Katelyn McLeod & Kellies Chick Win Nampa, Leads Rookies

By Tanya Randall

Katelyn McLeod, the middle daughter of John and two-time National Finals Rodeo qualifier Michele McLeod, took over the lead of the WPRA's Rookie Standings with a \$13,169 victory at the \$29,000-added Snake River Stampede in Nampa, Idaho. She was riding the phenomenal 7-year-old mare Kellies Chick ("Skye"), owned by Charlie Cole and Jason Martin of Pilot Point, Texas.

Last year, Skye set an arena record to win the first round at Nampa for Michele, but didn't get to defend her lead because she was busy winning the National High School Finals Rodeo Barrel Racing Championship for Lindsay McLeod, Katelyn's youngest sister, down in Rock Springs, Wyo.

"Mom made the comment that she was glad that she won it this year because she wasn't able to go last year," said Katelyn.

This year, Skye got a clean sweep, winning the first round and short round for the average title.

"She felt phenomenal, very smooth," said Katelyn, who is sponsored by Glam&Grit, Gypsy Tails, Oxy-Gen, GetPatched.com, and Deuces Wild Tack. "She just made the same run she made in slack the previous Sunday. She's been working really well."

Katelyn said she has to give a lot of credit to reined cow-horse trainer Ron Ralls and his barrel racer wife Patty, who have helped her with her own body positioning, making sure McLeod's not dropping her hips and shoulders where she shouldn't and inadvertently cueing Skye.

"They've helped me with my riding," she said. "With the different arenas and different situations I'm put in, Ronnie has helped me on

how to change my riding and stay in the middle of her. He's been making me stay really square in my body and it's helped me ride that mare so much. He's helped so much, and it's really showing with my runs."

After starting off last fall on Skye, Katelyn had to turn the mare over to her mom when Michele's main mount Slick By Design, also owned by Cole and Martin, had to take time off for breeding season. Katelyn and didn't climb back aboard the daughter of Darkelly, out of the Fiesta In The Sky mare The Skye Chick, until the first of June.

"I had picked up one check during all those months, and that was at Claremore on (Streakin'flingindisco)," said Katelyn. "I was just helping Mom. That's when she got most her money won—when she was on Skye."

Since climbing aboard Skye, Katelyn has won several rodeos. "The first weekend I got back on her, I won Mesquite and mom was second on Slick," she recalled. "The next weekend she won three rodeos, Mesquite, Coleman and Gladewater."

They also won Vernal and Lehi, Utah. Right now, she's 17th in the WPRA World Standings with \$39,581, and her mom is currently 13th with \$45,685.

Katelyn said it's "so unreal" that Skye has taken both McLeods within reach of an NFR berth.

"If I'm there or not there, I hope she gets Horse of the Year," Katelyn said of Skye. "She's won most of Mom's money and I've won all my money on her, except \$900 on Disco—but \$900 will make you or break you; I'm not saying it's nothing, but Skye's pulled her own this year, for sure."

Katelyn said she doesn't mind getting off Skye if her mom needs her to wrap up her third straight qualification, but for now, the elder McLeod wants her daughter to stay put.

"We're up in Spanish Fork tonight, and a couple months ago, Mom won second on her at the Champions Challenge," explained Katelyn. "I said, 'Mom, you rode Skye really good in this pen, you should ride her and I'll ride Toby. She said, 'No, you're riding Skye really good right now and I don't want you to change your riding style. You just stay where you are. I always tell her anytime she wants on Skye to just tell me; I don't mind getting off of her. Mom's making me stay put for now. Slick's getting his groove back and I think he's going to come a firin' the next few weeks."

The McLeod's still have a lot of rodeoing to do. Tonight they run in Spanish Fork, Utah, and tomorrow it's Salt Lake City. They return to Cheyenne for their second runs on Thursday before making a mad dash down the Interstate to Rock Springs, where they run in slack after the rodeo that night. Saturday, they have Deadwood, S.D., and hopefully, the short round at Cheyenne on Sunday.

Katelyn, who is extremely grateful to Martin and Cole for the opportunity, said rodeoing with her mom this summer has been an adventure, filled with late night drives and growling stomachs and vehicle gremlins, too.

