THE RUNDOWN: DANYELLE CAMPBELL

HORSE: KR Captain Jack

Bay Gelding, 4 Years Old, 15.2 hands, 1250 lbs.

HORSE HISTORY: I actually bought him last year from Bo Hill, she was the one who started him on the barrels. I wasn't looking for a horse when I saw him because I usually don't buy started horses and people told me they didn't think she'd sell him. When I saw him, he just caught my eye, so I walked up to her and I told her I know everything you have is for sale so what do you want for him. He just really grabs peoples attention. I have never had a horse so many people wanted to buy. It has taken a while to get him used to my training, but he always tries hard. Bo did an amazing job starting him and getting him going and a lot of the credit for him goes to her. I basically just had to figure out how to make him fit me. I would guess I have won between 39-40k so far on this horse.

BIT: O Ring snaffle at Walla Walla, but I have tried several different bits. I am still figuring out what the best bit is for him.

HEADGEAR: Leather tiedown

SADDLE: Stoney Barrel Saddle and I also ride Larry Coats Saddles, Flextree Barrel Saddle. I love both of the saddles.

PAD: Best Ever Pad

LEG GEAR: Professional's Choice VenTech boots

GRAIN: Triple Crown Complete & Low Starch mixed together

SUPPLEMENTS: MorindaCare Equine Perform, Cosequin ASU

HAY: Alfalfa Hay

ADDITIONAL HORSE CARE & SHOEING: I do use mud from an alcohol based linament on his legs that is called Old School Horse Rub from California. The guy makes me a poultice mud and also has an alcohol based linament.

TRAINING & RIDING STYLE: The biggest thing for me is I like a lot of forward momentum through a turn, they should drive with their hind end but keep the their front end moving forward. I like a lot of bend and break at the poll, break at the ribcage and the should keep forward motion while doing this. As long as I have those basics I tend to get along with them OK. When I run, I want to do as little as possible but I want them to follow my lead not just take off on their own. I am not afraid to use my hands and help a horse but at the same time I don't want to have to make a horse do it every time. I ride with a

lot of cutters and reining cowhorse guys to get help with my horses and continue learning, each one does basically the same things but have different theories on getting there similar to barrel racers. I have found a guy close to me that has the same theories as I do and I have been riding with him and that has really helped me. All my life I rode horses off the track, now I am focusing on buying horses as yearlings or unstarted. I found out that the horses off the track knows how to move forward but break at the poll. I have struggled a little with my horses that I start myself to get the same feel. I never realized how important that foundation was for my training program so riding with the working cowhorse trainers will help me to get these same basics in the horses I am riding that haven't been to the track.

Miriam Conner and Hot Corona Cowgirl Earn the \$500 Creating Legends Bonus

Miriam Conner and Hot Corona Cowgirl (formerly known as Miss JB 0721) earned the \$500 Creating Legends Bonus from JB Quarter Horses at the JB Quarter Horses/Wrap N 3 Futurity, held April 8-10 in Gonzales, Texas.

The Creating Legends Incentive is a bonus for the highest placing futurity horse sired by a JB Quarter Horses-owned stallion—Hot Corona, Chasin Firewater, Dallas Fuel, Two Timen Fuel and One Hot Jose.

Conner, Columbus, Texas, purchased the 4-year-old daughter of Hot Corona out of the proven AQHA performance mare Dallas Cowgirl, by cutting horse Dallas By Six, at the 2nd Annual JB Quarter Horses Creating Legends Sale, held November 13, 2010. Hot Corona Cowgirl was trained and demonstrated at the sale by multiple futurity champion and Wrangler National Finals Rodeo qualifier Kassie Mowry.

Other Creating Legends Incentives will be offered at the BBR Futurity, Old Fort Days Futurity, JB Quarter Horses Futurity (November) and the BFA World Championship Futurity.

AHC National Issues Forum

The American Horse Council has announced that the theme for this year's National Issues Forum is "Congress on a Diet: What It Means for the Horse Industry."

This year's National Issues Forum will be held June 21 in Washington, DC during the AHC's annual meeting. The annual meeting will run from June 19 to 22 at the Washington Court Hotel and also include an update on the national equine health initiative, the Congressional Reception and the annual Congressional Ride-In. This year's meeting will also see the return of the AHC's Breed Roundtable, a popular event that brings together leaders of horse associations to discuss common issues of importance to the industry.

As part of this year's annual meeting, the American Horse Council is hosting a Breed Roundtable. This event was an important part of previous AHC annual meetings and allowed leaders of horse organizations involved in various disciplines to visit with each other and discuss issues of common concern.

The Breed Roundtable will provide an opportunity for industry executives to discuss these issues across breeds and disciplines and learn from each other.

There will also be an update on the national equine health initiative. These outbreaks affect the interstate and international movement of horses, which is critical to the horse industry. When barriers to movement are raised by states and foreign countries concerned about the spread of infectious diseases, this affects sales, breeding, racing, competitions and recreation.

The annual Congressional Ride-In will occur on Wednesday, June 22. The Ride-In allows members of the horse community to meet with their elected representatives and their federal officials to discuss important issues affecting them. All members of the horse community are encouraged to participate.

