Melvin & French Gold Charger Strike It Rich at Valley Girls Barrel Daze

By Tanya Randall

Hallie Melvin and French Gold Charger ("Eddie") hauled in the Mother Lode at the 34th Annual Valley Girls Barrel Daze, held April 13-14 in Walla Walla, Wash. The storied event and its lucrative stallion incentive program, financed through their annual stallion service auction, paid out \$160,552 in the futurity, maturity, sweepstakes and open, senior, youth and novice divisional races.

Melvin and the talented 5-year-old Frenchmans Guy gelding topped the 110-entry open futurity for \$7,803 of the \$50,976 total purse. They also claimed top honors in the 74-entry Stallion Incentive Program Futurity Sidepot, worth \$5,515 of the \$29,025 purse.

"He worked really good," said Melvin, who is sponsored by Royal Champion Equine Supplements. "The weekend before we were in Pasco (Washington for the Sand Cup Futurity) and that's a standard pattern, and then you go to Walla Walla and it's a smaller 14-second pattern. You just kind of hope they adjust."

Eddie proved WPRA-standard patterns weren't a problem with a third-place showing in Pasco, worth \$3,496. He also adjusted nicely to the smaller confines of the Walla Walla Fairgrounds Indoor Arena.

The duo took second in the first round with a 14.158 and then came back with a third-place effort in the second round of 14.245.

"He did really great," she said. "He's really starting to come on. He has a free running style and that really helps him. Everything just went his way, I guess."

Melvin started riding Eddie for Gustafson late last July. She had ridden the gelding's full sister, Too Too French Girl—a nominee for Barrel Racing Report's Horse of the Year honors—for the horses' breeders Doug and Kellie Peterson of Loretto, Minn. Both horses are out of the Tiny Charger-Joak mare Tammy Too Too.

"I rode Too Too French Girl for them last year and they recommended me to Ashley," Melvin explained.

Melvin, 31, grew up riding under the influence of her parents Monte and Teresa. Her mom is a former Badlands and Great Lakes Circuit Champion. She started riding outside horses when she was in high school. After a few years of college, Melvin returned home to train fulltime.

"My mom was a really big influence on me," she said. "I'm also really good at watching people. Training is always moving forward, so I'm always watching and taking bits and pieces from other people."

While there is one futurity left in the Northwest futurity run, Melvin headed home after Walla Walla to rest of up for the Better Barrel Races Finals at the end of April.

\$25,000 in Bonus Money for Barrel Racing

WPRA President Jimmie Munroe and your Board are pleased to announce that details regarding the Wrangler Million Dollar Tour and the \$25,000 in Bonus Money for Barrel Racing are available. "This is great news," said Jimmie. "It is exciting to have an industry partner such as Wrangler whose history runs deep supporting both rodeo and the sport of barrel racing."

WPRA members competing in either Gold or Silver Tour rodeos will be eligible for bonus money based on their Pro Tour Standings at the completion of the 2012 Tour season. The \$25,000 will be paid out to 6 places with bonuses ranging from \$7,500 for #1 to \$1,500 for #6 to ELIGIBLE contestants in the Pro Tour Standings. The bonuses will be paid out to those contestants with the most money won provided they did not Turn Out from more than one (1) regular season Gold or Silver Tour rodeo. If you Turn Out from two (2) Gold or Silver rodeos you are not eligible for a bonus. The count for Turn Outs begins with the Pocatello and Logandale rodeos. Bonus money will be added to the 2012 WPRA Pro Rodeo Standings at the end of the regular Tour season. --Courtesy of www.wpra.com

Department of Labor Finalizes Changes

On February 21, 2012 the Department of Labor (DOL) issued a final rule concerning the H-2B temporary guest worker program. This new rule, which will go into effect on April 23, 2012, will make significant changes to the way the H-2B program operates for all employers including those in the horse industry.

"Anyone in the horse industry who uses the H-2B program needs to be aware of this new rule. It makes major changes to the responsibilities of employers using the program and if the new guidelines aren't followed employers could be fined and barred from using the program," said AHC President Jay Hickey.

The H-2B program is used by members of the horse industry, principally horse trainers and owners who cannot find American workers to fill semi-skilled jobs at racetracks, horse shows, fairs and in similar non-agricultural activities.

The final rule, among other things, will:

- Require an employer to pay most inbound and outbound travel expenses for H-2B workers.
- Extend H-2B program benefits, such as reimbursement of transportation cost, to American "corresponding workers" that work alongside H-2B workers and perform substantially the same work.
- Require employers to provide documentation that they have taken appropriate steps to recruit U.S. workers, rather than permitting employers to attest to such compliance.
- Increase the amount of time employers must try to recruit U.S. workers.
- Prohibit job contractors from using the program.
- Define temporary need as 9 months, previously it was 10 months. Define full time employment as 35 hours a week, previously it was 30 hours.

DOL guidance and the complete rule can be found on the Department of Labor's website at <http://www.dol.gov/whd/immigration/H2BFinalRule/index.htm>.

