...."I just want world peace"?

I've started to use that line whenever anyone asks me what I want. (If I was standing in front of millions of viewers in a bathing suit, I would want MORE than world peace I can tell you that!)

World peace would be great. But it really does start right at home. We are only a few days away from celebrating Christmas, the birth of our savior Jesus. What an event! How blessed we are!

But I know and you know that Christmas can be a little....stressful? And then there's the family! The easy ones, the hard ones.... and then there's....YOU, and ME! Let's finish this year strong! Not limping along till New Year's Eve and then trying to rally and start new. We can start new today.

Make the decision right now to forgive anyone that's offended

or hurt you. Forgive yourself if you have screwed something up. Restore any relationships that have been weakened for any reason. Tell your family and friends how much you love them. What a novel idea! And then when Christmas actually arrives, you can sail right through it, free from any burden of a strained relationship or hard feelings! You'll be able to really focus on "the reason for the season." His name is Jesus!