Take the return trip to Nampa, for instance. On Thursday morning, on their way back to Nampa for Michele to run, the truck started spewing fuel on the windshield.

"By the grace of God, we pulled over Wednesday," said Katelyn. "We were going to try to make it all the way to Nampa, but we decided to pull over. We made it to Tremonton (Utah). We got up that morning and only had four hours, maybe, to Nampa. When we got on the Freeway, fuel started spraying on the windshield. We called Jason and Charlie and told them what was going on. We called someone to get the truck and trailer picked up. We finally called my dad. He said, 'Send me a picture and show me where it is.' I sent him a picture and he walked me through how to fix it. I fixed it and I was like let's go to Nampa, and Mom's like let's stop by a dealership and make sure. What had happened was, when they changed the fuel filter, the guy didn't get one of the lines back on fully. When we got there (to the dealership) they were like, yep, you fixed it. It's been adventure."

Armstrong Strong-Arming the Competition

By Hope Sickler

To say that Lexington, Oklahoma standout cowgirl Ali Armstrong is on a winning streak would be a huge understatement. In fact Armstrong has been on a winning streak since her and superstar mount Matts Freckled Cowboy found "their" perfect groove. Armstrong took the reins on "Panama" when the now 8-year-old bay roan gelding was only 4-years-old but it hasn't always been glitter and cupcakes for the dynamic duo.

"When I got "Panama" he was started on the barrels by Debbie Kaywood, and he was going really well but still needed to be finished out. It took us about a year and a half to find what worked for the both of us but we never gave up even when things got a little tough. I knew he was going to be a superstar and knew that once we clicked, we would make a great team. He was actually started to the right barrel first but after hitting some barrels, I decided to take him to the left barrel first. It was like he was waiting for me to make the switch. As soon as I switched him, we started winning right off the bat," explained Armstrong.

It just so happened that Armstrong's gut feeling was exactly right. She and "Panama" turned out to be one of the hottest duos on the barrel pattern, cashing checks from one state borderline to the next, including her championship at the International Finals Youth Rodeo in Shawnee to her latest and most recent championship, National High School Finals Champion Barrel Racer at the National High School Finals Rodeo in Rock Springs, Wyoming.

National High School Finals Continued From Page 21

“We headed to Rock Springs after Shawnee and I was little worried about how exhausted “Panama” might be after the long 17-hour drive. We got him out every 3-hours to let him rest and walked him to stretch his legs to keep him limber.”

Armstrong’s first run at the high school finals was Sunday evening and “Panama” surprised her with how hard he fired in the first round, especially since putting everything he had into their run’s in Shawnee.

“I was surprised with how great he felt but at the same time I knew he had it in him and I have always known how much heart and try he had. He actually jerked a front shoe in the first round so we got that tacked back on during the week before the second round, which we ran in Saturday morning,” Armstrong said. Armstrong finished first in the first round with a 17.243.

During the week, Armstrong stayed diligent on the absolute superior care for her partner in crime, getting him out of his stall 3-4 times a day, allowing him to relax and stretch his legs.

“For the first few days, he was not a fan of his stall. In fact he would not eat while in his stall so we would walk him out to the other end of the fairgrounds where there was a small patch of grass and he would stand and I would hold his bucket while he ate. He really is a goofy horse with a huge personality to say the least. After a few days of that, he relaxed in his stall and was able to eat in peace.”

Armstrong drew up 9th on the ground during the Saturday morning performance and was a little unsure of how “Panama” would handle the heavy, wet ground.

“It had rained and the ground was heavier than it was in the first round. He gets really low in his turns so I was sure what was going to happen in the second round but he went out there and ran great. I rode pretty conservative to have a clean run to assure a spot in the short round and we got that done,” said Armstrong.

the second round with a 17.542 guaranteed the duo a spot in the short round.

“We drew up 4th on the ground for the short round which I was very pleased with. He went in there and worked his tail off. It felt amazing and I couldn’t believe that we had won. That horse is all heart and try and every day I remind myself how blessed I am to ride such an amazing athlete.”

