Angie Galliher & Holy Coaly Fix Step It Up At Bonus Race Finals

By Tanya Randall

Running in the last session of the one-run, super payout Bonus Race Finals, Angie Galliher and her 6-year-old gelding Holy Coaly Fix ("Ice") proved they could run in serious competition with a \$4,600 1D victory.

"I've said all along that he's special," said Galliher, a 36-year-old large animal veterinarian technician at Quail Valley Veterinary Clinic in Jefferson City, Mo. "I didn't know to what degree, and that was the whole reason that we wanted to go to this big of deal. It was two years in the making getting him there, but I wanted to see how he would clock. I would say I'm more excited than shocked, because part me always knew he could do it, but I just didn't expect it to all come together like that. I was prepared for him to run in the 1D, but I didn't expect to win it. I was pretty surprised."

Galliher's journey to the Bonus Race Finals Championship started in 2013 with her good friend Jennifer Tade.

"She's the one that got me back in the truck and started the dream in 2013," she Galliher. "In 2013, the Sunday before we were supposed to leave (for the Bonus Finals), she wrecked her truck and trailer. We took her trailer and my truck. Then two days before Ice abscessed and I couldn't take him. When we got there, the hot water heater in the trailer didn't work so we couldn't take showers all week long. We ran, we had fun, we smiled and we laughed. For some unknown reason, we decided to do it again. This year after Friday night's rodeo, her horse got really sick. She was horseless, so she actually ran my daughter's horse. We joked that we weren't doing this again next year, and then I end up winning it. It's all been worth it. She was crying for me; she was as happy as I was. She absolutely deserves a special thanks."

Galliher also wanted to thank her husband Will, a calf roper, and her 10-year-old daughter Billi, who is anxiously awaiting her turn on Ice, for all of their love and support.

A lifelong barrel racer, Galliher has always trained her own horses, and before Ice, she raised a few of them as well.

"I've raised babies for years and trained my own," she explained. "My mare finally got too old to have babies, so I started looking for a colt, and that's when I bought Ice. I've always raised and trained them. I don't know if I'm just not a good enough rider to ride other people's horses or what, but I just seem to do better when I do it myself. We like for our horses to be broke and do other things. My husband has breakaway (roped) off of Ice some. Almost all of our

horses will rope one way or the other.”

Galliher purchased Ice sight-unseen from his breeders John and Cindy Baltezone, who own his sire Holy Bart, a Dash Ta Fame, On A High stallion.

“I bought him in late January,” she recalled. “I didn’t even know he was a blue roan. Right before I went to pick him up, (Cindy) had sent me some pictures, and I was like ‘Oh my gosh! He’s a blue roan!’ I was just buying him because I had really wanted a Holy Bart horse and I like a foundation cross on run, and that’s what he has. His pedigree is what got me.”

Ice is out of Tona Jo Jack Fix, a daughter of Jet Deck grandson The Big Fix out of a Watch Joe Jack daughter.

Although Ice was a solid 1D horse, Galliher really wanted to see how well he’d do against some of the best horses in the country—that was her main goal for attending the Bonus Race Finals.

“We ran at a couple of rodeos on our way up there on Friday and Saturday (Galliher and Ice won the rodeo in Oak Grove, Mo.) and I wasn’t expecting...” she reflected. “I knew he could clock, but I hadn’t ran him in that level of competition before. I had ran at a couple Barrel Bashes and he’d been clocking in the 1D pretty consistently. But against 1500 entries, NFR girls and futurity trainers... he’d never done anything like that before.

“When you watch the video, it’s a very pretty run. He’s barrels are just spot on. He’s very deceiving; he doesn’t look like he’s running. So, when you watch the video, you would say ‘Wow, that’s a pretty run,’ but you wouldn’t say ‘Wow, that was smoking!’ He’s really smooth, really low to the ground. He has no wasted motion at all, which is what I’ve loved about him since he was a baby.”

Galliher’s initial plans for the year were to season Ice on the amateur rodeo circuit before repurchasing her WPRA or IPRA card.

“The plan is get my card back when I thought he was ready. After this weekend, I think he’s a little more ready than I thought he was,” she laughed. Though she admitted, her plans probably won’t change

anytime soon. “My daughter has bought her card in the local amateur association and she wants to win rookie. I’ve made a commitment to her, so we’ll probably stick to that plan, just keep seasoning him along.”

Parker Pushes to the Win at Sister, OR Pro Rodeo

By Hope Sickler

Wendell, Idaho cowgirl Kali Parker and her equine partner-in-crime, Tuneful, also known as "Bonet" rounded the cloverleaf pattern at the Sisters PRCA in Sisters, Oregon in a time of 17.64, good enough for the win and a check for \$4,240.

"Bonet" is a 6-year-old grey mare by Bono Jazz and out of a daughter by Pritzi Dash, by Dash For Cash. Parker got her in for futurity training January 2014 and bought her from then owner Carl Cottle in March.

Prior to her run at Sisters, Parker was a little concerned about the ground conditions.

"I was little worried because the times were kind of slower, so I knew the ground was probably pretty deep," explained Parker. Knowing what she had to do in order to keep "Bonet" sharp and running through her turns, Parker was ready to make her run and see where they stacked up.

