Misty & Montgomery Beat the Field

Old Fort Days Futurity

Everyone involved in the barrel futurity industry works hard every day breeding, training and buying to get their 4 year old colts to be at their best at the end of May for the Old Fort Days Futurity in Ft Smith, Arkansas. During a sometimes grueling week of competition the best 4 year olds rise to the top and run in the richest finals round in the country on Saturday night.

This year's Old Fort Days Futurity was again held at Kay Rodgers Park May 19-26. There were over 400 entered in this year's futurity with a little over 300 actually running. Out of those entered, Brittany Pozzi and Ima Super Fly Guy (Frenchmans Guy-Streakin Six Babe, Streakin Six) rose to the top in the trials, running a 16.823, the second fastest time of the weekend.

Placing second in the trials was No Mojo (Scrutinizer-Group Hug, Zan Parr Deck), owned by Paris Wixon with Jody Dorman on board and back in third was Kn Fabs Mist Of Fame (Frenchmans Fabulous-Mistys Dash Of Fame, Dash Ta Fame), owned by Robin Weaver and handled by Jolene Montgomery.

No checks are awarded in the Futurity Trials, not only do the top 40 advance onto the Finals, they are all guaranteed a check. So, going into Saturday Night the money was still up for grabs in a one run format. To say the least, the pressure was on. First hole pays \$58,038 and second pays \$26,117, everyone was gunning for the top spot.

When the dust settled in the Finals, no one could get close to Jolene Montgomery and Kn Fabs Mist Of Fame. Even with Montgomery picking up a leg to avoid the second barrel, Kn Fabs Mist Of Fame (better known as Misty) beat the field by a quarter of a second, which in barrel racing is similar to a daylight victory on the racetrack. Also, her blazing time of 16.763 was the fastest time of the whole weekend.

Misty's journey started years ago when Kenny Nichols bred the good Dash Ta Fame mare, Mistys Dash Of Fame to his stud Frenchmans Fabulous. After getting broke to ride as a 2 year old, current owner Robin Weaver from Mahaffey, Pennsylvania just had to have her. Turns out that was a pretty good buy!

Through her 2 year old year and beginning of her 3 year old year, Weaver continued to ride her and start her trotting the pattern. After Old Fort Days last year (2011) she dropped her off with Jolene Montgomery, who right away could tell she had something special.

"She showed tons of talent right off the bat and was a beautiful mover but had a short attention span." said Montgomery.

Montgomery knew if she took her time she would eventually have a "good" one. So she didn't let her lope the pattern until September and didn't enter a futurity until the Greg Olson and PacWest

furities in Arizona over the winter. It takes lots of patience dealing with futurity colts whether you are a trainer or owner and it was no different with Misty.

"I have been telling her (Robin Weaver) since December how nice the mare was but up until this she had only won about \$1500 because we had drug over about \$30k of barrels." quipped Montgomery.

"I knew going in (to the Finals) if I left the barrels up we would be in the top 3. I had to change the way I ride to keep her from hitting barrels. I really had to ride her like an open horse and keep my hands up by her ear instead of keeping my hands close to the horn like I prefer. I knew how nice this mare was and I was determined to show everyone else how nice she was too." said Montgomery.

The patience and determination of Montgomery and Weaver paid off with a \$58K check at the end of the long week at Old Fort Days. Even though Jolene Montgomery is no stranger to the winner's circle this was her biggest win to date. Prior to this victory she won Reserve Champion at Old Fort Days Futurity on Aced My Bully and was the OFD Derby Champion on JL Dash Ta Heaven in the same year (2010). In 2009, she won the Reserve Champion in the OFD Futurity on Return Of The Bully.

Approval of the 2013 Calgary Stampede & the 2012 WPRA Qualifying Tour

The WPRA is pleased to announce to our membership that the 2013 Calgary Stampede has been approved and that we are introducing a 2012 WPRA Qualifying Tour.

The Calgary Stampede and the WPRA Board have been in active dialogue regarding their request to have a 2013 WPRA sanctioned barrel race. The outcome is not only the Calgary Stampede approval but also the creation of the 2012 WPRA Qualifying Tour, which provides more opportunities for card members to qualify into Calgary.

"The Calgary Stampede is one of the greatest professional rodeos and we are excited to once again have an approved WPRA barrel race with them" said WPRA President Jimmie Munroe. "The Board has been working for several weeks building a plan to ensure as many opportunities as possible into Calgary's 20 positions. The WPRA Qualifying Tour is just the vehicle for doing that"

With a goal of providing more opportunities for professional barrel racers to qualify for entry into Calgary (and possibly other limited entry rodeos), the WPRA Board has created the 2012 WPRA Qualifying Tour as another way for card members to earn a seat into many great rodeos

"The Stampede is thrilled to be returning as a sanctioned Barrel Racing event for the WPRA in 2013," says Keith Marrington, director, Rodeo, Calgary Stampede. "The Stampede and the WPRA have worked extremely hard in the pursuit of this new agreement which ensures all the best barrel racers will be in action at numerous WPRA events, including the Calgary Stampede."

The WPRA Qualifying Tour

The WPRA Qualifying Tour is made up of 15 events across the US and Canada. The WPRA Tour standings will be one (1) of several ways to qualify into Calgary. Details:

Eligibility: You must be a 2012 WPRA card member at the time of entry to receive points. (Points are not applied to Permits.)

Timing: Events include rodeos between June 1 and September 30, 2012 and the WPRA World Finals in October 2012.

