NOTES: Firewaterontherocks, owned and bred by Rance & Robyn Herring, has now won big money at every level of barrel racing. He competed and won at the futurities and derbies with Latricia Duke in the saddle and now has won at the biggest open shows and rodeos with Robyn Herring in the saddle all the while being a sire with his oldest crop being 3 year olds that will hit the juvenile races late this fall and the futurities next year. After their win at Reno, Robyn and Happy climbed to #8 in the World with only a limited campaign. After the big win at Reno, Happy, as he is nicknamed, came down with a case of pigeon fever in Colorado and will be sidelined from the rodeo arena for the next month or so.

Davis/Kayser Fund Raiser

A fund raiser has been started with the proceeds going to the children of Janice Davis and Ned Kayser.

Hopefully, this will help some good kids out! A 2011 foal by Frenchmans Guy out of the Dash Ta Fame mare, Lady's Famous Number will be used as the fund item. "Lady" has made over \$30,000 in barrel earnings and is currently being campaigned. Only 275 tickets at \$250 each will be sold.

The event will start on June 25th and will continue until such time that all 275 tickets are sold...when they are gone...they're gone. Your receipt will have your number as well as your address and phone number. The drawing will take place on Aug. 28th. There will also be a consolation prize winner! A 2011 foal by Frenchmans Falcon will be given to the second ticket drawn. So, you have two chances to win an outstanding foal by either of these exciting father/ son sires. Winners are responsible for picking up foals from Granger, WA within two weeks of drawing.

AQHA transfer papers will be given at that time. We need your involvement in getting the word out about this opportunity to help. Please email or tell everyone you know about this event.

They can email Cindy at cindy@westerncrossings.com or call Cindy at 1.509.439.1227 to buy a ticket or get more information.

Barrel Buddies Hold Make-Up Race

Barrel Buddies Jackpot on Monday July 11 2011 at the Salt Lake County Equestrian Park, Outdoor north Arena South Jordan, Utah. This is a makeup race for the race that was cancelled On May18 There will be \$100.00 added to the Open

The \$500.00 money will be added to the Sept.28th indoor race. Please see our website for entry information. Pre-enter online @ www.utbarrelbuddies.com or Sunday night from 7-9 pm @ 254-6102

Ohl Man River Just Keeps Rolling Along

It's two down, one to go for five-time World Champion Tie-Down Roper Cody Ohl in 2011.

While the Hico, Texas, cowboy has competed sparingly this season, he's made the most of the opportunities with wins at the San Antonio Stock Show & Rodeo and now the Reno Rodeo, another Wrangler Million Dollar Tour rodeo presented by Justin Boots.

"There were three big ones I'd never won coming into the year: San Antone, Reno and Salinas," Ohl said. "That's two down, and Salinas (Calif.) is just a few weeks away."

Ohl claimed his first pair of Reno Rodeo championship spurs

with a "practice run" of 9.6 seconds after some bad luck eliminated his three closest competitors in the average race during the Reno short round June 25.

Matt Shiozawa and Huston Hutto set the bar at 28.0 seconds on three head. Forced to rope fast, Shane Hanchey and 2004 World Champion Monty Lewis both missed. Defending Reno champion Joseph Parsons roped a hind leg and eventually took a no-time. Any run under 10.6 seconds would be good enough for Ohl to claim the average title.

"It's fun to rope at all the big rodeos with the pressure on," he said. "That's not the way it worked out tonight, but I'll take it. I've been looking to win these spurs for a while. Now, it's on to Salinas."

Ohl claimed \$6,046 for the average win and by collecting checks in all three rounds he banked \$9,742 from his week in Reno. Not bad considering he hadn't roped much since his San Antonio victory; this was his sixth PRCA rodeo of the season.

"I've got a family at home and I'm raising some bucking bulls, so it's nice to stay home some these days," he said. "Winning San Antonio allowed me to do that. Had I not won there, I would have had to rodeo a little more. Either way, I wasn't worried about it too much since there's so much money to be won the next three months. This is when the rodeo season really heats up."

The other event champions in Reno were all-around cowboy Rhen Richard (\$5,327 in team roping and tie-down roping), bare-back riders Royce Ford and Tilden Hooper (244 points each on three head), steer wrestler Todd Suhn (13.2 seconds on three head), team ropers Turtle Powell and Jhett Johnson (16.2 seconds on three head), saddle bronc rider Jesse Wright (252 points on three head), bull rider Shane Proctor (159 points on two head) and barrel racer Robyn Herring (51.19 seconds on three runs). --Courtesy of www.prorodeo.com

Cowans Celebrate Rodeo Anniversary

And then there were the Cowans of Highmore, S.D.: Clay and Lacy Cowan celebrated a slightly belated one-year wedding anniversary (they were married June 17, 2010) by sweeping their events at the Beaver Valley Horse Club Rodeo in Strasburg, N.D.

Clay won the steer wrestling in 5.2 seconds, the tie-down roping in 9.3 seconds and the all-around title with earnings of \$2,109, while Lacy won the barrel racing in 16.25 seconds for another \$721.

That comes to 12.1 percent of the total purse in a field of 202 competitors. Nice road trip.

