"My horses are more eager to work when they're on SUCCEED."

Leslie Smalygo

"If there was only one thing I could give my horse, and I had to take everything else away, I would keep the SUCCEED. My horses are more eager to work when they're on SUCCEED. It has taken the edge off to where they're focused, feel good, and are not hot. It puts them in the zen mode to work. It's overall wellness in your horse. You're going to take care of their gut, their mind, and their wellness program. They're going to be a happier horse"

Seasoned, Consistent Youth Barrel Mare

PERKSTERS MS KITTY
Perkster-JK Lonesum Kitty, JK Copper Bruce

\$25,000 - 13 year old gray mare - Seasoned, Consistent Youth Suitable!

This mare has been hauled and won money in all levels of competition from jackpots, youth rodeos, amateur rodeos and anything in-between. Push style and very consistent. 1D/2D horse. Runs in mud, large or small pattern doesn't matter. Raised in South Dakota. She is sound and requires no maintenance.

She catches, loads, hauls and stands at the trailer all day. Goes with all horses and takes care of herself. Stands well for the farrier. We have used her in the pasture to chase cows, roped on her, and have ridden her on wagon trains. She would be a perfect youth, high school, or college horse. She would even be a nice horse for the weekend jackpottier as she doesn't care to be hauled alone. Will run poles as well. A good home is a must. Please no tire kickers. Videos available.

BARREL RACING REPORT NEWS

Barrel Racing Industry Alliance Graded Races

BRIA has developed a system to grade barrel races that are consistently recognized as the highest level and quality of competition.

From lightning fast runs to record-breaking payouts, barrel racers and their equine partners are never afraid to push the limits. Once again, the barrel racing industry is proving to be on the cutting edge of leadership with the introduction of a graded races system.

Following the proven model in the racing industry, the Barrel Racing Industry Alliance has developed a system to grade barrel races that are consistently recognized as the highest level and quality of competition.

Qualifying barrel races will be ranked by Grade 1, Grade 2 and Grade 3, with Grade 1 being the highest grade. Races receiving grades for 2023 were evaluated on total entry numbers, payouts and quality of competition by the BRIA Graded Races Subcommittee.

Requirements for grading and graded status of races will be reviewed annually by the BRIA committee, with a new graded barrel race list issued for each year based on that evaluation and assignment process.

As 2023 graded races are entered into the system, these grades will appear on AQHA's QData Database Online Reports. The wins and placings of horses in graded barrel races will then appear on catalog pages produced by the QData Catalog Builder. This new system will more closely align barrel horse sale catalog pages with race horse sale catalog pages and help breeders, owners and buyers better evaluate the caliber of the horse and its sire and dam. This new grading tool from BRIA is a significant advance in data analysis for everyone in the barrel racing industry.

A complete list of graded races for 2023 will be released soon. Learn more about the graded barrel races at barrelracingalliance.com. For more information, contact BRIA@aqha.org.

HEADIN' FOR HOME

by Sherry Morrison // Triple M (Mike Morrison Ministries)

Well, here we go. Closing out the old year and creeping up on the new one. What's that look like for you?

Don't even give another thought to 2022. Can't do a thing about any of it now. Phil. 3:13 tells us to forget those things in the past and 3:14 says to press toward the mark. What will our mark be, for 2023? (That rhymed!).

For me, I'm going to adopt a statement I heard a couple weeks ago. "It'll either shake you up.. or you'll shake it off".

If you don't know the account of Paul and the viper, read Acts. 27 and 28. He was definitely having a bad time! Prisoner on a ship, the ship got in a storm, they threw the cargo out but the ship broke up anyway. They made it to land and while gathering sticks for a fire, a snake bit him! A nasty snake! People die from their bite in just a few minutes. But Paul shook it off into the fire and kept right on going!

Was that 2022 for you? Snake bit? For 2023 to be successful, we must put God first. His Word and instruction first. Let's shake off the past, learn from our mistakes, apologize if we need to, and be a positive influence everywhere we go, and love those we are around!

Happy blessed New Year!