The AHC will conduct a free briefing for Ride-In participants. Anyone wishing to participate in the Ride-In should contact Ben Pendergrass at bpendergrass@horsecouncil.org or 202-296-4031. More information on these Forums and the entire AHC annual meeting, including registration and hotel information can be found on the Events Page on the AHC's website, <http://horsecouncil.org/events.php> or by contacting the AHC.

Slick By Design and Kim Ulbricht Dominate

Story By Tanya Randall

Kim Ulbricht of Hockley, Texas, had one of those weekends that all barrel racers dream about on April 7-10. She won a futurity, two open 5Ds and a rodeo to earn nearly \$5,700 on the weekend. She kicked off the weekend by turning in the winning run at the Cowboys Professional Rodeo Association rodeo Conroe, Texas. She and her horse Jody Runnin On Ethel ("Fuel") posted a 16.300 in Thursday night slack and the run withstood more than 100 challengers for the \$1,575 first-place check.

From there it was on to Gonzales, Texas, for the JB Quarter Horses/Wrap N 3 Futurity, held April 8-10, with Allene Tatom's homegrown colt Slick By Design. The 4-year-old Designer Red stallion out of Dreams Of Blue, by Dream On Dancer, dominated the event, winning both rounds and the average of the \$5,000-added JB Quarter Horses Futurity and both \$500-added Open 5D races.

"Both Fuel and Slick worked awesome," exclaimed Ulbricht, who picked up \$4,159 and a trophy open average saddle in Gonzales. Ulbricht started riding Slick for Tatom last November. "He had been started when I got him," Ulbricht explained. "He has a very good foundation, and he's been brought up very slowly and correctly. Nothing has been rushed."

She said from his personality that it's difficult to know that Slick's a stallion, but when you head him down the alleyway, he is all business.

In Gonzales, they turned in the fastest time of the event, a 14.897, to win the second round of the futurity and Sunday's open. Their blistering run left only four of 342 horses in the 1D.

"I was very confident that he was on his game," she said. "In no way did he disappoint me. I'm just elated over his runs. He's phenomenal."

"With the heart that he has and his conformation, he's just designed for it," laughed Ulbricht. "I pray he goes on to do great things. He's got the style to do it."

THE RUNDOWN: KIM ULBRICHT

HORSE: Slick By Design, Slick
Black Stallion, 4 Years Old, 15 hands, 950 lbs.

OWNER: Allene Tatom

HORSE HISTORY: He came from Allene Tatom, she raised him and owns him. She had purchased his mother many years ago as a barrel horse and when she got injured, bred her to Designer Red. He was her first grandkid! She brought him along really slow and had a really good foundation on him. He is very well mannered and has a great disposition. He is very quiet around mares and other horses when I am hauling but when you enter the arena he really turns it on. He is an extremely quick learner. Allene really wanted to make everything fun for him and that has played a big part in his foundation this far. I have won about \$4700 on him so far. I got him in November before the BFA in OKC. We backed off after OKC. When I brought him back he ran a 4th at a jackpot in Huntsville, TX during the rodeo, then last weekend he ran 2nd the one day in Lufkin, Tx at the Barrel Bash. He was improving every run so I felt very confident going into the futurity over the weekend. We are looking to promote him successfully through his futurity year and then he will move into a rodeo career and a stud career in future.

ADDITIONAL HORSE CARE & SHOING: Apple cookies. When he gets back to the trailer he gets his cookie!

TRAINING & RIDING STYLE: Basically, the horses that I ride have been racehorses. The racehorses tend to be different because they can be pushy on the bit. I spend a lot of time in the roundpen getting them off the bit. Now Slick on the other hand had never been raced so he was different than all the horses I had ridden in the past. Slick has been a lot easier for me than some of the racehorses because he doesn't push into the bit. When I started him, I was worried about the speed, but he has shown he has the speed. When I am looking for a prospect to spend time with I look for a horse that is whole-hearted and tries to do what I am asking them to do. Overall, for me it comes down to the willingness of the horse.

Headin' For Home

By Mike Morrison
Triple M (Mike Morrison Ministries)

A little boy was angry and frustrated when his mother stopped the car to help a neighbor while they were on their way to the swimming pool where he was to meet his friends.

"We're going to be late now," he complained. "I'm missing all the fun. Why did you have to stop to help old Bill anyway?"

"Because that's what we do," his mother explained. "God made us to help others."

"If we're here to help others, what are all the others here for then?" he retorted.

Some things are hard to explain in a simple way for a young child and even as adults, we sometimes question the things life throws at us. We have to keep in mind that God has a good plan for our lives (Jeremiah 29:11) and things will work out if we put our trust in Him who created the universe.

The Bible has all the answers for life. Read it and ask God for direction in your life. Pray and don't let discouragement come over you. Remember that if you've made Jesus the Lord of your life, He

can take a bad circumstance and turn it for your good. Nothing is impossible or too hard for God.

When we're tempted to try and run the lives for others, we can easily get upset if they don't do the things we think they should. We have to keep in mind that God made them and He can take care of them. Our job is to teach them in love (or show by example), pray for them daily and live so they can see Jesus in our own lives.

God's way is perfect. All the Lord's promises prove true. He is a shield for all who look to Him for protection (Psalm 18:30) Read Philippians 4:6-7 and feel the peace of God flood your soul!
