Extra Salty – Stevi Hillman & Cautro Fame Win Wrangler Champions Challenge in Spanish Fork

By Tanya Randall

The Wrangler Champions Challenge in Spanish Fork, Utah, was exactly that—an extremely salty challenge amongst some of the most decorated barrel racers going down the road.

Just 1/10th of a second split first and fifth place, with 2016 National Finals Rodeo qualifier Stevi Hillman and the wicked Cuatro Fame (“Truck”), owned by Jason and Melissa Mouton, posting a victorious 16.84 on one of the fastest WPRA standard patterns staked on rodeo footing.

“Truck is feeling great,” said Hillman of the 10-year-old Dash Ta Fame gelding out of Brandy Wilson-Mehl’s mare Princess Streaks, by Streak Laico Bird. “It was really exciting to feel Truck running that hard.”

First-place at the June 3 event paid \$3,944. Hillman added that to the \$2,204 she won for finishing third at the Wranglers Champions Challenge on June 1 in Santa Maria, Calif., some 760 miles away.

“I’m so thankful for these Champions Challenges,” added Hillman, a radiology technician turned professional barrel racer and trainer. “They’re so neat to be a part of, especially for the kids. We have to sign autographs after the performance and tons of kids come down for that even if it’s late. The Challenges do other things for us too—they feed us, sometimes have golf scrambles—we shot trap at Spanish Fork. It’s a really big deal for us.”

Hillman has been making the most of the opportunities that have come her way since making her NFR debut last year.

“We’ve already traveled more this year than we did last year,” she said. “It’s been crazy. With more opportunities come more responsibilities.”

After competing at the Old Fort Days Futurity and Super Derby over Memorial Weekend, where she earned the Super Derby Reserve Championship on MCM Imasharpguy (“Sharpie”), Hillman stayed in Fort Smith, Ark., to run in the rodeo slack on the talented 5-year-old gelding, by A Sharp Frenchman out of the great Mulberry Canyon Moon, owned and bred by Matt and Bendi Dunn of Bismarck, Mo. They finished fourth, earning \$1,711, at the Old Fort Days Rodeo.

“I stayed in Fort Smith through the 30th,” Hillman explained. “I flew out to California on the 31st. We had brought the horses home after Clovis (in April), and Ty drove back on the day before Mother’s Day. I flew back out for Redding and then flew back to get ready for Fort Smith, so Ty (her husband) had to ride Truck for

PRCA offers two new rodeo scholarships

Reading, writing and arithmetic are the foundation of a good education, and the fourth R - rodeo - could help tomorrow's ProRodeo athletes fund their academic goals.

For many years, the PRCA has supported the academic endeavors of the up-and-coming cowboys and cowgirls competing at the National High School Finals Rodeo with \$6,500 in scholarships. This year, the PRCA and the ProRodeo Hall of Fame are introducing two new scholarship opportunities - the PRCA Gold Buckle Scholarship (two, worth \$1,500 each), and the ProRodeo Hall of Fame's Western Heritage Scholarship, worth \$500. And, the annual National High School Finals Rodeo Knowledge Bowl has a \$1,500 prize for each member of the winning team and \$650 for each member of the second-place team.

PRCA Gold Buckle Scholarship

The PRCA Gold Buckle Scholarships are awarded to the two individuals that most value the traditions and legacy for which the PRCA stands. The ideal candidates will plan to join the PRCA, chase the gold buckle and become ambassadors for the sport of professional rodeo.

Funding for both \$1,500 scholarships comes directly from the PRCA.

There are two eligibility requirements for this scholarship:

- * Plans to compete with the National Intercollegiate Rodeo Association on a collegiate rodeo team.
- * Must be competing on a NIRA collegiate team in a minimum of one PRCA-sanctioned discipline, which includes only: team roping, steer wrestling, tie-down roping, bareback riding, saddle bronc riding and bull riding.

In addition to meeting the NHSR Foundation Scholarship application requirements (<https://www.nhsrfoundation.org/>), applicants for the PRCA Gold Buckle Scholarship must submit a 2-3 minute videoaddressing the question: What would it mean to you, to be a member of the Professional Rodeo Cowboys Association?

Applications are due by July 16 at 6 p.m., and videos can be emailed to prcascholarships@prorodeo.com.

