Moore Makes Her Move at San Antonio

By Hope Sickler

Amber Moore and her great mare CP Dark Moon (aka Paige) were the stars of the show in San Antonio this year, winning the most money any contestant has ever won in the rodeo's history. Moore has had a phenomenal start to her 2017 season, finishing 9th in the average at Fort Worth and 2nd in the average at San Angelo. Now she can add San Antonio Champion to her impressive start to this season, proving that she may be the one to beat this year.

The Keizer, Oregon team showed up to the AT&T Center for the first time this year and although it was their maiden voyage to San Antonio, Moore had faith that Paige would like the set up.

"Paige can run on any size pattern but she really seems to like the smaller pens. She absolutely loved the small setup in San Antonio," Moore said. "She felt confident and relaxed every time we entered the alley. I just tried to stay out of her way and let her do her job." Moore and Paige, the 8-year-old daughter of Darkelly, won all three rounds in their preliminary brackets, advancing to the semi-finals. With a clean sweep in her bracket, Moore was confident going into the semi-finals.

"Paige just worked outstanding in our bracket, and I was confident going into the semi-finals. She just kept getting stronger and stronger the more runs she made in that building."

Moore couldn't have been more right going into her set of the semi-finals, winning both go rounds. Moore and Paige posted a time of 13.86 in the first go of her set and came back in the second go, running a 14.05, tying with Arizona's Nicole Riggle for the win. In the second set of the semi-finals, Hudson, Colorado cowgirl Ivy Conrado won the first go with a 13.97 and Washington veterinarian Kathy Grimes won the second go. Both Conrado and Grimes advanced to the finals, along with Moore.

"I absolutely loved San Antonio. The hospitality that they give us contestants is impeccable and amazing, San Antonio will certainly go down as one of my favorites rodeos," Moore said about the historic Texas rodeo.

With already five wins under her belt in San Antonio, Moore knew that all she had to do going into the finals was trust her horse and let the rest take care of itself. Her game plan worked and Moore won the finals with a 13.98, close to two-tenths of a second faster than Grimes who finished second in the final round with a 14.11.

"Winning San Antonio will be something that I will cherish forever, not to mention winning it our first trip to the historic rodeo." Paige was also honored with the award for one of the greatest Animal Athletes at the San Antonio Rodeo. The extremely prestigious award earned Moore and Paige another \$1,500, totaling their earnings at San Antonio to \$30,839.

"Our season didn't quite start out the way we had hoped it would, not being able to get to Denver due to weather, getting the flu in Rapid City and then my saddle's latigo breaking at Fort Worth, but now that I have all of that out of our system, it has been uphill since," said Moore.

Although there are a lot of rodeos left in the season, Moore hopes to find herself back at the WNFR this December, but until then, she will enjoy the ride and take one run at a time.

"I am very grateful to be out here doing what I love on a horse that is so special. It is certainly something that I try to never take for granted."

New Breeders Incentive

Lisa Whitman and Linda Russell are excited to announce that in January 2017 a new breeder's incentive was founded in Canada.

The Canadian residents have always had a passion for horses, particularly barrel racing, marketing and business. They have industry knowledge, education and a great team to aid in the program's growth and success.

The breeder's incentive program is now being offered to stallion owners and eligible offspring within Canada and the United States.

Our mission is to elevate the Barrel Racing Horse Industry within Canada by providing a limited Incentive Program to encourage breeding and increase the worth of the offspring.

This incentive program will increase the earning power and value of eligible offspring and in turn encourage stallion owners to get

involved from around Canada and the United States by giving back to the breeders and owners.

Our objective is to select a limited number of stallions based on breeding, location and breeding options in order to ensure that you; the stallion owner have more mare owners breeding to your stallion. It is our belief that paying the breeder will ensure that the mare owner will book to a nominated stallion within this incentive.

The goal is to give back to stallion owners, breeders and those eligible offspring through open, futurity and derby events which will aid in building and growing their breeding programs.

