Self and Im Shy N Freckled Conquer Josey Reunion

By Tanya Randall

Teenager Raelee Self, Powderly, Texas, and her 14-year-old mare Im Shy N Freckled ("Freckles") posted the fastest time in the sudden death finals to win the 19th Annual Josey Reunion, held May 4-6 at the picturesque Josey Ranch in Karnack, Texas.

The Josey Reunion is open to all former students of legendary clinicians R.E. and Martha Josey. The two held their first barrel racing clinic in 1967.

Self, a 14-year-old eighth grader at Frank Stone Middle School, pocketed \$2,889 of the \$58,362 total purse of which \$5,000 was added. She entered four horses and qualified for the Finals of the Reunion on three of them. She also won a Big Tex CM trailer, a Circle Y Saddle and trophy belt buckle for winning the 1D.

"She worked really good," said Self of her mare's winning run of 16.024. "She kind of stepped off the first a little bit, but other than that it was perfect. The alley way there is off centered and it throws them off at the first barrel a little."

Freckles, a daughter of double-bred Otoe stallion Shutdown Sam out of Pricilla Shy, by Shy Prescription, has been partnered with Self since 2008. She bought the mare through Cheryl Roser, mother of multiple Wrangler National Finals Rodeo qualifier Sherrylynn Johnson.

Self, who attended her first Josey clinic when she was 5- or 6-years old, said she's most fond of Freckle's personality, noting the mare was "really calm and laid back."

Last year, the Self and Freckles won the pole bending at the Josey Reunion, set a new record at the Texas State Wrangler Junior High Rodeo Finals with a 19.785 in the pole bending and qualified for Wrangler Nationals in barrel racing. Unfortunately, it looked like those might be high points of her career by December.

Self was off the mare for several months while she battled soreness that left her fetlocks swollen and stiff. After one veterinarian told her that Freckles' return was doubtful, she went to Dr. Wes Williams at Lone Star Park. A little shockwave therapy on some calcifications in her fetlocks and Freckles was good to go.

Freckles announced her successful return by turning in the fastest run of the Four States High School Finals in Sulphur, La., two weeks ago.

The fetlock injuries aren't the only issues that Self has battled with Freckles.

"She's also got asthma," said Self, who wanted to give a big thank you to Dr. Williams. "She's on asthma inhalers. People look at me funny when I go to pick a prescription for Freckles. She doesn't sweat either. We almost lost her two years ago because she overheated. We ran cold water on her for three hours before we could get her to the vet. When we got there, she had a temperature of

Self said Freckles' win record makes it more than worth it to deal with her proclivities. The duo hopes to add another feather to their cap this weekend—a Josey Jr World Championship.

Contest Seeks NFR National Anthem Singers

LAS VEGAS - Calling all vocalists, you could be one of three winners selected to perform the national anthem at the Wrangler National Finals Rodeo this December at the Thomas & Mack Center.

Anyone affiliated with a PRCA rodeo (past national anthem performer, volunteer, worker, etc.) can enter the contest, however you must be a legal resident of the United States. Winners under the age of 18 must be accompanied by a parent or legal guardian who is at least 21 years of age.

The promotion began on May 1 and contestants have until Sept. 14 to upload a video of themselves performing the Star-Spangled Banner to YouTube. Entries should be named NFR12AnthemContestEntryYourName. Contestants must also submit an entry form, which is available at NFRExperience.com.

A selection committee appointed by Las Vegas Events will narrow the field to 12 finalists (four finalists from each rodeo size category: small, medium and large). Finalist videos will then be uploaded for fan voting from Oct. 15-31 and the winners (one each from each rodeo size category) will be announced on Nov. 2.

Winners will perform the national anthem prior to the start of one Wrangler NFR performance, receive roundtrip airfare for two to/from Las Vegas, two nights hotel accommodations, a pair of tickets to the rodeo the night they are performing and their name and photo will appear in the official Wrangler NFR souvenir program. MAJOR LEAGUE PROTECTION

POWERED BY ZOOMBANG TECHNOLOGY

Introducing the Zone™ Series Pad

Made Exclusively by Classic Equine®

ZONE
SERIES

NOW THE TECHNOLOGY DEVELOPED TO PROTECT PRO ATHLETES IS AVAILABLE TO PROTECT YOUR HORSE

Zoombang is scientifically tested and proven to protect against impact injury. Zoombang is a patented polymer material that provides truly intelligent protection. At rest, Zoombang acts as a liquid to assure perfect fit and malleability. But on impact, it immediately transforms to a solid state, reacting proportionally to the energy applied. As a result, Zoombang only becomes as rigid as necessary to absorb and dissipate incoming shock.

