# Kassie Mowry & Force The Goodbye Wins Richest Dinosaur Futurity

By Tanya Randall

Kassie Mowry and the 4-year-old gelding Force The Goodbye ("Jarvis") picked up their second futurity championship at the \$10,000-added Richest Dinosaur Futurity, held January 27-30 in Glen Rose, Texas. The victory was worth \$5,893.

"The horse is always consistent," said Mowry. "He puts his feet in the right places. He's got a really good style and really correct form."

Mowry and Jarvis were second in the first round and seventh in the second to win the aggregate. They also placed 12th in the 1D with their carryover time on Friday for total earnings of \$6,061. The futurity victory bumped Jarvis beyond the six-figure mark in earnings, just three months into his barrel racing career. His resume includes a BFA Super Stakes Reserve Championship, fourth in the BFA Juvenile, the OKC Rookie Futurity Championship, fifth at the Betty Leek Memorial and third in the BFA Sidepot in Memphis and sixth at the Lone Star Shootout Futurity.

Michael Boone and Mowry purchased Jarvis as a weanling from his breeders Jason and Janelle Blubaugh. Jarvis is by leading barrel horse sire The Goodbye Lane out of the Burrs First Down mare VF Forcit First.

Mowry also won the second round of the futurity and the Open on Friday with Sir Epic, a 4-year-old gelding owned by Dave and Lori Zabel. Sir Epic clocked a 14.688 to win \$3,577.

Karma Loflin raised the gelding by JL Sirocco, who recently sired back-to-back Greg Olson and MVP Futurity Champion JL Roc Lost A Sock, out of the Epic Leader mare So Very Epic, a full sister to futurity and multiple pro rodeo winner So Epic, ridden by Sidney Forrest.

So Very Epic is out of the great producer Streakin Sider, a daughter of Streakin Six out of a stakes-winning Thoroughbred mare. Streakin Sider also produced futurity champion Dashing Canelo, by Dash Ta Fame, and multiple champion Stitches Streaknfame, by Firewater Ta Fame. Unfortunately, So Very Epic had her hock stepped on as a baby so she was never broke to ride.

"He really favors the Epic," Mowry said. "Everyone thinks he is one."

She was really proud that he got to shine in front of his breeder and owners, who were at Glen Rose to watch.

"There's no denying his talent," she said. "He's always been a really big runner. He's got a lot of speed and is really worky, turny. He's over 16 hands. I feel like he's a little bit gangly. He's one of those that you have to let it come in his own time. He didn't do what we knew he could do at the first three futurities, but I felt like it was just a matter of time. It was kind of nice that he pulled it together close to home where everyone could be there."

Mowry also qualified her second horse for the American Semifinals. She placed third in the Qualifier with 14.772 aboard Boone's 7-year-old Famous Ladies Man ("Emmitt"), a Busby Quarter Horses-bred gelding by Dash Ta Fame out of Canadian champion barrel horse Lady Perks, by Dash For Perks.

Mowry had also entered Jarvis in the Qualifier but once Emmitt ran and posted a solid time, she opted to scratch the futurity colt.

Emmitt also placed fifth in Saturday's Open for total earnings of

Mowry is pretty attached to Emmitt, who has won futurities, derbies and pro rodeos for her. They were up at the Fort Worth pro rodeo at the time of this interview. Mowry also said having an older horse like Emmitt to count on helps her be more competitive with her riding.

"I need those horses to get on after I ride colts," she said. "You

# Taylor Armenta & Madilyn Todd Top Arizona Sherry Cervi Youth Championships

By Tanya Randall

Cradle cowgirls Taylor Armenta and Madilyn Todd took top honors in their respective divisions at the Sherry Cervi Youth Championships, held January 28-30 at the Pima County Fairgrounds in Tucson, Arizona.

Ten-year-old Armenta of Bloomfield, New Mexico, paired up with the 11-year-old mare Redwood Bella Ike to win the junior division. Armenta and Bella were a force to be reckoned with as they swept the division and turned in the fastest time of the event. They pocketed \$2,003 and took home a truck full of goodies including a Martin Stingray saddle.

Armenta's parents Russell and Audra purchased Bella, a daughter of PC Redwood Ike out of PC Bella Frost, by Sun Frost, from family friends when the mare was 8.

"They had her going on barrels, poles and breakaway," Audra Armenta said. "We bought her mainly for Taylor to junior rodeo on."

Bella was a consistent 3D horse at the time and they won the Junior 3D reserve championship at the Sherry Cervi that year.

"We were so happy with their success, then COVID hit," her mother continued. "Where we live in New Mexico everything completely shut down. Rodeos and barrel racers were getting canceled left and right. I was upset that we had just got Taylor this new horse and we had nowhere to go."

