Old Fort Days So Sweet For Graves

Old Fort Days Futurity & Derby
May 21-28, 2011, Fort Smith, AR

Futurity

Place, Horse, Rider, Owner, Trials Time, Finals Time, Earnings

1 Seis So Sweet, Lance Graves, Bruce & Connie Vansickle, 17.096,
16.865, \$55,909.08

THE RUNDOWN: LANCE GRAVES

HORSE: Seis So Sweet, my wife calls her Biscuit but her family (Vansickle's) Call her "Six"

Buckskin Mare, 4 years old, 15 hands, 1050-1100 lbs.

OWNER: Bruce & Connie Vansickle

HORSE HISTORY: Heath Boucher is friends with the Vansickle family and he asked me if I would ride a horse for them. They wanted to pick their own horses. I usually like to pick the horses and the breeding I have the most success with so I didn't really want to ride for them. Seis So Sweet went through the Heritage Place sale and I had tried to buy the horse but Danny Ray outbid me. Ray ended up bringing her to the OKC BFA sale when she was a 2 year old. I bid on her at the sale but Connie Vansickle actually ended up buying her and after the sale Connie asked me if I would ride her because she thought I would like the pedigree. She was broke to ride when I got her but we put all the barrel training on her. Their whole goal with Seis So Sweet was to have a horse their daughter Valerie could ride at the end of her futurity year. So I wanted to train the horse so that Valerie could ride Seis So Sweet. I never let anyone else ride my 3 year olds but Valerie actually rode Seis So Sweet in the Slot Races at OKC and also at the LG Pro Classic and my assistant trainer, Chaz Maturin, actually made it to the Finals at the Josey Jr World on her in addition to me winning around \$68k this year so far. Seis So Sweet has handled everything well. She has a very good mind. All my helpers have rode her and loped her and she is a really broke riding son of a gun, but when it is showtime and you run down the gate, she has an amazing work ethic. My ultimate goal as a trainer is to sit in the bleachers and watch someone else ride my horse and the horse goes where it should no matter what the rider does and Seis So Sweet has really shown she is that type of horse.

BIT: Two bridles, schooling bit is a Kit's bit, her running bit is a Mahue O-Ring Twisted wire, Seis So Sweet has a custom headstall from Cowboy Gear

HEADGEAR: Flat leather tiedown, custom from Cowboy Gear.

SADDLE: Lance Graves Ammerman Barrel Saddle

PAD: Best Ever Pad

LEG GEAR: Polo wraps on all 4s, Classic Equine bell boots

GRAIN: Omolene 500

SUPPLEMENTS: None

HAY: Alfalfa/grass hay from Barry Thompson in NE

ADDITIONAL HORSE CARE & SHOEING: Carl Sabin, her shoer, and her vets Dr. Steve Hance and Dr. Kathy Brown keep her going and sound.

TRAINING & RIDING STYLE: The biggest thing I focused on teaching her was to go forward because she had so much rate and desire to turn. That was probably the biggest challenge I have had to get her to clock big. She nailed her first and second perfect, she stepped off her third but I just let her run and she ran hard all the way to the dark (out the back of the arena) until I grabbed her. She will run as hard as she can all the way home, she stays really honest.

KEY TO CONTINUED TO SUCCESS: I was always a stay close to home trainer, but about 10 years ago I made a conscious effort to be a competitor and not just a trainer. I wanted to take these competition skills and add them to my training program. I didn't want to just start nice horses, I wanted to get the dough too. I realized I didn't only need to just train the horses well, I have to actually go fast. The recent success I have had is a product of this process. I still continue to work on my skills as a trainer, competitor and person everyday and being sur-

Fly First Down Tops Ruidoso Qualifiers

Francisco Colorado Cessa's Fly First Down, a \$300,000 yearling purchase, set the fastest-qualifying time of 17.502 to the Grade 1, \$500,000 Ruidoso Futurity on Friday at Ruidoso Downs.

The 10 fastest 2-year-olds from the 21 trials are eligible for the 350-yard Ruidoso Futurity, the first leg of the All American Triple Crown, on June 12.

A First Down Dash son from the stable of 9-time national champion trainer Paul Jones, Fly First Down dominated the 11th trial. The 2010 Ruidoso Select Sale purchase sprinted to the lead from the outside post position and then drew out to a 3-length victory under jockey G.R. Carter.

Fly First Down

"I've really like him since he arrived in our barn about three months ago," said Lisa Saumell, who heads the Jones operation in New Mexico. "He's built like (2-time champion) Noconi. He's not too big, he's not too small, and he's smart. He's built for this mountain and should like to run further (than 350 yards)."

Jones won last year's Ruidoso Futurity with American Runaway, who went on to be named the 2010 champion 2-year-old and champion 2-year-old colt.