"I just kept it in my head that I had to keep her moving in her turns. She shut me down a little on the first and it scared me because she is a big mare so I worried that she wouldn't have enough momentum to get around it on the backside but she did. She tried so hard for me on every barrel, I was so proud of her." Parker and "Bonet" stopped the clock with a 17.64 which pushed them to the lead.

"I love Sisters. I have been there several other times and have had success on my old horse, VV Current. It is one of my favorite rodeos and towns so it is right up there as one of my favorite rodeos to go to. I am so grateful to have won it," Parker said.

"The rodeo always has a great crowd and the atmosphere is neat being up in the mountains like it is. I received a beautiful belt buckle for the win and it was extra special because it was their 75th anniversary."

Telford & Playguns Fame Top Shot At Dash 4 Dollars

By Tanya Randall

Jessie Telford, Caldwell, Idaho, had a lucrative weekend at the Dash For Dollars in Ogden, Utah. She won the futurity aboard her 5-year-old gelding Playguns Fame ("Ellis"), pocketing \$2,727, and placed well with her other 4-year-old gelding Famous Cool Whip for another \$2,697.

"I entered both of my horses in the open slot race on Friday night," said Telford, 35. "My Dash Ta Fame colt (Famous Cool Whip), his first run is always crazy fast and then he gets a little slower and a little 'cheater' each run, but I knew if he could get a run down, he would clock. He won third."

Cool Whip would go on to win the opening round of the futurity and place in the open. Although he didn't place in the slot race—he got by his first barrel—Ellis made up for it by staying solid in the futurity, placing second in the first round and winning the second, as well as placing in the open both days on carryovers.

"He just gets stronger each run," said Telford of Ellis. "That's his MO. He just gets faster and faster."

Telford's husband Jake, a reined cowhorse trainer, purchased Ellis as a 2-year-old at the 2012 AQHA World Show Sale in Oklahoma City. Consigned by his breeders Copper Spring Ranch of Bozeman, Mont., the gelding, by leading Western performance horse sire Playgun out of the Dash Ta Fame daughter Zigzagenzani, brought \$5,500.

"I wasn't even down there," said Telford, the mother of two daughters, Shawny, 9, and Sierra, 8. "He saw him in the catalog, and by the time I got down there, we already owned him! I didn't really have a choice. He's a really eye-catching horse. Of all of my horses, he's the one that people are always asking, 'What's that one?' He's really pretty. With what we do in the reined cow horse, having the Playgun crossed on a Dash Ta Fame mare, I thought it was pretty

cool. We got a hell of a deal on him too, because he didn't fit the buyers that were there."

Ellis has had a pretty solid futurity season, also winning the Salty Dash Futurity and the Roper Apparel Pole Bending Futurity. He will finish out his futurity year between his junior rodeo gigs with Telford's oldest daughter.

"He's been my daughter's pole bending horse all year. Between

the futurities and junior rodeo, he's got a pretty full schedule. He's got a great mind. Both of my kids were riding him around when he was an early 4-year-old. He acts like an old ranch horse."

Although her husband has helped her get Ellis where he needed to be for her, Telford said she hasn't let him take him down the fence after a cow.

"I won't let him!" she laughed. "We rope on him too at the place, just to give him something else to do."

When she's not barrel racing and herding kids, Telford manages the couple's rental properties and also shows reined cow horses as a non pro when she has the opportunity.

"Of all the performance horse disciplines, the cow horse is the closest to running barrels," noted Telford, who had never shown until she met her husband. "They have run full out, they have to rate and they have to take a pull on the backside. They're extremely similar. So as far as having Jake help me with my barrel horses, I can understand how he correlates the two."

Headin' For Home

by Sherry Morrison
Triple M (Mike Morrison Ministries)

Like some of you, I didn't grow up with computers and I Phones. I know, I know. It's hard to believe they haven't always been in our face. But there was a time when we actually thought for ourselves and we lived in the moment. We weren't texting while having a conversation with a real live person. We weren't somewhere else in our heads, while physically in the presence of someone else. I personally get a little (?) aggravated. One time on a vacation together, 8 of us went to dinner. After we ordered, I looked around and 6 people were on their phones texting..... AARRGGHH! I tend to make quality (?) decisions when I'm aggravated. I decided that if 6 people didn't want to be there.....I shouldn't be either.

When I have something exciting, sad, important, or just want to talk, I don't want someone half listening to me or texting or talking or distracted. I want their undivided attention. I am so thankful that God doesn't do that to me. He loves. He hears me. He ANSWERS me!

When we talk to God we have to be right there, right now. We can't call Him on the phone. We can't text Him. We communicate with Him in our hearts. Because if you have asked Jesus to be the Lord of your life (Romans 10:9 & 10), He came to live on the

INSIDE of you and He is always right there, right now. You will not be bothered with those annoying pop ups. You won't be having a genuine conversation with Him and 600 angel's text Him all at once. He won't stop what He's telling you to just "shoot them a quick text". He won't put you on hold to take their call. You and I have His undivided attention. Boy....that's a pleasant thought! His Word promises us, "When we seek Him, we will find Him." Jeremiah 29:13.

I have this sign in my house. It says.
DEAR GOOD OLE DAYS.....I MISS YOU!
The Bible says Jesus is the same. Yesterday, today and forever.
Heb. 13:8. That's great news for me!