The Armentas used the down time to find Taylor a coach – someone other than mom – to work on her horsemanship. A friend recommended Cory Mars.

"I called her up and the rest is history," said Audra. "She's shown Taylor so much and really helped develop those two into the team they are today."

With Mars' help, Armenta and Bella went from consistent 3D to consistent 1D against some of the best horses in the business. They qualified for the KK Run For Vegas the last two years. This past December, they won Mike and Sherrylynn Johnson's Vegas Tuffest 12 & Under barrel racing short go and average, bringing home \$19,000 for their two weeks in Vegas.

Audra said that Taylor, a fifth grader, was excited to come to the SCYC.

"We decided to enter the warm up race Friday as Bella gets stronger the more she runs," she explained. "They were third out of 250 girls and Taylor was happy and so excited for the weekend to start."

"Saturday they had a beautiful run that was flawless and Bella was flying. They clocked a 15.238 and the crowd went crazy! I was so excited and proud of them. Sunday, I think Russell and I were as nervous as could be but we kept Taylor calm, cool and focused."

She said Russell's experience as a professional steer wrestler has allowed him to really help Taylor with the mental aspect of competing.

On Taylor's last run, she and Bella brushed the third barrel but had another round winning run.

"On the video we have, you could see the ladies in the crowd's nest, including Sherry, jumping up and down while she ran. They were so excited for her! It took Taylor four years, but she finally accomplished her goal of winning one of Sherry's saddles."

For Taylor, she just enjoys competing and her horse Bella.

"She's got a big heart and a lot of attitude," Taylor said of Bella. "She's easy to ride, but she's really strong though."

Taylor, who was an American Semifinalist in 2021 after winning the qualifier in Buckeye, Arizona, wanted to thank Mars for all her help with Bella, and the Armentas wanted to thank Taylor's sponsors Kingsville Brand, OE Nutraceuticals and American Hat Company.

minutes from town, comes from a talented rodeo family. Her dad, Colter, is a NFR qualifying header and her mother Carly is a professional barrel racer. Her grandmother, the late Lori Todd, was a multiple Turquoise Circuit Champion.

An all-around hand, Todd has qualified for Nationals every year since sixth grade. She ropes, ties goats, runs barrels and poles and has made it all her events at one time or another.

Like her family she enjoys training horses, including her Sherry Cervi winner.

Murrietta is by Dakota Doc Otoe out of the race-winning On A High, Special Effort mare One Special High. She was bred by Manuel and Ruben Murrietta who sent her to Todd's father to break.

"My dad said she felt like a barrel horse," said Todd. Her dad would know since he broke Cervi's legendary mount MP Meter My Hay ("Stingray"). "At the time, I was looking for some young horses to buy, so I asked (Manuel) if he wanted to sell her. He did and I

bought her as a 3-year-old in November."

Todd did all the mare's training herself with a little guidance from her mother.

"She was pretty easy," said Todd. She took to it pretty fast. The very beginning of starting her was a little rough because she was super, super light and felt every movement that I made. Once we got through that she was pretty easy.

Todd brought the mare along at the jackpots and started running her as a 4-year-old. The mare is still a little green but tends to get better with runs as she did at the Sherry Cervi.

"The first day, she ran a little bit green," said Todd, who picked up \$1,136 and a slew of prizes including a Martin Stingray saddle. "It was a little more on the wild side. She's usually more confident the second day. She lined out and was way more smooth."

She wanted to thank her sponsors DHS Saddles (her grandparents), Oxy-Gen, Rocket Legs and American Hat Company as well as her parents.

# Another World Record on a Standard Pattern Set in Brazil

Over the weekend, the speedy grey 9 yr old mare, Prime Fishers MCM (Fishers Dash-Prime Henryetta, Holland Ease), owned by Wilson Vitorio Dosso and bred by Mario Andre Goulart Marins ran a scorching 16.313 and broke the world record on a Standard Pattern at the Copas Haras Turato Open 5D on January 28, 2022 in Nova Independencia, Sao Paulo, Brazil.

The previous World Record of 16.369 was set by Rollin In The Fame (Dash Ta Fame-Rods Last Ladybug, Sharp Rodney) last year being ridden by Evelino Rocha.

To watch the record breaking run, check out the Barrel Racing Report Facebook page!

Below is information on this record breaking run compiled by Shannon Kerr from owner Wilson Vitorio Dosso:

This mare has a beautiful and sentimental story. The previous owner was Denilson Andrade and he actually passed away last year. In December of 2021, the family reached out to the Dosso family about buying her. The Dosso family is the owner of the WV Auction company and also one of Brazil's respected breeders. The Dosso family had seen the results the mare had made with her previous trainer Denivaldo Lima. Lima had trained and ran the mare for the Andrade family and had posted some very impressive times with her including some 16.5's and 16.6's and even won the ABQM 2021 Congress and some other big titles with her.

