LS Corona Winslot for Montgomery in Texarkana

by Tanya Randall

Multiple futurity champion Jolene Montgomery didn't have delusions of grandeur when headed to the \$5,500-added Lucky Dog Productions Futurity at the Four States Fairgrounds in Texarkana, Ark., with two new horses in her trailer. She picked up LS Corona Winslot and Miss JB 088, owned by John Villarreal, en route to the event on Thursday.

"I rode them for 20 minutes at his house in the rain," laughed Montgomery, who resides in Dawson, Texas. "I knew they were nice horses. I didn't know if I could win on them, but I thought I had a shot at placing, so why not go with them?"

Villarreal said Montgomery left telling him not to expect her to win on them right away.

"It was really cute when she called," Villarreal quipped. "She said, 'I don't know how to tell you this, but I won the futurity.'"

Montgomery won the 47-entry, BFA-approved event with LS Corona Winslot ("King"), taking home \$2,403 of the \$17,412 total purse. She placed fourth on Miss JB 088 ("Sally") for earnings of \$1,619.

"I can't take any credit for either one," said Montgomery, who is sponsored by Classic Equine, Petrol Jeans and Priefert. King, a 4-year-old gelding by King Corona out of the Hooked On Cash mare, Classy Hook, was trained by Chris Martin. Sally, a 4-year-old Chasin Firewater mare out of the Royal Shake Em mare Shake Em Low, was trained by Kassie Mowry and Angie Boyce. "Both are well broke and really nice. I was just the jockey."

With only a few exhibitions to get to know either horse, Montgomery called on their former riders for advice.

She said she was "pleasantly surprised" with her first run on King—a 15.322 that was one hole out of the 1D money in the first round.

"He was decent in the exhibitions," she said. "I had an o-ring on him and I think it was too much for him, too sharp. So, I switched to a smooth-mouth Loomis and a tie-down. Chris rode him with a bonnet, but bonnets and me don't get a long, so I put a tie-down on him. I just tried to keep him comfortable and quiet before I ran, and I just eased him through and tried not to make any sudden moves on him."

Montgomery thought King had more in the tank but wasn't sure whether she could ask for it, so she called Martin.

"I felt like he wasn't running out, so I asked Chris how hard could I send him," she said. "He said, 'Send him.'"

Their second effort was a second-place 15.132.

Villarreal couldn't have been more pleased with the outcome. He got involved with barrel horses thanks to his preteen daughter Alexis.

"We went to the NFR two years ago," he said. "She tells me she wants to come back here. I'm thinking sure; it's a lot of fun. She says, 'No, I want to ride here!'"

While he's found her a super mount in Efforts Special Guy ("Woody"), Villarreal is looking ahead.

"My thought was to buy the best colts we could get our hands on and put them in the hands of the best trainers," he said.

Villarreal purchased both horses in between the first and second rounds of the Juvenile Futurity at the BFA World Championships this past December, but he'd had his eye on King for quite some time.

"I had watched that colt run all summer in exhibitions," he said. "Chris did a great job with him. He really wants to work. He's a very unique horse. I think he's got the potential to be a great horse, and I know he'll get every opportunity to be the best he can be with a rider like Jolene."

Veterinarian Greg Ford was responsible for pairing the two horses with Montgomery.

"Dr. Greg Ford has probably been the best thing that has happened to us in the horse business," Villarreal said. "I've been really blessed with these last few horse deals."

Double J Productions Announcement

Double J Productions, the group responsible for Big J Barrel Blast events, is pleased to announce the addition of a fourth 2012 event and a new incentive fund program for futurity and derby horses.

The special fourth event on the Double J calendar for 2012 is an open 4D event with guaranteed payout of \$20,000. The event will be held in conjunction with the National Cattle Congress Fair on September 14-15, 2012. Four trophy saddles will be awarded and payout will be done on two rounds and an average. The number of entries for this event will be limited to the first 150 contestants to sign up. Entries will open August 1st and will only be accepted online.

This year Double J is focused on giving aged event contestants more ways to win. The Big 8 Performance Fund will be an added incentive for breeders, owners and riders with horses in the Open Big J Futurity & Derby. Stallion owners in IA, MN, IL, WI, MO, SD, ND and NE may enroll stallions in the performance fund. Off-spring of enrolled stallions will have the opportunity to earn cash and prizes at the August open futurity and derby, as well as participate in a special point series at all 2012 Big J Barrel Blasts.

Complete details on the September NCC \$20,000 Guaranteed 4D Barrel Blast and the Big 8 Performance Fund are available at www.bigjbarrelblast.com. Don't forget to like Big J Barrel Blast on Facebook and become entered in the drawing for a \$25 credit to the May 4-6, 2012 Big J!

THE RUNDOWN: STEVI HILLMAN

HORSE: Im A Royal Design "Hammer"
2007 Sorrel Gelding, 15.3 h.h.

OWNER: Rick & Teri Ford

HORSE HISTORY: Hammer is his barn name and he is owned by Rick & Terri Ford of Weatherford, TX. I've had him in my possession for a year this month. He was track broke when I got him. He won \$17k on the track and is probably just beyond \$20k in barrels already.