Armstrong’s time of 17.269 was good enough for second in the short round and sealed the championship for her and “Panama” with their total time on three of 52.054.

“I can’t even begin to explain what I am feeling right now. I feel extremely blessed to do what I love and ride such an incredible horse. He has made my dreams come true and he will continue to. I am also very thankful for my family for driving me all over the country and helping out along the way. I would not be where I am today without the wonderful support system that I have.”

Armstrong left Rock Springs with a custom Slone saddle, a number of Gist belt buckles, several college scholarships and a bunch of other fun goodies including a pair of BEX sunglasses and a beautiful painting donated by Western Horseman.

Lutjen Returns to the Winners Circle

By Hope Sickler

Kelsey Lutjen and TS Hayday Returns have taken the futurity world by storm since Lutjen first got the mare back in March. Futurity win after futurity win, this duo is on fire, winning the Glacier Chaser Futurity in Kalispell, Montana and adding yet another championship to their resume.

"She is such a consistent horse and very confident. I am pretty sure that this is her world and we are all just living in it," laughed Lutjen.

The pretty palomino mare affectionately known as "Hayday" owned by Tom and Vickie Stockton is by PC Frenchmans Hayday and out of Fair Returns by Complete Return.

"Hayday is all business. If there are barrels involved, she is very focused and if there is no barrels involved, she seems to always find something to spook at or be silly about. Her confidence in herself is what I think that makes her so gritty."

Lutjen and "Hayday" stopped the clock in the first round of the futurity 17.350, good enough for second in the round behind Famous Cool Whip and rider Jessie Telford.

"She worked great in the first round and then I ran her again that night in the slot race. She won second in the slot race with a 17.180 with a slip on the second barrel," said Lutjen.

Lutjen's game plan for the second round was to leave all the barrels standing.

"We came back Saturday morning and made our second run in the futurity and won the round with a 17.295. She got by the first about a stride but she is so gritty and quick and she never quit moving."

With a second place finish in the first round and a first place finish in the second round and her total time on two a 34.645, Lutjen and "Hayday" were crowned the Glacier Chaser Futurity champions.

"This mare has completely surpassed my expectations. We are

just having fun and loving every trip that I get to make on her. I got her back in March and we placed at Pasco, WA, won Heber City, UT in April, won the Colorado Classic in June and now this. Since March, I have won about \$25,000 on her," explained Lutjen.

"I want to thank Vickie and Tom Stockton for believing in me and trusting me with their horses. I am so blessed to be able to ride such amazing athletes. Also a huge thank you to all my sponsors and everyone who helps out along the way!"

Headin' For Home

by Sherry Morrison
Triple M (Mike Morrison Ministries)

Ever have an unexpected thing happen to you and it shook the very thing that you believed about it? You know, your experience just didn't/couldn't see it that way....but looky there.....

Our praise and worship leader is a young farm woman from Canada. Now when she moved here I was surprised at the things she couldn't do outside. Come to find out she didn't help her dad much on the farm. Now THAT'S an anointing I'm not familiar with. We could drive vehicles, tractors, swathers and most critters! She can even remember the ONE time she got hurt. I remember thinking she must have never went out of the house! I lost track of injuries about 9 years old!

Anyway, one day she went out to The Barn to practice music. She came in the north door and opened the door into the main room and RUNNING FULL TILT AT HER WAS A MOUSETRAP!!!! Not a mouse.....a MOUSETRAP! After a split second of hesitation she started squeaking (or was that the mouse under the trap?!) and jumping up and down! She slammed the door shut and ran! I'd have given anything to have seen that!

Seriously, who ever expects to see a mousetrap running across the

floor? It just goes against what you think.

There are people out there who just can't believe that God is good. So when they read the Bible and find out in John 10:10 that it's the DEVIL that kills, steals and destroys and NOT God, it takes a bit to get their head wrapped around that. It took me a bit. But when you take a real good look at the whole picture, why would a loving God send His only son to die for you and me so we wouldn't have to go to hell and THEN spend the rest of our lives hurting us to teach us something.....He wouldn't. He doesn't. He is our ANSWER, not our PROBLEM!

Blessings on you!