"The AHC is going to continue to work with those Members to try and roll back this new rule. Unfortunately, gridlock in Washington will prevent any quick action by Congress and the horse industry will have to comply with the new rule for the foreseeable future," said Hickey.

The AHC encourages members of the equestrian community to visit its website www.horsecouncil.org to learn how federal legislation and regulations impact them and how they can get involved.

NOTES ON OK NBHA FINALS

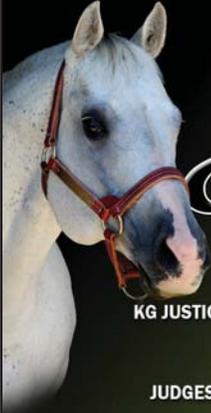

Kelsey Deal had a great weekend at the OK NBHA State Show. Interestingly, in the Open 2nd Go she rode her two full brothers Dialaroosterforcash (10 years old) and Vegas Or Bust (5 years old) to a 1 - 2 finish in the 1D. Both geldings were bred by Jud Little and are by Cash Not Credit and out of the R. Smith TB mare Nancy Ann Smith (the dam of Dial A Red Rooster LTE \$280k+). The two brothers pulled Deal in \$3,223 over the weekend.

RODEO NOTES:

Brittany Pozzi and her super mount Yeah Hes Firen stormed back into the #1 position in the World (\$73,446) with a big win in Logandale, NV good for \$4,003 and a clean sweep of both rounds and the average at Pocatello, ID for winnings of \$4,803. She won the average at Pocatello by an amazing 8 tenths. Carlee Pierce won a little rodeo in Edna, TX over the weekend on one of her backup horses, Kiss This Guy, but it wasn't enough to keep up with Pozzi's pace so she slipped to #2 in the World with \$68,780 in earnings. The world race will really spice up when #3 Lindsay Sears leaves home and starts hitting the summer rodeos and #4 Benette Little gets JL Dash Ta Heaven back from the breeding shed and hits the summer rodeos. It is shaping up to be a year long battle for the title!

Meanwhile at Oakdale, CA, Lindsey Ewing and Classy French Paint splashed through the slop to win their \$2,086 paycheck. About every year part of the CA rodeos end up running in the slop as the spring weather seems to always have it's say with rodeo conditions.

MAJOR LEAGUE PROTECTION

POWERED BY ZOOMBANG TECHNOLOGY

Introducing the Zone™ Series Pad

Made Exclusively by Classic Equine®

ZONE
SERIES

NOW THE TECHNOLOGY DEVELOPED TO PROTECT PRO ATHLETES IS AVAILABLE TO PROTECT YOUR HORSE

Zoombang is scientifically tested and proven to protect against impact injury. Zoombang is a patented polymer material that provides truly intelligent protection. At rest, Zoombang acts as a liquid to assure perfect fit and malleability. But on impact, it immediately transforms to a solid state, reacting proportionally to the energy applied. As a result, Zoombang only becomes as rigid as necessary to absorb and dissipate incoming shock.

Zoombang is widely used for its protection against injury in contact sports, law enforcement, and military applications. The NFL, NHL, MLB and NASCAR rely on Zoombang to protect elite athletes. Now equine athletes can benefit from the same protection. After all, they deserve it.

HOW ZOOMBANG™ WORKS

SOFT AT REST
ZOOMBANG is soft and fluid-like to the touch

REACTS TO IMPACT
Upon impact ZOOMBANG molecules stiffen and lock to a solid-like state providing maximum protection

SOFT AT REST
After impact, ZOOMBANG returns to its fluid-like state

Headin' For Home

by Mike Morrison
Triple M (Mike Morrison Ministries)

On a recent ministry trip to Montana, one of our guests, as a joke, was going to sow a goat into this ministry! (I'm all for it!!!) But practically, what would we do with a goat? How could it be used as a tool to help people know more about our good God? And this was no ordinary goat...it was a fainting goat! So for all you techie people out there, jump on your i-phones and google them up! They are hilarious!

It seems when they are startled, scared or overexcited they stiffen up and fall over....and God showed me that that is just what a lot of Christians do when the enemy comes at them. They are FROZEN in place or just roll over and give up. Say for instance, there is a rumor that at your job there will be cutbacks...you fear you will be the one to go, when you may be the one that will be promoted. Or maybe you have a spot on your finger and you get on the internet and decide you have all the symptoms of skin cancer... only to find out it was that grease you used on your tractor. To consistently believe the worst in every situation is a tactic of the enemy that he

uses constantly.

Friends, where is our fight? Would any of you put up with a person trying to steal something from you? In the western world I sincerely doubt it. So it's high time that we quit letting the enemy scare us into believing that it's only a matter of time before we faint at what is going on in the world. Greater is God in us than the spirit of the world that comes against us 1 Jn. 4:4. God is so good! He has the answer for every problem we could ever have. We are victorious kings kids and NOT fainting goats! Look them up anyway and get a visual, cuz laughing is good for us!
