THE RUNDOWN: SHARIN HALL

HORSE: Streaking Ta Fame
Sorrel Stallion, 5 Years Old, 16.1 hands, 1250 lbs.

OWNER: Joleen Hales

BIT: L&W Combination Bit

HEADGEAR: None

SADDLE: Billy Cook Barrel Saddle

PAD: CSI Pad with 3/4 inch wool insert

LEG GEAR: SMB III by Professionals Choice

GRAIN: Red River Grain, 12% Alfalfa based pellet

SUPPLEMENTS: None

HAY: Alfalfa

ADDITIONAL HORSE CARE: He has aluminum rim shoes on the front and regular flat shoes on the back.

#1 TRAINING OR RIDING TIP: Trust your training! When you are riding colts it is especially hard to do but it is important to be smooth and trust your training.

FAVORITE TRAINING EXERCISE: I like to stop them on the fence, back them a step and then roll them back on the fence flat. This drill helps them stay on their butt and keep them flat when they are running barrels.

NOTES: As an interesting side note Streaking Ta Fame was on the racetrack until nearly May of 2010, so in a short 7 months of training he has already found his way to the winners circle.

BFA Board Meeting - Smooth and Decisive

submitted by Tamara Reinhardt

Barrel Futurities of America Board of Directors convened for their annual meeting January 16 and 17, 2011 at Oklahoma City, Oklahoma.

President Charles Brock and other members of the Board welcomed new Board members Leslie Willis (Chester, SC) and Louis Fincher (Mosheim, TN).

The Board reviewed the BFA rulebook focusing on the major rule violation regarding abuse. Referring to several other associations' rulebooks and revising the wording to comply with barrel racing, the Board has adopted a ZERO TOLERANCE policy toward animal abuse. Furthermore, the Board strengthened its authority to review and enforce this rule. Finally, the fine scale for minor and major rule violations has been changed: minor rule violation fines will range from \$10 to \$500, major rule violation fines will range from \$500 to \$5000 (each incident subject to Board review). The Board is submitting the rules for legal review and will post rule changes on the website and will include the new rules in the revised rulebook.

Going Big Time Sale Company (Danny and Darla Ray) received a 3 year extension on the BFA Horse Sale contract. Under the supervision of Going Big Time, the BFA sale has realized a \$500,000 increase in gross sales since 2003. The 2010 sale posted record breaking averages for the top 5 and top 10 sellers. Mr. Ray's enthusiasm for seeking and selling the best barrel racing prospects should guarantee a bigger and better sale for 2011. Prospective consignors need to prepare for a SELECT BFA horse sale meaning paperwork, photos, and horses should be exceptional not just acceptable. Victory Farms/Going Big Time will continue to sponsor the \$10,000 4D Open Barrel Race at the BFA World Championships.

Changes regarding the management and production of the 2011 BFA World Championships include the following:

*Review and confer with State Fairgrounds to improve the alley set-up. Improved lighting underneath the alleyway balcony would improve visibility and safety of competitors and horses.

*Eliminate admission prices during the week's competitions. Establish admission prices and procedures for Super\$takes and Finals performances only. (Paying State Fair employees to enforce admission procedures was cost prohibitive compared to the sale of admission buttons)

*Expand advertising opportunities with use of Jumbotron during Super\$takes and Finals performances. Utilize webcast capability to produce a recap/prediction broadcast to attract a larger webcast audience and to enhance sponsors' benefit package.

Over the last 5 years the BFA has incurred a 30% increase in the facility use fee at the Oklahoma State Fairgrounds. Responding to a BFA member's suggestion, the BFA will increase the stall fee for 2012 to \$120. Part of the proceeds will be used to defer the cost of the facility, and the other part will be used to increase the BFA Futurity year-end bonus program. Currently, the bonus program totals \$15,000 and is awarded as follows: Champion-\$5000, Reserve Champion-\$4000, 3rd-\$3000, 4th-\$2000, and 5th-\$1000. The BFA is committed to honoring, recognizing, and rewarding the year's best futurity horses. Other plans are being initiated to publicize the BFA's Champions.