If you are interested in enrolling your stallion in the Western Fortunes Inc. Incentive Program, which is open to stallions in Canada and the United States, please contact westernfortunes@gmail.com or go to www.westernfortunes.com for more information or like us on Facebook at: <https://www.facebook.com/westernfortunes/>

Cutting Edge – Stevi Hillman & MCM Imasharpguy Take Tucson

By Tanya Randall

Stevi Hillman's got a new ride—MCM Imasharpguy, owned by Matt and Bendi Dunn of Bismarck, Mo. The 5-year-old gray gelding is proving to be a quick study in the rodeo arena, winning just his third rodeo—the \$20,690-added Fiesta de los Vaqueros in Tucson, Ariz., for \$7,473.

Hillman wanted to thank the Dunns for giving her the opportunity to haul the gelding, who will join Melissa Mouton's Cuatro Fame ("Truck") and eventually Melissa Darling's Morning Traffic ("Martini") in the trailer.

"Bendi had called me and asked me if I had wanted to take him after the American Semis," said Hillman, who lives in Weatherford, Texas. "Jolene (Montgomery) had told her that she thought I would fit him really well. I said that would be awesome because I don't know when I'll be getting Martini back with her off getting embryos pulled. The whole game plan is to rodeo season Sharpie this year and have him in the trailer to be a part of the team with Truck and Martini. Basically, I'm seasoning him for their little girl to rodeo on later."

Sharpie is a homebred for the Dunns. The gelding, by A Sharp Frenchman, is the first offspring of their great mare Mulberry Canyon Moon that they have kept for themselves.

Hillman picked up Sharpie on Monday before the start of RFD-TV's The American Semifinals Rodeo. The gelding had qualified for the event with Troy Crumrine, but was a scratch due to Crumrine's broken ankle. At Bendi Dunn's encouragement, Hillman took Sharpie to a jackpot at RTM in Aledo, Texas, that night.

pot with a pretty good run. I was excited about that,” said Hillman.

Sharpie's first rodeo run was in a performance at Los Fresnos, Texas.

“We almost didn't go because it's such a long drive down there,” said Hillman. “We thought we needed to see what he's going to be like. He over-reached going to the first barrel and literally ate dirt. He went down to his belly. We almost did an 'end-o,' so I pulled him and coasted through the rest of the run. It was unfortunate, but that was his first actual rodeo. It was a long drive to eat dirt, but the positive of that was he didn't care about the crowd.”

Knowing the gelding had mostly ran inside at the futurities with both Montgomery and Crumrine, Hillman was really pleased at how Sharpie handled the big outdoor environment. That would make her future decision to run Sharpie in the first round at Tucson a little easier.

“It was a hard decision because (Tucson) is Truck's setup,” said Hillman. “I had to listen to my gut. I felt that I needed to run Sharpie. I had nothing to lose with just seasoning him. I needed to see what he was going to be as a backup for Truck.”

Making their first run in slack, Hillman and Sharpie turned in a 17.61.

“He made a great run,” she said. “We were pretty surprised with it. The ground was wet for us, but it was a good wet. We weren't sure if we were going to make it back or if that was going to make it back. It turned out to be pretty good ground for being wet.”

They returned to Texas for Hillman's semifinals runs at the San Antonio Stock Show. After ugly slips in the first round, Hillman and Truck picked up \$1,069, which wasn't enough to advance them to Saturday's Finals.

Not knowing that the Tucson Finals was a lock, Hillman decided to go to Sinton, Texas, where they had two back-to-back \$1,000-added day rodeos.

“We were making it back at Tucson, but there were still three

perf to go,” she explained. “It would give us a couple of more runs on the horses.”

She ran Sharpie in the first rodeo, winning it with a 17.30 on a WPRA Standard Pattern, earning \$728. Truck got the call the next day, winning it in 17.19 for \$692.

“That was pretty exciting!” exclaimed Hillman. “By then, we knew we were making the short at Tucson, so we took off after our run Saturday morning.”

Hillman and Sharpie had ended up placing seventh in the first go at Tucson, and they won the Finals with the fastest time of the rodeo a 17.34 to seal up the average.