ProRodeo Hall of Fame Western Heritage Scholarship

Young cowboys and cowgirls who exemplify western heritage, the code of the west and living by cowboy ethics in his or her everyday life could win a \$500 scholarship through the ProRodeo Hall of Fame Western Heritage Scholarship. Funding for this scholarship is provided by the ProRodeo Hall of Fame in Colorado Springs, Colo.

In addition to meeting the NHSR Foundation Scholarship requirements, applicants must submit an additional 250-word (minimum) essay answering the following question: "In what ways do I live my life daily that exemplifies western heritage and shows that I am a role model for the cowboy lifestyle and symbolize ethics, responsibility, honesty, pride, hard work, fairness and trust?"

Applicants can turn in their western heritage essay to the PRCA booth at the National High School Finals Rodeo's trade show to be eligible for this scholarship. Essay writers are reminded to make sure their name and state/province are on the essay. Applications,

transcripts and Foundation essays can be turned in to the Foundation Office. The deadline for both is July 16 at 6 p.m.

NHSFR Knowledge Bowl

The National High School Finals Rodeo brings together the best cowboys and cowgirls for a week of rodeo competition at Gillette, Wyo., in July - but competition isn't limited to the arena. The NHSFR Knowledge Bowl pits teams against each other in a trivia-style contest with rodeo as the central topic.

The competition kicks off on July 18 at 2:30 p.m. Members of the first-place team will walk away from the Heritage Center Theater, CAM-PLEX Multi-Events Facility, with \$1,500 each, and the members of the second-place team will receive \$650 each. Only one team is allowed per NHSRA state and provincial association and teams must register through their state and provincial secretaries by June 30.

Commissioner Stressman announces retirement

After nearly nine years at the helm of the PRCA, Commissioner Karl Stressman has announced that he will be retiring, effective Dec. 31, 2017.

Commissioner Stressman has stewarded meteoric growth of the Professional Rodeo Cowboys Association since 2008. Under his leadership, the organization signed a record \$175 million contract that keeps the Wrangler National Finals Rodeo in Las Vegas through the year 2024.

Stressman also played a major role in negotiating a television broadcast agreement with CBS Sports Network through 2019; successfully protecting the organization's rights to provide equal opportunity to all association members, and not just a select few athletes; and accepting fiduciary responsibility for generating substantial cash reserves for the organization, while returning nearly 90 percent of all income generated to benefit members and membership services.

"I sat down in the Commissioner's chair for the first time in September 2008, and I made a promise to myself that I would give my very best efforts each and every day to improve the sport of Professional Rodeo," Stressman said. "I made myself another promise that I would stay at the PRCA as long as I enjoyed the job. Well, it's time to say goodbye! I will be retiring at the end of 2017, after completing my 10th Wrangler National Finals Rodeo as Commissioner of the PRCA."

Even as he plans his departure, Stressman has put into place a future path that will allow for the PRCA's top rodeos to gain even more prominence, and for the PRCA membership to profit as the organization enters into new digital content opportunities. Commissioner Stressman's iconic leadership tenure stands as a landmark for professional rodeo and the entire western industry.

"It has been an amazing run, but certainly not without a few battle scars," he said. "It has been my privilege to have had the opportunity to serve the members, our committees, our great sponsors and the best fans in the sporting world. I thank you all for the opportunity! Long Live Cowboys!"

me while I was gone. Truck does better the more runs he makes, so flying in and riding him is tough.”

At the time of this interview early Monday evening, Hillman had not yet reached her Weatherford, Texas, home. She had just picked up Sharpie, who was having “spa time” at Outlaw Equine, for rodeos in Weatherford, Cleburne, Coleman and Gladewater, Texas, this weekend, while Truck gets his turn in the spa. She will leave the following Monday for the Reno Rodeo in Nevada.

Sharpie will stay in Texas so she can fly back and run him the pro rodeos in Springdale, Ark., Pecos, Texas, and Santa Fe, N.M., before hopefully returning to Reno for the short round on Truck. She’ll keep both horse split through the Fourth of July run with Sharpie running at Greeley, Colo., and the Gateway Rodeos of Livingston and Red Lodge, Mont., and Cody, Wyo., while Truck will run at the Oregon rodeos of Eugene, Molalla and St. Paul.

“I think we only have one overnight drive,” said Hillman. “My plan is to save Truck for Calgary.”