The BFA is an Association of competitors, owners, producers, and sponsors. Please contact BFA Board members with questions, concerns, and suggestions. Information at: www.barrelfuturitiesofamerica.com

PROVEN MONEY EARNING BARREL HORSE

NOTES: Sherry Cervi is used to fast horses and fast times. In fact this year at the NFR, Cervi and her homebred, MP Meter My Hay (Stingray) set the arena record at an amazing 13.49. One would assume that if you heard of Sherry Cervi almost broke a world record on a standard pattern that it would be Stingray, but another homebred MP A Man With Roses (George) stepped up to the plate and put his sister into the 2D!

Over the last few years George has put in a run here or there but after this run he may be putting his "One Hit Wonder" status behind him as he moves into being a consistent performer for Cervi. When asked about the run Cervi commented, "It was kind of like the arena record run on Stingray, I knew George was smooth so I knew it was a good run, but I didn't realize it was that fast!" The current world record on a standard pattern is Nichole Aichele and Biankus French Girl with a time of 16.643 and the second fastest known time is Tanya Steinhoff and her great mount Hotshot (Nate Shilabar) with a time of 16.644. That puts Cervi and MP A Man With Roses in there with the 3rd fastest known time on a standard pattern. It should be no surprise that George shows so much ability being by PC Frenchmans Hayday (full brother to Bozo) and out of Rose Patch (a 7/8 sister to former NFR horse "Troubles" that Cervi rode (the grey)) With George coming into his own, Cervi has a tough decision to make at each rodeo she enters. George is showing his blazing speed and Stingray just came off a world championship year with an NFR arena record. Decisions, decisions! Cervi plans to leave her Arizona home to head to Fort Worth and hit the good rodeos to make yet another run at the NFR with her homebred palomino team.

THE RUNDOWN: SUSAN KAY SMITH

HORSE: Alleluia Show, "Alley"

Chestnut Mare, 12 Year Old, 16 hands, 1250 lbs.

BIT: Shortshanked chain gag

HEADGEAR: Lose leather tiedown

SADDLE: Bob Marshall barrel saddle, she is so broad that saddles with trees just don't fit

PAD: SaddleRight Pad

LEG GEAR: Polo Wraps

GRAIN: ADM Moorman's Ultrafiber Low-Starch Feed

SUPPLEMENTS: TLC Animal Nutrition

HAY: Bermuda Grass Hay

ADDITIONAL HORSE CARE: She runs barefoot.

#1 TRAINING OR RIDING TIP: When I was little, my sister (NFR Qualifier Marilyn Duplissey (Kelly)) and I went to learn about barrel racing from Dale Youree. It is the fundamentals he taught us that I still go back to today. He taught us just some good old time cowboy horse sense. I also try to remember that if you want a rodeo horse, you aren't going to get a good rodeo horse until they are at least 7-10 years old.

FAVORITE TRAINING EXERCISE: I don't have something I apply to every single horse because the horses are all so different. For me it really depends on how that horse feels that day.

Headin' For Home

By Sherry Morrison
Triple M (Mike Morrison Ministries)

So much has already been said about 2011 being a great year! I am ready, aren't you?! Though we are not promised that we won't have a job to do, we are promised that God will bless the work of our hands. And no promises for a carefree life, but how we look at things can change our outlook!

God showed me something funny the other day and it is a word for all of us in the days coming. My two grandchildren, Cody 6 & Darcy 2, were getting ready to go home after spending a night with us. I had started some laundry and the washing machine had reached the spin cycle just as we were headed out the door. The dumb washer got a little off balance and started making that kabump, kabump, kabump noise. I started grumbling and making comments, none of which need be mentioned here, then Cody RAN to the washer, slapped both hands on it and started SINGING! Darcy was hot on his heels and she added her voice to the "music." Of course it sounded really funny and bumpy, kinda like when you make noise in a fan. I looked at their little faces and they

were grinning from ear to ear and well...singing...in a fashion!

God showed me right there that though our lives can get a little out of balance from time to time, it doesn't mean that we still can't get the job done. We really need to SING in those times and make a somewhat difficult situation FUN!

I know, I know. It's not me either. But...I can change. I want to change. I don't want the hard times in life to get the best of me, or you either. Let's start making funny noises and grinning! 2011 is going to be a great year!