Of Events: A total of 15 events have been identified as part of the WPRA Tour. One (1) rodeo has been identified in each circuit, two (2) Canadian rodeos have been named and one (1) race at the 2012 WPRA World Finals round out the WPRA Tour opportunities.

Points: There is a 10- point scale, with points allocated from 10 points (1st place money) to 1 point (for 10th place money). No more than 10 positions will be awarded points. At a 2 head event, points are allocated to the average only.

Note: Points in the WPRA Tour standings will count from up to your 5 best events where you have competed and won money.

Tie Breaking Method: Ties will be broken by looking at a competitor's money won at their 5 best events on the WPRA Tour standings.

WHAT ADVICE WOULD YOU GIVE FOR AN OFD FIRST TIMER? Of course you must have them fit, but the biggest thing is don't wear them out and don't overtune them. It is a long week there so you want to keep your horse fresh. Basically don't ride them more than you would at home. In fact, in the Finals I just barely loped Misty prior to our run.

There are certain special horses that are just always there at the top when the money is up, Missjbrunninwithfire is definitely one of those types. She is one "Honey" of a horse and that is exactly what they call her.

"She is the sweetest, kindest mare, and she just goes out and works everytime and is about as easy as I ever get to ride. I'm really excited to see Dee (Braman) and her daughters get a chance to run her down the road." said rider/trainer Kassie Mowry.

Honey and Kassie Mowry have been to the pay window time after time together winning the CC5D at Lone Star Arena 3 times, winning rounds at rodeos such as San Antonio along with placing at all the big races and rodeos around the country. But, Honey and Mowry were missing that one big title that Honey deserved to cap off her career.

Old Fort Days Continued From Page 7

This year at Old Fort Days, it was her time. In the Derby Trials she put in her workman-like run of 16.925 in the Trials and ended up the 3rd fastest qualifier to the Derby Finals. In the Derby Finals, the ultra consistent Honey ran right back to form running a 16.952 just a couple hundredths of a second off her Trials time and fast enough to capture her the title of Old Fort Days Derby Champion and a check for \$26,090 for owners Joe & Dee Braman.

Honey is so consistent that Mowry said, "We don't even video her runs any more most of the time because all her runs look the same!"

For Honey, this big paycheck pushes her lifetime earnings into the \$130k range and the title of Old Fort Days Derby Champion puts her in the elite company she should be in. For Mowry, even though she is a household name in the barrel futurity industry and has won nearly every futurity, this is her first crown at the Old Fort Days even though she had cracked the top 5 several times before. It also turned around a week which started with two of Mowry's futurity horses at the vet clinic. Luckily, both horses are recovering and doing well.

Finally, Honey has the title she deserves and her admiring jockey couldn't be happier, "I was really proud she got to take home that title. She is just really a lot of fun. There is nothing I would change about her, I would just make more of her!", said Mowry.

Mowry and Missjbrunninwithfire will be long trotting and staying in shape for the next barrel race and if they show up where you are, well; there's a pretty good chance you're going to have to outrun the consistent pair to get the big checks.

MAJOR LEAGUE PROTECTION

POWERED BY ZOOMBANG TECHNOLOGY

Introducing the Zone™ Series Pad

Made Exclusively by Classic Equine®

ZONE
SERIES

NOW THE TECHNOLOGY DEVELOPED TO PROTECT PRO ATHLETES IS AVAILABLE TO PROTECT YOUR HORSE

Zoombang is scientifically tested and proven to protect against impact injury. Zoombang is a patented polymer material that provides truly intelligent protection. At rest, Zoombang acts as a liquid to assure perfect fit and malleability. But on impact, it immediately transforms to a solid state, reacting proportionally to the energy applied. As a result, Zoombang only becomes as rigid as necessary to absorb and dissipate incoming shock.

Zoombang is widely used for its protection against injury in contact sports, law enforcement, and military applications. The NFL, NHL, MLB and NASCAR rely on Zoombang to protect elite athletes. Now equine athletes can benefit from the same protection. After all, they deserve it.

HOW ZOOMBANG™ WORKS

SOFT AT REST
ZOOMBANG is soft and fluid-like to the touch

REACTS TO IMPACT
Upon impact ZOOMBANG molecules stiffen and lock to a solid-like state providing maximum protection

SOFT AT REST
After impact, ZOOMBANG returns to its fluid-like state

Headin' For Home

by Mike Morrison

Remember that awful helpless feeling you had as a kid when your horse ran away with you. You had neither the strength nor the skills to control your horse. It scared you because you didn't know where you were going to end up.

A lot of people live their lives like that even as adults. They live with a lot of fear and feel their lives are out of control. Well, the good news is you don't have to live like that, not if you're a child of God. Let God take control of your life and bless you.

It tells us in Jeremiah 29:11 that God has a good plan for our lives-plans to prosper us and give us hope and a future without harming us. That's better than anything we can do for ourselves. Psalm 37:3-5 tells us to take delight in the Lord and He will give us our heart's desires. It says we should commit everything we do to the Lord and if we trust Him, He will help us.

God is a God of solutions and He cares for the smallest details in your life. I know a lady who had a house for sale and she said it was clear that God orchestrated the entire sale to her advantage and also to the buyer's advantage. She said she prays about everything, even

to what clothing to put on. If she keeps that close to God, we know she has nothing to fear in this world.

If you drive through rugged country, you'll often see "runaway" ramps for the trucks that lose their brakes and are out of control. Well, we don't need "runaway" ramps in our lives, not if God is in charge. He's the best safety net you can have.

Proverbs 3:5-6 says, "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways, acknowledge Him and He shall direct your paths." Make Jesus your Lord and Savior over your life and you won't have any runaways!
