# Dusky Lynn Hall, Chasin A Win For \$60,000 at Triple Crown 100 Slot Race

By Tanya Randall

Dusky Lynn Hall had a profitable trip to Perry, Georgia, for the Equinety Jingle Bell Classic and \$250,000 Triple Crown 100 Open Slot Race, held December 17-21.

The teenager, now calling Stephenville, Texas, home, collected \$114,421, including stallion owner money, aboard three horses. Her biggest winner was the smallest horse in her trailer, Chasin A Win (“Spit”).

The feisty 13.3 hand, 5-year-old gelding, by Chasin Aces N Fame out of The Lion Queen, a granddaughter of Highbrow Hickory, topped the Triple Crown 100 Slot Race for \$60,000. All together that one run accounted for \$75,999 with carryover earnings.

Spit’s entry into Hall’s life actually began with NNN QueenOfTheSouth that belonged to Triple Crown 100 founder and owner Jeanette Nelson, who asked her to run and sell the mare for her. After that mare sold, Nelson asked if they would take Spit, who belonged to Dorlisa Gutches and Carlotte Hayes, whose daughter Smilla Johnson had been running the gelding.

The first time Hall ran Spit was right before The American . They had gone to get a run in on her great gelding Aint Seen Famous Yet (“Wally”), who won \$7,757 at Perry, before the big rodeo.

“I’d never run this horse,” recalled Hall. “He didn’t stop very good in the exhibitions, so I pulled up half-way across the pen because I didn’t know if he was going to stop or not. He outran Wally.”

Hall initially dismissed it as she wasn’t asking Wally for his life either. Yet, when she and Spit set an arena record at jackpot in Louisiana, she knew he was something special.

“He wasn’t an ordinary ‘pony,’” she said. “He was a Wally. This horse has been literally nothing but successful for me. He’s just amazing. He’s climbing to be my No. 1 horse.”

At Perry, they caught a barrel in The American qualifier to be an incredible 14.482.

“I’d never been to Georgia before but Spit has run in that arena before,” Hall explained. “He knew where he was and I did not.”

After a little tuning session, Spit came back and ran the fastest time of the entire event, a 14.707 to win the Slot Race, second go of the derby, the Big Spender, the High Rollers and Open.

Her mother Dusky noted that tiny Spit was fourth on the ground for that winning run.

“It was a little wild,” her mom said. “He came out wide on the first and she lost her stirrup and made the rest of the run without (it). It wasn’t as smooth as that 14.4. That 14.4 was smoking. She just asked him a little too soon on the third.”

Hall actually clocked 14.7 three horses in the Slot Race. JH Firewater Honor (“Louie”), her 7-year-old Firewater on the rocks, Packin Sixes, gelding, was third in the Derby average and 4th in the Triple Crown Slot Race for \$30,665 including carryovers. She also clocked a .7 on KB Baby Driver but caught the third barrel. Hall would have been first, second and fourth in the Slot Race had she not tipped.

“We left a lot of money on the ground in Georgia,” her mother said. “We were a little rusty.”

Hall hadn’t been to any of the races where horses had exposure to the equine herpes virus (EHV-1) outbreak. She did go to Michelle Serna’s BABR, where she set an arena record on Spit, too, but

break started.

Still out of caution, the Halls chose to skip all of their usual races and junior rodeos in Las Vegas during the National Finals Rodeo. The only run she had on Spit before Perry was at The Icebreaker in Alvarado, Texas, the weekend prior.

“We moved from Huntsville to Stephenville,” her mom relayed. “We had twenty years of stuff to move. After Pink Buckle, for the rest of October and first part of November, we didn’t go much. It turned out to be a good thing because none of ours were exposed to anything.”

# Elaina McKinney & TJR Let Rock Roll Through Equinety Jingle Bell Classic

By Tanya Randall

Elaina McKinney took all three of horse futurity horses to the pay window at the \$15,000-added, 189-entry Equinety Jingle Bell Classic Futurity, held December 17-21 in Perry, Georgia.

"I've really been blessed this last week," said McKinney. "It was pretty amazing. I've got to give God some glory for that. They all worked really nice."

TJR Let It Rock, a 3-year-old Twisted J Ranch-bred gelding, by Eddie Stinson out of the A Streak Of Fling mare Streakin Gold Seeker, was McKinney's top gunner. "Junior" won the Futurity for \$9,722 as well as the best of two-run futurity slot race for \$5,090. With carryovers, his total weekend earnings were \$22,965.