"That's the first time we've ever done that," Lacy Cowan said, "and we've gone to a lot of rodeos over the last year." --Courtesy of www.prorodeo.com

***Correction:** In the June 21st Issue of the Barrel Racing Report we mistakenly reported the pedigree of Hart Ta Fame, the LD Ranch Futurity Average Champion. Hart Ta Fame is a mare by Holy Bart and out of Skippa Rudy Ashley by Rudy Skippa.

HORSE: I rode Duke (Yeah Hes Firen) at the Canadian rodeos and Cosmo (French Covergirl) at Davie, Fl.

FEEDING PROGRAM: Purina Ultium, Platinum Performance and Alfalfa hay

TACK: Double J Pozzi Pro Racer

WHAT IS YOUR ROUTINE LEADING UP TO A RODEO RUN? I feed around 5 and saddle about an hour before my run if the weather is cool. I do a very short warm up on Duke because of his nerves. I lope Cosmo down for awhile before her runs.

DO YOU HAVE A SPECIFIC CONDITIONING PROGRAM FOR YOUR HORSE WHILE YOU ARE ON THE ROAD? I do whatever possible to have them fresh and feeling as good as possible. I do a lot of walking but not much hard exercise.

THE RUNDOWN: CASSIE MOSELEY

HORSE: Mitey Easy Alibi "Mitey Man"

Grey Gelding, 12 years old, 16 hh, 1400 lbs.

HORSE HISTORY: I bought him off the racetrack as a 4 year old. Mitey Man (Mitey Easy Alibi) and I have been to the NFR twice (2008, 2009). He hurt his ankle at Denver last year, we got him over that, then he got an abscess on his foot and jaw right before Corpus. We were more worried about the foot, but the abscess on the jaw actually was worse problem. We would treat it with antibiotics and think we had it beat and start to run him and then it would come back again. Eventually we had to do surgery on him sometime in September/October. After he healed up again, I was running him but he was half a second off. It took until Austin (Moseley and Mitey Man won Rodeo Austin) to get him running good.

BIT: Combination bit, rope noseband with a little smooth snaffle mouthpiece

SADDLE: Right now I ride my Shiloh Saddle from the NFR and soon I will also have a Larry Coats saddle to ride.

PAD: Cactus Saddlery Trevor Brazile Relentless Gel Pad

LEG GEAR: Pro Equine Trevor Brazile Relentless Boots all around

GRAIN: Oats, rice bran

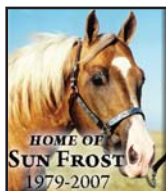

SUPPLEMENTS: Silver Lining Herbs, Calf Manna

HAY: Alfalfa, and grass pasture at home, free choice alfalfa on the road

ADDITIONAL HORSE CARE: My husband, David, has shod for 18 years and he keeps his angles good and his feet in great shape. Aluminum rims and regular steel shoes on back.

#1 TRAINING OR RIDING TRIP: With Mitey being in his prime I just stay out of his way and push him by the barrel. I just kind of send him up past the barrel and let him turn. I work to get all my horses to run that way, it takes a little longer to get them to work that way but in the end I feel it is the best and worth the time. I work to put rate into the horses and it helps having my husband rope on them. I try to get them to learn that rate on their own so I don't have to handle them so much during a run. I just don't like having a free runner I have to pull on.

Barrel Bash to Help Bump Beat Leukemia

Bumpy Barrel Bash (Hayden Ritchie Benefit)

June 25, 2011, Terrell, TX

The Bumpy Barrel Bash Benefit was held June 25, 2011 at Cowboy Collection Arena in Terrell, TX. The arena was donated by owner, Jeff Smith.

Our Bumpy Barrel Bash raised \$13,000 for 5 year old Hayden Ritchie, aka Bump. Bump was diagnosed with Leukemia in March 2011 and has been undergoing chemotherapy weekly and will continue for the next 2 - 3 years.

We had a fantastic turnout despite the high temperatures and humidity with a total of 177 entries. Race winner was Shantae Truelock with a time of 15.581 on Sandy's Rare Form.

We could not have had this success without all the help from our East Texas family. The race was produced by Margaret Tully with enormous help from Managers Johnna Hale, Genia Landers, Holly Collins, Julie Dubois, Becky Buckmeyer, Paula Pemberton, Donna Johnston-Wilder, Monique Braudrick along with all their crew. Penny Ritchie Mayo headed up the lead line and eight and under races. Lester Hale and Billy Ritchie along with his crew handled our parking. Benefit race experience and input from Rebecca Rocket-Merritt and Lisa Baccus was greatly appreciated!

\$2000 added money was generously donated by local barrel racers and businesses. We had numerous auction tables with donations from Charlie One Horse, Old Gringo Boots, One Trick Pony/Corral Boots and Gypsy Soule to name a few. Trent Ward donated a gorgeous, fully tooled, alligator seat barrel saddle for raffle which raised approximately \$2000.00 for Bump. Bob Berg donated all 5 buckles which were absolutely gorgeous. Tres Rios Silver donated saddle crosses which were won by the last hole in each D along with one for Bump to hang on her saddle. No one minded hitting in that hole, they are a trophy worth showing off!