Hillman is currently fifth in the WPRA World Standings with \$67,009 won after entering 39 rodeos.

Lisa Lockhart & Rosas Cantina CC Dominate at Wrangler Champions Challenge in Santa Maria

By Tanya Randall

Sometimes it's pretty handy to have a little racehorse speed at your disposal. When that racehorse speed comes in a paint-peeling package, it makes for extremely spectacular runs.

For multiple National Finals Rodeo qualifier Lisa Lockhart, Rosas Cantina CC displayed both reckless speed and tight turns at the Wranglers Champions Challenge, on June 1, held in conjunction with the 74th Annual Santa Maria Elks Rodeo in southern California wine country.

"She's so amazingly talented," said the two-time WPRA Reserve World Champion from Oelrichs, S.D. "She's definitely the fastest horse I've ever ridden. It's just matter of keeping everything tunneled in the right direction."

Lockhart and Rosa blew by the field, winning the Champions Challenge by nearly 3/10ths, with a 17.13 to win \$3,944. Tiany Schuster and Show Mance, who eventually tied for the win the regular rodeo with Amber Moore and CP Dark Moon—were second with a 17.42. Lockhart and Rosa added another \$112 for tying for 12th in Elks Rodeo.

Santa Rosa bumped Lockhart from 42nd in the WPRA World Standings to 32nd with \$17,516 won in 16 rodeos.

It's been a challenging winter for the 10-time NFR qualifier. Her great horse An Oakie With Cash ("Louie") had to have surgery to repair injuries to his stifles and has been out all winter and spring. Her old-faithful backup Fast An Gold ("Chisum") spent most of last summer and fall overcoming an injury of his own, and now the 19-year-old war horse is "semi-retired," according to Lockhart.

Rosa joined Team Lockhart last summer, when Chisum was on the mend. Owned and bred by Alan Woodbury of Woody's Performance Feeds, Rosa, 7, is a daughter of leading racehorse sire Corona Cartel out of Woodbury's NFR-qualifying mare Dash Ta Vanila, a daughter of all-time leading barrel horse sire Dash Ta Fame out of the great mare SX Frenchmans Vanila, by Frenchmans Guy.

"I took her to some circuit rodeos last August," explained Lockhart, who wanted to thank Woodbury for letting her ride the mare. "I felt like she was ready to step into some small-scale things, mostly circuit rodeos and more local rodeos. I did end up using her more this winter. I didn't feel like she was ready; it's just hard for me to get them ready living up here. After the NFR, there really isn't much to go to to get them ready without throwing them into the really big events that I get to go to."

Rosa ran at Denver, San Antonio, Rodeo Houston and the RAM National Circuit Finals Rodeo.

"We've been home since the RAM Circuit Finals," Lockhart continued. "Her next out was at Hayward a couple of weeks ago. She cracked one out there and that gave me a little confidence. I ran her the next night at the Champions Challenge in Redding. At Santa Maria, she did very well. Spanish Fork did not go well, but again,

it's just part of the seasoning process. She's obviously extremely capable, but we're still in the seasoning process with the ups and the downs."

Lockhart, who spent her Monday preparing to host a Western Wishes grantee at her home on Tuesday, plans to split runs between Rosa & Louie this summer.

Lockhart said it's going to be tough not to always climb on Louie at rodeos where she's knows he's done so well in the past, but Rosa is going to have to get the call to save gelding from making too many runs.

"It's hard to step off the old ones, when a young one needs seasoning," said Lockhart, "because there's nothing like putting on an old pair of jeans."

Louie will be back in time for Cowboy Christmas, starting off with the Greeley Independence Stampede, a rodeo that he won in 2016.

"I'll try to get him a run somewhere before that," noted Lockhart. "I'll go to some circuit rodeos the weekend before the Fourth, and I'll head to Greeley the middle of that next week."

Last year, Lockhart won nearly \$24,000 over the Fourth Of July and moved into the Top 15 for the first time during the season. She's hoping that another great Cowboy Christmas is in her future.

"We'll go through July and see where we're at," she said. "We'll have a busy Fourth and with Calgary, Cheyenne and Salt Lake—that will be a very busy July. We'll know a lot by then."