BIT: Ed Wright Pretzel

HEADGEAR: Bonnet (which may come off soon)

SADDLE: Larry Coats

PAD: Classic Equine BioFit

LEG GEAR: Classic Equine Legacy Boots

GRAIN: Intensify Total Advantage by Bluebonnet Feeds

SUPPLEMENTS: Slippery Elm to soothe his digestive system, and UlcerGard

HAY: Coastal & Alfalfa

WHAT IS THE KEY TO WINNING BACK TO BACK IN THE SAME ARENA: With Hammer being so young, I still like to take him through the pattern at a trot before a second run in the same arena, so he isn't thinking to drop his shoulder. He just tends to get a little strong, so I use that to my advantage as the jockey, I want him strong but its got to be my way, not his. Winning back to back has more to do with your mental game than anything....so I believe 90% of my game is mental, my coach/husband (Ty Hillman) has really trained me here. So I go through my mental toughness rundown and my strategy. I ask myself 'where is my focus' 'how is my breathing' then I picture the run I want to make happen and go do it! I picture everything in my run and feel it as if I already made my run. And always Prayer! That definately gives you an edge, you gotta believe!

WHAT IS YOUR WARM-UP ROUTINE: With Hammer, I trot him to stretch him out, get his muscles warm then I 'bow' him down to give him a good stretch, then I get back on and lope a few circles....always making sure he knows that I am in control, because he is extremely confident and a bit cocky. Then I just keep him walking before we go..... I don't get him sweaty and hot, I just like to have his full attention.

MAJOR LEAGUE PROTECTION

POWERED BY ZOOMBANG TECHNOLOGY

Introducing the Zone™ Series Pad

Made Exclusively by Classic Equine®

ZONE
SERIES

NOW THE TECHNOLOGY DEVELOPED TO PROTECT PRO ATHLETES IS AVAILABLE TO PROTECT YOUR HORSE

Zoombang is scientifically tested and proven to protect against impact injury. Zoombang is a patented polymer material that provides truly intelligent protection. At rest, Zoombang acts as a liquid to assure perfect fit and malleability. But on impact, it immediately transforms to a solid state, reacting proportionally to the energy applied. As a result, Zoombang only becomes as rigid as necessary to absorb and dissipate incoming shock.

Zoombang is widely used for its protection against injury in contact sports, law enforcement, and military applications. The NFL, NHL, MLB and NASCAR rely on Zoombang to protect elite athletes. Now equine athletes can benefit from the same protection. After all, they deserve it.

HOW ZOOMBANG™ WORKS

SOFT AT REST
ZOOMBANG is soft and fluid-like to the touch

REACTS TO IMPACT
Upon impact ZOOMBANG molecules stiffen and lock to a solid-like state providing maximum protection

SOFT AT REST
After impact, ZOOMBANG returns to its fluid-like state

RodeoHouston Primed For Semi-Finals

Rodeo Houston NOTES:

Super Series III:

Brittany Pozzi dominated Super Series III winning two rounds and the aggregate on the way to a rodeo best \$8700 of earnings. Pozzi used these earnings to keep herself solidly in #1 position in the World Standings at \$62,940 just a little over \$10k in front of Benette Little.

As a bonus, Pozzi slipped over to Rodeo Austin and won the Super Shootout and another \$5k on her other yellow horse, French Covergirl.

Also in Super Series III, Nikki Steffes and Dash Ta Vanila kept up their hot streak winning a total of \$4,500 and moving on to the Semi-Finals and helping to maintain her #4 position in the World Standings.

Super Series IV

Trula Churchill and her young blue roan, A Streak Of Rita, are putting their experience from last year to good use. They ended up winning one go round and the aggregate for a total of \$6,300. Last year the pair only garnered \$500 in earnings, but this year they are on the way to the Semi-Finals.

Sammi Bessert and her speedy mount, Terrible Tommy Twist ran a 14.00 in Go Round 3 which is an arena record at Rodeo Houston. The time was a hand time, so it remains to be seen whether it will become the official arena record. Rodeo Houston's previous record holder was Jane Melby with a 14.03 in 2011.

Super Series V

Although Lindsay Sears, currently sits #220 in the World Standing with only \$428 in earnings, it looks like she is ready to start her ascent back to the top. She won Go Round 1 of Super Series V on the super mare, Sugar Moon Express, then hopped on Ima Guy Of Honor for second place finished in Go Rounds 2 & 3 and ended up winning the Aggregate. Her \$7400 of earnings and whatever Sears earns though the upcoming rounds of Rodeo Houston will catapult her up next week's standings.

Headin' For Home

by Mike Morrison
Triple M (Mike Morrison Ministries)

Most people want to be happy. Sherry and I saw this fact during all the years we've ministered and taught in the western United States from the Mexican border to up into Canada.

Oh, I know there are people who live and die with scowls on their faces and it seems their only goal in life is to make everyone around them miserable, too. But they are in the minority. Just look at all the money spent every year on vacations, cruises, and all sorts of luxuries. Those are good things and there's nothing wrong with any of that except material things only bring a temporary pleasure that doesn't last.

If you want a deep, abiding happiness and peace, you have to have a right relationship with Jesus Christ. Then you know for certain that you can have eternal life in heaven. Jesus said in John 14:27, "I am leaving you with a gift--peace of mind and heart. And the peace I give is a gift the world cannot give. So don't be troubled or afraid."

Have you already made Jesus the Lord of your life? If you haven't already done so, don't waste another minute. You know He died

for all mankind so we could have our sins forgiven and be part of the family of God. He also said in John 10:10 that not only did He come to give us life but that we could have it "more abundantly" through Him.

So claim Jesus for your Savior now. Just say out loud, "I'm sorry for all my sins. I ask Jesus to come into my heart and cleanse me with His blood. I believe He rose from the dead and I make Him my Lord and Savior." That doesn't guarantee you'll never have any more problems but it does guarantee that He'll never leave you or forsake you and He'll help you get through them (Hebrews 13:5). So be happy because the joy of the Lord is your strength!