“A part of me was tugging at me to run Truck, because it was his set up, but I decided to stick with (Sharpie) because he had made it back for me. I saddle up and go out there, and it's the most packed, loudest outdoor rodeo that I've ever been to! Everyone in Tucson was in the stands! The ground was really dry and some horses were slipping and falling.”

The loud crowd and the ground made Hillman question her decision to ride the 5-year-old.

“We were second out and the first girl slipped at every barrel really bad,” said Hillman. “I just kind of closed my eyes and decided to go out there and trust my horse. Seeing that though, I did help Sharpie stand up in his turns a little bit more.”

Calling on her experience as a trainer and the lessons she learned with Truck last year, Hillman knew that she had to ask Sharpie to run on the hard, slick ground, but prepare him for the turn a lot quicker so he could stand up, more than she normally would.

“He went in there and worked like he'd rodeoing forever,” she said. “It really shocked me. That was a hard setup and hard ground for a 5-year-old.”

Nasal Strips, Equi-Pulmin, HayRite, FlexiNeb and Kerry Kelley Bits & Spurs, was quick to credit Sharpie's background with Montgomery and Crumrine for making his transition to rodeo easy.

From the time Hillman picked up Sharpie, she and her husband Ty travelled 3,800 miles and she moved to fourth in the WPRA World Standings with \$32,885.

After a restful week at home, Hillman will run Sharpie at the Champions Challenge in Grand Island, Neb., on Friday night, while Truck gets a spa week before running at Rodeo Houston on March 13-15. She plans on running Sharpie at Rodeo Austin.

Hall Heats Up the Patriot Futurity

By Hope Sickler

Veteran barrel horse trainer Sharin Hall has seen quite a little success so far in 2017 and a lot of it has been aboard a 4-year-old mare, Dreaming Of Foose, by Foose and out of Hawks Dream Girl by Hawkinson. Hall lit up the scoreboards aboard the leggy mare in Fort Worth at The Patriot, winning the futurity championship amongst a tough group of futurity horses and trainers.

Hall affectionately calls the talented brown mare Cali and bought her sight unseen as a unbroke 2-year-old.

"She has proven that she can run not only with the other tough futurity horses but also the tough rodeo and open horses. She is a blessing from God and her story is something that only God could have had a hand in," explained Hall.

The week before The Patriot, Hall was in Kinder, Louisiana at the LG Pro Classic. After Kinder, Hall went straight home to Oklahoma and rested Cali for a few days. After a restful break, Hall hauled down to Fort Worth last Wednesday night, to get her settled in at friends, Janee Ornelas.

"I did a few exhibitions on Thursday to show her the arena and allow her to feel the ground, in preparation for the futurity on Friday."

For the first round of the futurity, Hall wanted to make a clean, smoot run. After watching a few horses run early and noticing that the ground was deep, Hall tweaked her plan a bit. In addition to a smooth and clean run, Hall also wanted to have plenty of momentum to carry her past the barrels. Hall's plan worked and she won the first round with a 15.51.

Going into the second round, Hall's game plan didn't change much from the first round.

"I wanted to stay clean and clean up my mistakes from the first go. I felt like we were achieving that until we got to the third barrel where she slipped on the back side, causing her to take an extra step off the barrel," Hall said.

"Somehow though, she still managed to win the round posting a time of 15.45. Our time from the first round and the second round buttoned up the average for us."

Halls total time on two was 30.968, sealing the championship. Pete Oen and Fame In A Fling finished second in the average with 31.216 on two runs.

With another futurity championship under her belt for 2017, Hall has already won three aboard the mare.

"I feel extremely fortunate and blessed to have 3 futurities won by February and all on the same horse!"

With a new month, brings new futurities and Hall has gone home since winning The Patriot, letting Cali rest and prepare for the Diamonds and Dirt in Waco in March. If all goes like it has so far this year, Hall hopes to bring home another futurity championship.