Jones also has the leading 2-year old at Los Alamitos this season with Separate Fire, winner of the Grade 1 Kindergarten last Sunday night in stakes-record time.

TMF Cash Dynasty, owned by Sunset Well Service and trained by Albert Franco, stepped up as 12-1 outsider to win the 19th trial with the second-fastest qualifying mark of :17.602. The FDD Dynasty-sired colt was overlooked after crossing the finish line in seventh place in his only other start. He pulled away for a one-and-one-quarter length Ruidoso Futurity trial victory.

Trainer John Stinebaugh has two solid prospects, Sure Shot B and Tex Cartel B, in the Ruidoso Futurity.

Charles Forbes Jr. and Tommy Hays' Sure Shot B, a son of Stoli, raced to his second win from as many starts when he won his Ruidoso Futurity trial by a neck as the 3-5 favorite. Jacky Martin, who qualified four finalists, rode the gelding raced to the third-fastest qualifying mark of :17.605.

Sure Shot B made his debut in the West Texas Futurity trials and won his trial, but his time was not quick enough to reach the finals. "He was in the 10 hole and ran green," said Stinebaugh. "It gave us more time to bring him up to this race."

Tex Cartel B, also ridden by Martin, took the 15th division by three quarters of a length and his time of :17.670 is the eighth-fastest qualifying mark.

The Corona Cartel son also made his only other start in the West Texas Futurity trials and finished sixth in his heat. "He lost a shoe at the start and that caused him to drift out," Stinebaugh said.

"These are each two big stout boys who look the part," Stinebaugh said.

Silver For Me, the lone \$15,000 supplemental nominee to the Ruidoso Futurity, reached the finals with a three-quarter length win in the 14th trial for trainer Jackie Riddle. He turned in a :17.629 mark for the fourth-fastest qualifying time under jockey Carlos Madeira.

The gelding by Corona For Me was second in the Sam Houston Juvenile at Sam Houston Race Park in his previous out.

West Texas Futurity fourth-place finisher Valiant Valor returns for the Ruidoso Futurity by winning his trial after bobbling at the start and bumping with a rival. The Valiant Hero gelding from the Blane Wood barn then rallied to win by one-half length in :17.674, the ninth-fastest qualifying time. --Courtesy of www.SallyHarrison.com

HORSE: Hoosier Fame "Hoosier"

Sorrel Gelding, 6 years old, 15.3 hands, 1100 lbs.

OWNER: Mike & Janet Dahlen

HORSE HISTORY: Mike & Janet Dahlen bought him in December of his 3 year old year. He got started on barrels somewhere around October 1st of his 3 year old year. We got him in December and he came on in about March of his 4 year old year. He won the Old Fort Days Futurity that year, was 5th in the Old Fort Days Derby last year and won the Old Fort Days Derby this year. If I had to guess I would say he has won probably somewhere around \$125,000.

BIT: O Ring Snaffle

HEADGEAR: Rawhide tiedown with clear plastic cover on it.

SADDLE: Crumrine Extreme Barrel Saddle

PAD: Impact Gel, Professional's Choice

LEG GEAR: Iconoclast

HAY: Timothy/Alfalfa

ADDITIONAL HORSE CARE & SHOEING: None.

TRAINING & RIDING STYLE THAT HELPS YOUR HORSES WITH LONGEVITY IN THE WINNERS CIRCLE: I just try to put enough quiet time on them that if they will make it, they will have longevity. If they aren't going to make it I will just back off on them. This way if they make it, they should stay good for a longer period of time. My daughter, Madison, tuned up Hoosier and Pistol (Imafrenchmanspistol, 3rd in the Derby) before Ft. Smith, they are both real quiet until they are getting pointed to the gate. I think through the training process you have put the pressure on then back it back down, you can't keep just giving them pressure and more pressure.

HOOSIER FAME HAS WON \$80K+ AT OFD IN THE PAST 3 YEARS, WHAT GIVES HIM AN EDGE? He usually does well in about every type of pen. Ft Smith is about as big a pen as we run in and has more room for him to run. He is really athletic for his size. In some of the 15 second patterns the smaller scrappier horses might a better chance of beating him. The BFA Derby in OKC last year is the only time he

FLICK N COYOTE - 2005 Black 15.2 hand Gelding

Dr Meter Reader si 90-Shaka Flick si 105, No Brakes Now si 104

Wiley is a gentle, really broke gelding that will fit any age rider. He is running in the 2D and 3D and has the potential to be a 1D horse. He has been hauled in TX and OK and has already won slightly under \$2500. He loves to run barrels and is a pleasure to ride, he spins, has big stops, counter arcs and bends any way you would want. Light and rides around in a Junior Cowhorse bit. His sire is a Stakes winner on the track and his dam is a Stakes winner who is also a track record holder. Wiley has a lot of personality and will be smarter than most of your friends! He loves people and would enjoy having someone dote on him. Would make a great youth horse or great for someone who just wants to have fun at the barrel races. Home Raised, \$12,500

SOLID BARREL MARE-READY TO HAUL!