When the Dosso family took her to their farm their in-house trainer Fernando Morales exercised her and kept her fit but actually did no training on the barrels at all with her until her debut with the great Sidnei Jr on Saturday January 28, 2022. In fact, Sidnei had never even rode the mare until that day and that race.

"We (Sidnei and ourselves) have a lot of expectations for her" said Wilson Dosso "we believe she will only continue to do great things and she will stay with Sidnei as her rider and trainer. The emotion we are all feeling is indescribable. To own such an amazing mare and to have so many people congratulate us, it's an amazing feeling"

The Dosso family doesn't have any plans to stop running Prime Fishers MCM, but since their business is breeding, she will be used for embryo transfer for the 2022 breeding year - in fact she broke that record bred to Slick By Design.

## Barrel Racing Pioneer Dale Youree Passes

Legendary barrel horse trainer and clinician Dale Youree passed away on January 27. The Addington, Oklahoma, horseman was 93.

Youree was the patriarch of Youree-Ward Barrel Horses in Addington, Oklahoma. When he and wife Florence married in 1950, Youree's preferred event was the calf roping. It wasn't until he started tuning his wife's horses that training barrel horses became his focus.

A student of horsemanship, Youree drew from all sources to develop the techniques of training barrel horses that are still widely used today.

He trained many champion horses from futurity winners to AQHA World Champions and horses that gave many a successful start in the sport. He won the TBRA Futurity in 1971 with Quick Juan. He won the Old Fort Days Futurity in 1978 with Moons Sales and the Derby in 1989 with Easy Sprinter.

Youree's last aged event titles came aboard Ole Man Slew, who won the 1996 Oklahoma Barrel Racing Association's Fall Futurity in 1996 and the Ardmore Fall Futurity in 1997. His last major championship, at age 71, was aboard Dolls Little Bully in the Sweepstakes at the 1999 NBHA Open World Finals. He was 79 when he drew his last futurity check aboard Jaxons Olympic Fame at the 2007 Speedhorse Futurity.

His success in the arena wasn't limited to barrel racing. He also roped at the Quarter horse shows, qualifying several horses for the AQHA World Show in the roping along with the barrels. Two of those horses were Este Tag and her son, the legendary sire Dr Nick Bar.

For all that he won, Youree was remembered most for the knowledge he shared with others.

In the 1960s, Youree and his wife held some of the first barrel racing camps and clinics at their home. Several camp attendees fondly remembered those summers, from the knowledge gained to the snipe hunts he arranged for fun.

Several future champion trainers, world champions and NFR qualifiers spent their summers learning from the Yourees.

"He was the man that taught me how to run barrels, how to train a barrel horse, how to be a winner. ..." wrote camp attendee Martha (Wright) Jordan on Facebook. "I will be forever grateful for the knowledge and the laughs he shared."

Youree also authored the book "Training and Riding The Barrel Horse," which was published by Western Horseman in 1971, and produced the video "Barrel Racing – The Youree Way."

"My introduction to the world of barrel racing was reading his book years ago," said leading futurity trainer Vauna Walker on Facebook. "I'll always be grateful for those insights he shared."

Youree is survived by his loving wife of nearly 72 years, Florence, his daughter Renee and her husband James Ward and the three Ward daughters Janae Massey, Kylie Weast and Cassie Ambrose and their families.

To experience the personal impact of Youree's life on the barrel racing community, please visit our Facebook page at <https://www.facebook.com/barrelracingreport> to read the comments on Kylie Weast's post about her grandfather's passing.

# HEADIN' FOR HOME

by Sherry Morrison // Triple M (Mike Morrison Ministries)

Last week we talked about knowing why we believe what we do and confirming it with the Bible. Did you challenge yourself to find something?

This week, let's stretch even further and begin to walk daily believing, and proving, that God is a GOOD God. He's not looking to hand out spankings each morning because we cussed, or lost our temper or sinned somehow. HE LOVES US! He wants us to live our lives without limits!!!

That doesn't mean we can be knotheds and do anything wrong that we feel like! We read the Bible and endeavor to do, and to RECEIVE, what He has for us!

Psl. 84:11 says, "For the Lord God is a sun and shield; The Lord will give grace and

glory; NO GOOD THING WILL HE WITHHOLD FROM THOSE WHO WALK UPRIGHTLY."

That's you and me. Look for, and receive, His blessings today. Then don't forget to thank Him!

Mike and Sherry Morrison pastor "Church at the Barn" in Gillette, WY. They also travel to other areas ministering at barrel races, ranches, rodeos, churches and home Bible studies.