Wenda Johnson & Dreams First Flash Set Rocket's Pace at The Patriot

By Tanya Randall

The wickedly, fast Dreams First Flash, expertly guided by Wenda Johnson, set a blistering pace to win the 1D Shootout at The Patriot, held February 21-25 at Will Rogers Coliseum in Fort Worth, Texas. Flash and Johnson turned in a 14.979, the fastest time of the event, to earn \$11,008.

They had qualified for the 1D Shootout by turning in a 15.631, the 17th fastest time in the Qualifying Round. Johnson said it was a "cautious" run as Flash had stepped on himself on February 14th during his slack run at RFD-TV's The American Semifinals.

"He hadn't been rode from that Tuesday until the Wednesday before The Patriot," Johnson explained. "I used Thursday as a 'Let's make sure you feel OK' run. He wasn't running as hard, but he was just coming off that injury."

In the Shootout, Johnson and Flash made the run that was the talk of the barrel racing world. It was just their 30th career run together.

"He's talented and special," said Johnson. "Regardless of who is on his back, he's going to shine."

Owned by Mark Singletary's Tres Mesas Horses in Fort Worth, Texas, Flash, 6, is by Champion racehorse and sire First Moonflash out of Quarter K Incorporated's First Down Dash mare, First Down Dream. Jerry Bailey purchased the gelding for \$9,000 at the Ruidoso Select Yearling Sale and later sold a half-interest in the horse to Singletary, his friend from church.

After a lackluster career on the track, Singletary purchased the horse outright. His barn manager, Luis Hernandez, a former Paso Fino trainer, did most of Flash's barrel training. When Johnson joined the team last year, Flash's barrel racing career took off, winning the Ardmore Futurity, qualifying for the American Semifinals, and winning the JB Quarter Horses Futurity and both runs of the Elite Extravaganza in 2016. They started off 2017 winning the average at the Ultimate Texas Barrel Classic.

"It's been fun to run Flash and develop him," said Johnson. "The next step is to continue seasoning him, maybe add some rodeos, and get him ready for a long, successful career. There's no doubt he has the ability to do so. He's amazing for running no more than once a month."

BBI was formed for stallion owners as an incentive program to breed barrel horses and sell barrel prospects. Now barrel racers are looking specifically for BBI horses.

BBI is set apart from other barrel breeders' programs as we promote an Open Barrel race as well as Futurity & Derby events. Horses 4-7 years old by nominated stallions (or sire if of age) are eligible to run in BBI sidepots. Pictured are some of our 2016 BBI winners: Just Look Quix (JD Look) with Emily and Adi Keefer ("Q" won all 3 BBI futurity events), TS Mrsunpeppy Dash (PC Mr Sun Peppy) and Monica Gruel (Barrel of Gold Derby champs), Margaret Jones (Midnight Corona), Monica Gruel, Emily Keefer and Shelley Murphy (As Good As Nick Gets). 2016 handcrafted awards from JoBeth Hutchison, Gale Beebe and Sammy Jo Hall.

Headin' For Home

by Sherry Morrison
Triple M (Mike Morrison Ministries)

I believe that we are all familiar with a cow chewing her cud. I'm not exactly sure if she burps her food up or she pukes, but either way, she takes what she has ingested and begins again! (That was kinda disgusting, huh.)

Well this morning I was praying about what to encourage us all with and I was reminded of Mark 4:20. This is the account of "the sower sows the word." Jesus tells them that when people hear the Word of God, some jump on the band wagon and then wilt. Some never get the word in their heart and some get the word but they get distracted and let it slip. BUT. Some of the people are 'good ground'. That's us! Read all of Mark 4 but verse 20 says, "But these are the ones sown on good ground, those who hear the word, accept it, and bear fruit; some thirtyfold, some sixty, and some a hundred."

Friends, we are good ground. We are seeking after God. When we hear His word we obey it, no questions asked. (Well, almost no questions.) But in order to remain being good ground, we need to keep thinking about the word. We need to read it, think about it, chew on it like ole Bessie, pray it and believe it. When we do that, it gets down on the inside of us and makes a difference in every area of our lives! It makes us winners!