Any donations to help Bump Beat Leukemia can be sent payable to her mom, Shana Goggans, 17449 CR 330, Terrell, TX 75161

We are looking forward to seeing Bump back in the saddle again!!

Walker and Shiner Top Dogs in Driggs

Dash 2 The Tetons III
June 25-26, 2011, Driggs, ID

Adams Clinches the Dash 2 Tetons III average for 3 yr in a row. Shiner shined on Sat with a new areana record of 16.770 as Walker was top dog on Sunday. This tucked away peace of paradise is catching the buzz all over with the Spectacular facility of TSV. Float Trip winner Jessie Cronquist and Seventeen Flat Pop up Barrel Winner Margaret Jones hit the mark on 17.000. The race was full of fast pace excitement. You won't want to miss out on the next race, the Iron Horse Classic! On-line entries close July 25, 2011 www.tripod-productions3.com. Special Thanks to all our Top Notch Sponsors and TPP3 Crew.

THE RUNDOWN: KASSIE MOWRY

HORSE: Missjbrunningwithfire "Honey"

Bay Mare, 5 years old, 15 hh, 1050 lbs.

HORSE HISTORY: Joe & Dee Braman bought her from the people that raised her. She was started before I got her in the middle of the 3 year old year. I was struggling with her, she would get really nervous going to the right, so I switched her to the left and started over with her and about the time of Ft Smith she started figuring it out. She is really turny and loves to work. She is my most fun horse, the same everyday, very predictable and easy to get along with. She handles everything, any size pen or any ground, and is very solid for her age. She is the sweetest thing, in fact her nickname is Honey. I wouldn't change anything about her.

BIT: O Ring or O Ring with noseband

SADDLE: Martin Crown C Barrel Saddle

PAD: Wool Felt Pad

LEG GEAR: Classic Equine bell boots, and front splint boots

SUPPLEMENTS: Lubrisyn over hay once a day

HAY: Alfalfa, 2 flakes morning and night

ADDITIONAL HORSE CARE: She has a 2 degree aluminum wedge on the front and normal steel shoes on the back.

#1 TRAINING OR RIDING TRIP: I am really patient with my horses. I tend to bore them to death with slow work, showing them exactly where I want them to go and slowly increasing the speed without scaring them. I try to quit my younger horses while it feels good and build their confidence. I trot them through to where they know the pattern almost on their own. For instance, Honey knows exactly where to go and what to do when she goes into the arena to run, she knows exactly where she needs to be to turn each barrel. With Honey, I will pony her or pony off of her and just trot her through the pattern at home. I never work her at home at speed.

SPONSORS: Martin Saddlery, Cowgirl Tuff Clothing, Lubrisyn & Thanks to JB Quarterhorses and my other owners for keeping me on such nice horses.

SMART, SWEET & GOOD LOOKING

FLICK N COYOTE - 2005 Black 15.2 hand Gelding

Dr Meter Reader si 90-Shaka Flick si 105, No Brakes Now si 104

Wiley is a gentle, really broke gelding that will fit any age rider. He is running in the 2D and 3D and has the potential to be a 1D horse. He has been hauled in TX and OK and has already won slightly under \$2500. He loves to run barrels and is a pleasure to ride, he spins, has big stops, counter arcs and bends any way you would want. Light and rides around in a Junior Cowhorse bit. His sire is a Stakes winner on the track and his dam is a Stakes winner who is also a track record holder. Wiley has a lot of personality and will be smarter than most of your friends! He loves people and would enjoy having someone dote on him. Would make a great youth horse or great for someone who just wants to have fun at the barrel races. Home Raised, \$12,500

Headin' For Home

H4H Classic by Sherry Morrison
Triple M (Mike Morrison Ministries)

As opposed to change as I am, it was a very sad day when my video camera, my camera camera and my cell phone needed to be replaced in the same week! I refuse to read directions on anything and frankly I'm tired of hearing the word "intuitive". These techo conveniences are NOT intuitive to me! I'm conservative so I'm not about to go pushing buttons with funky signs on them to "experiment" with my new gadgets! Stop, go, record, dial. These are all words I understand and they make sense. Do you know what a "thread" is? It's what I sew with, but...on my cell phone it's the call listing thingy...There are "frames" on my video camera. Why do I need frames when I'm videoing???? I want to watch all the action!

And I have given up on asking the younger generation for help. They look at me like I'm old or something and start pushing buttons and zipping around at warp speed and I'm not following any of it! I wonder how they would like some of these up a usb port! Do you know what a usb port is???? I don't. Maybe I could hook

the blue ray up to the soft drive with one of those cable things, copy on the scanner to the printer past the answering machine and without pressing 1 for English, I might be able to take a picture.....

Well, in this constant state of change, one calming, wonderful truth is that God NEVER changes. When He tells me Jesus paid the price for my sin, and then took stripes for my healing and become poor so I could be rich, well, how much better can it get? He never updates weekly, becomes obsolete monthly, or decides that really, He doesn't love me after all. He's the same, yesterday, today and forever. How comforting....