McKinney and her father Rick, who reside in Marion, Illinois, purchased Junior from his breeders as a weanling after having had success on his full brother TJR Eddie Van Halen.

"My dad has maybe been on him a few times, but I'm really the only one that's ever been on him his entire life, so that's pretty cool," she said. "I've been through everything with him."

McKinney admitted they tried to cut Junior from their program early in his training, but they couldn't get him sold.

"It's just crazy how God works," said McKinney. "We just held on to him. Fast forward another year and I fell in love with him. Everything just kind of fell into place and we started figuring things out. He was always super sensitive, just really different. Then one day, the light switch flipped and everything came together. He's been such a nice colt for the past year and a half. He's been so nice compared to what he was."

Junior picked up \$23,000 for third in the BFA Super Stakes on his very first competitive run through the gates.

After the BFA cancelled due to the equine herpes virus (EHV-1) outbreak, McKinney took her four horses home to quarantine. "We quarantined for 21 days at the back end of our arena, away from all the other horses," McKinney explained. "I took care of those, and my dad took care of the other barn. We just put things on hold."

"I kept riding the four that we took to the BFA. I gave them off the first week because with the haul out there and everything they probably needed a few days off anyway. We were checking temps and everything stayed normal. They got to feeling so good, I thought I probably need to ride them down just to keep them sane!"

McKinney and her crew had their first runs post-quarantine at The Icebreaker Futurity in Alvarado, Texas, the weekend prior to Perry.

"We didn't get much done there," McKinney said. "It was really different setup from what we're used to, just a long way to the first barrel. I think also being off for almost 30 days and being a first run back was a lot to ask. But I'm thankful we went now because it got us focused for Perry."

They won the opening round in Perry with a 14.932, which held on to win the slot as well. They were a 15.186 for 10th in the second round to secure the championship.

"The first run was a little on the wild side, but it was super-fast," McKinney said. "He's got a lot of speed. The second run I needed to bring things back in, work on our barrels and keep it clean for the average. He just went in there and did his thing. He's easy to do whatever you want to with. He makes it really fun. He's been a really fun colt."

McKinney also placed fifth in the average with Leprechaun Lane ("Lucky"), a gelding by The Goodbye Lane out of Margarita Red Rita, by Frenchmans Guy. She and Lucky won \$4,585 on the weekend.

Her third horse TY Count On Goodbye ("Ty"), by The Goodbye Lane out of Countess Ta Fame, by Dash Ta Fame, placed in the second round of the futurity for \$507.

"Perry was comfortable for them," she noted of the setup with the holding pen and short run to the first barrel in a smaller arena. "It was like back home, what they're used to." McKinney trains futurity horses fulltime for herself and her father when she's not working at the family's McKinney's Western Store. She and her father do nearly all the training from the ground up with their colts.

"It's cool seeing how they progress," she said, "and you know everything about them if you do it that way."

# Merry Christmas

While they were there, the time came for the *baby to be born*, and she gave birth to her firstborn, a son. She wrapped him in cloths and placed him in a manger, because there was no guest room available for them.

And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified.

But the angel said to them, "*Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Savior has been born to you; he is the Messiah, the Lord.*"

This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger.

— Luke 2:6-12

# HEADIN' FOR HOME

by Sherry Morrison // Triple M (Mike Morrison Ministries)

**H**ave you ever been disappointed in a gift? We probably all have. Everything from, "Why would they think I would like that???" to "Why didn't they give me a gift?"

Sunday morning at church, I believe the Lord gave me an encouraging word for all of us. In one of the song specials, the phrase, "the gift that you are", jumped out at me. And from there, the Lord showed me that we've all experienced those 'less than' Hallmark times. Well, not in 2025.

He said, "If we would all give the gift of ourselves to someone, it would be the best Christmas ever! How? By allowing OUR greatest gift ever, Jesus, to shine through us. To share Him. To give out of our abundance to someone who has little. To give of our time, our energy, our wisdom, our expertise, our hope, our strength.

When we give, it'll be given back to us pressed down, shaken together and running over! Luke 6:38.

Merry Christmas! And thank you for taking your time to read Headin' for Home! May God bless you richly!