Instructors include: in team roping **TREY JOHNSON** 2000 PRCA Rookie of the Year Heeler, 8-time NFR qualifier **CHARLY CRAWFORD** in heading, 14-time WPRA World Champion **JACKIE HOBBS-CRAWFORD** in breakaway, 5-time NFR qualifier **RUSTY SEWALT** in tie down roping, World Champion **DEAN GORSUCH** in steer wrestling, 3-time NFR qualifier **JANA BEAN** and standout futurity horse trainer **LESLIE WILLIS** in barrel racing and **LANA TIBBETTS** CNFR Goat-Tying National Champion. Bassett & Magnum Bank at Red Desert Classic Futurity

By Hope Sickler

Arizona futurity trainer Jordan Bassett is having a year that most only dream of. After winning futurities all spring, Bassett insisted she keep that trend going. She and 5-year-old stallion, Magnum, were crowned the Red Desert Classic Futurity Champions this past weekend in Rock Springs, Wyoming.

Magnum is owned by SAW Ranch (Butch and Stephanie Webb) and is by Frenchmans Guy and out of the incomparable mare, Tell Em Belle, who is by Tres Seis. Tell Em Belle was a pro rodeo money earner underneath Nikki Steffes-Hansen and helped qualify Hansen to the NFR in 2012. Tell Em Belle placed in a round at the NFR & place at several other big, prestigious rodeos across the country such as the Pendleton Round-Up in Pendleton, Oregon.

"This year has been a magical year for me," exclaimed Bassett.

"This is my 4th futurity win this year and my second horse to win one on this year. I am campaigning Mimis On Firewater and Magnum for owners Butch and Stephanie Webb."

Bassett describes the powerhouse bay stallion as the most solid futurity horse she has ever swung a leg over.

"I have never ridden a futurity horse as solid as Magnum. He tries his guts out every single run and he is getting faster with every run that he makes. His big heart and lots of try makes him a winner!" With the trip to the Red Desert Classic being Bassett's maiden voyage, she is grateful she made the trek from Arizona to Wyoming. Bassett noted that the first of June is usually when she takes a small vacation and hits up the NBHA Supershow in Vegas with her mom and sister, but this year she had business to tend to and she is glad she did!

"My first run in the futurity at the Red Desert Classic on Magnum was great! He worked fantastic and there wasn't any room for error. He won second in the round behind my other horse Mimis On Firewater," Bassett said.

With a great start to the futurity, Bassett won first and second in the round with a 15.416 on Mimis On Firewater and a 15.506 on Magnum.

In round two, Magnum's consistency and large heart shined through when the duo posted a blistering fast time of 15.479. With a total time on two runs of 30.985-seconds, Bassett added another futurity championship to her already amazing year.

"He made a very solid run in round two to win the round and the average. I am very grateful to Butch and Stephanie (Webb) for believing in me and giving me the opportunity to ride two incredible athletes."

Bassett and Magnum head to the Colorado Classic in Colorado next weekend and then to the 5-States Futurity and Dash N Dance in July in South Dakota. As long as Magnum continues to run happy and healthy, Bassett hopes to hit as many futurities as she can before the end of the year.

Headin' For Home

by Sherry Morrison
Triple M (Mike Morrison Ministries)

A person can really see where they are spiritually when adversity comes. And Pastor's wives are no exception. Last month I sold both of my futurity colts, thinking this was going to be the year I would keep and season last year's futurity mare. This is something I haven't done in 20 years and I was excited! The same week I sold the two, the horse I was soooo looking forward to taking all summer, was injured.....and in the natural, it looks like a lengthy healing process. Now. How did I take this bit of adversity? NOT...VERY...DANG...WELL!!! There. I said it.

Life can have its ups and downs. BUT James 1:2-4 says, "My brethren, count it all joy when you fall into various trials, knowing that the testing of your faith produces patience (just keeps getting better doesn't it? Patience?!). But let patience have its perfect work, that you may be perfect and complete, lacking nothing." All right, all right! I'm counting it all joy. And I have opportunity to use my faith to believe for her speedy healing. I'm getting a workout here!

As frustrating as this seems to me right now, I know that this too shall pass. In the scheme of things, no one I know is dying. My family is healthy and happy. I have a two and a three year old that will benefit from the extra time I will be giving them. You know, we don't have to like what's happened negatively to us. But I thank God, that when something does, He always makes a way where there doesn't seem to be one! And if you are going to barrel races and having fun, SMILE! Some of us won't be there, but we can live our lives vicariously through you!! So do good for all of us!!