HUMMER CANDY CAN - 2003 Sorrel Tobiano 15.1 hand Mare Humbolt Duster-Indians Katie Girl, One Tuff Indian

Gentle, solid built mare that has been ridden and patterned on the barrels for 4 years by my 58 year old mother. Solid on the pattern, now we're just asking her for a little speed. She's run in the 2D at a local show and has won checks in the 4D with limited hauling.

Candy is a sound, stout built, tough horse that is ready to be hauled more. Nothing bothers her, she is the same at the shows as she is at home. Gentle enough for youth to older rider. Very well broke, can move all 5 body parts, flexes, counter bends etc. Home Raised mare. Her sire, Humbolt Duster, has produced many arena horses and her dam has produced a Paint Racing stakes qualifier. \$6500

Rust and Harley Rumble Through Alberta

Grande Prairie Stompede
 May 26-29, 2011, Grande Prairie, AB
 1 SS Streakers R Us, Lee Ann Rust, 15.36, \$3,857

THE RUNDOWN: LEEANN RUST

HORSE: SS Streakers R Us "Harley"
 Bay Gelding, 9 Years old, 15.3 hands, 1250 lbs.

HORSE HISTORY: My ex-husband Gary Rust and I actually purchases his sire, Scenics Symbol, 15 years ago. He was a great horse, he was actually a APHA World Champion in Heeling, earned halter points and won a variety of other awards. Sy, as we called him, accomplished all this with very little riding and training. I really liked Harley's (SS Streakers R Us) mother (The Sixth Sense) so I bred her to Sy. The first colt of the cross was crippled and had a cleft pallet and didn't make it. People told me I better not breed her back the same way because it would happen again but I bred her back on her foal heat and the next year came SS Streakers R Us. From the time Harley was born we knew he was special and wouldn't sell him. I broke him and I picked Gena Franklin to do all the foundation work on him because she rides the most like me during his 3 year old career. Then Sharin Hall took him during his futurity year. Then after that I have had him the whole time. The last couple years I was seasoning him, getting him ready. Then last fall he started stepping up to a higher level and I knew it he was ready for the next level. We just keeping getting more confident in each other and I think he can get even better yet. He really showed me a lot at Grand Prairie and it was exciting for me to win my very first prorodeo buckle. He has probably earned at least 50-60k in his career already. Every run he makes he gets smarter and more streetwise.

BIT: Custom made bit from Todd Page of Henrietta, OK. It is basically a D ring with a 4 inch dogbone in middle with a 2-2 1/2 inch piece on each side, smooth mouthpiece, with a 1/4 of a rock grinder rowel on each side of the bit where it is attached to the D Ring. You have to be careful with it, but if used right it really works.

HEADGEAR: German Martingale

TRAINING & RIDING STYLE: Whatever you are going to do, be consistent. If you have a way of training horses, and if you will be consistent you will have success. When I go up the alley if I concentrate on making a technically perfect run, then the speed will come. When you put speed above technique, you lose both. Every horse is built a little different and so will have a slightly different style, so towards then end of a horse's training, you need to let them have some freedom to do it the way they best can according to their conformation. I give horses a lot of room around a barrel when they are young and they will tighten up on their own as you add speed. Whatever training regimen you decide on be consistent and demand flawless technique from yourself!

Headin' For Home

By Shery Morrison
Triple M (Mike Morrison Ministries)

But, I'm a winner!" This was a line in a country western song that came out a few years ago. I can't remember exactly how it went but apparently the guy liked to get in fist fights and his face showed the damage it had received. He proudly listed his scars and then proclaimed, "But, I'm a winner!"

As Christians we sometimes feel like that. We feel battle scarred and weary but, like the guy in the song, we know we're winners! When we got born again, we became a member of God's family and entitled to all the rights and privileges that go with that. It says in 2 Corinthians 14, "Thanks be to God who always causes us to triumph in Christ..."

Read 2 Corinthians 4:8-9 and see the trials that Paul went through without being defeated. Romans 8:37 tells us we are more than conquerors through Him who loved us. John 3:16 says God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have eternal life. We need to understand just how much God loves us and that He desires all men to be

saved and to come to the knowledge of the truth (1 Timothy 2:4).

No matter what is going on in your life now, our God is bigger than any problem you have. Jesus has the answers and He'll help you through any problem you have. If you've never made Him the Lord of your life you can do it right now. According to Romans 10:9, "if you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved." So say out loud, "Lord, I repent of my sins and ask you to forgive me. Wash me in your blood, Jesus. I make you my Lord and Savior." Now, you really are a winner!