Zoombang is widely used for its protection against injury in contact sports, law enforcement, and military applications. The NFL, NHL, MLB and NASCAR rely on Zoombang to protect elite athletes. Now equine athletes can benefit from the same protection. After all, they deserve it.

HOW ZOOMBANG™ WORKS

SOFT AT REST
ZOOMBANG is soft and fluid-like to the touch

REACTS TO IMPACT
Upon impact ZOOMBANG molecules stiffen and lock to a solid-like state providing maximum protection

SOFT AT REST
After impact, ZOOMBANG returns to its fluid-like state

Cervi and Stingray Back In the Winners Circle

It was a light rodeo schedule but there was still big money to be won in Guymon, OK this past weekend. The earnings through the spring rodeos are very important to the Top 30 to 50 barrel racers as they make plans for their summer run. Do they stay close to home or hit the road hard? The next month heading up to the Reno Rodeo will answer that question for many people on the road right now.

For Sherry Cervi she was never in doubt of her plans to hit the summer rodeos but the \$4,725 payday for her first career win at Guymon pushed her from #19 in the World all the way up to #12 with \$22,263 in earnings so far. Mp Meter My Hay (aka Stingray) was coming off a month rest and apparently she was ready to strut her stuff.

"I had rode colts for a month so when I got back on her it made me appreciate her even more," said Cervi.

Now that we are in the age of embryo transfer, most the best mares in the business are beginning their broodmare careers while continuing their performance careers. When you think of good mares one with a World Championship like Stingray is always a treasured broodmare. Cervi hopes to move this direction with Stingray next year (2013) as she plans to breed to their family's stud, Mp Thriftwood and also to Confederate Leader.

Cervi educated herself about all the different studs before picking a stud outside of their program and sought advice from those she admires and respects in the horse business before deciding on Confederate Leader.

"I just thought about my mare and what I wanted to build on and found a stud I think could do that," Cervi explained.

So, look for Cervi to be riding some speedy palominos down the alley for years to come!

Cervi and Stingray sit a little over \$50 k behind world leaders Brittany Pozzi and Carlee Pierce but the pair have a proven record at the biggest summer rodeos and the bright lights of the Thomas & Mack

so as long as they are in the Top 15 they are always contenders!

THE RUNDOWN: SHERRY CERVI

HORSE: MP Meter My Hay

Palamino Gelding, 10 Years Old, 14.2 hands, 1000 lbs.

HORSE HISTORY: We raised her, she is out a 3/4 sister to Hawk. Colter Todd broke her to ride, then Mom (Wendy Potter) rode her for a little bit. Then when she was 4 she went to Ryan (Loven-dahl), he rode her for about 5 months, then I rode her for a couple months, then sent her back to Ryan for her 5 year old year. I used her in 2008 as a backup horse to TinMan and didn't make the finals that year. In 2009 is when I really started using her quite bit. I ended up 3rd in the World that year and won the most money of any of the events at the 2009 WNFR and won the average that year (won \$146k that year at the NFR). In 2010 we were the WPRA Barrel Racing World Champions and in 2011 we were 3rd in the World. She has close to \$800k in lifetime earnings so far.

Headin' For Home

'Classic' by Mike Morrison
Triple M (Mike Morrison Ministries)

Do you like yourself?

Do you like the way you look, the way God made you? A lot of people don't like themselves. Just look at the fortunes spent every year on cosmetic surgery, beauty aids, pills and potions and underwear to enhance the figure. Yet, despite all this they are the same people inside. You can get thin and change your hair color but you'll still have the same emotions and feelings inside.

There's a big business in selling copies of the clothes and jewelry of stars and famous people. It isn't just the women doing this; men are not immune from the urge to copycat either.

You need to know who you are in Christ. You need to feel secure with Jesus as your Lord and Savior. You were made "for a time such as this." Just as we all have a unique set fingerprints and DNA which sets us apart from others, we all have special gifts and talents which God has a plan for if you ask Him and listen for His answer. Romans 12:2 tells us, "Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect." (NLT)

Ask God to put you in the center of His will and you will have

complete freedom. Then you'll be "contented in all things" like Paul in not wanting a lot of stuff. Trust God and He will open up doors and give you joys you never imagined.

"Give your burdens to the Lord, and He will take care of you. He will not permit the godly to slip and fall," says Psalms 55:22. If you want to copy someone, then try and be like Jesus who served others and "went about doing good". Practice the fruit of the Holy Spirit (love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness and self-control) and you won't need or want to copy some other person. Submit yourself to God and He can and will use you right where you are and the way you are. And, that's the greatest feeling of all -- to know you're in the service of the King of Kings and Lord of all!
