## Nellie Miller & Rafter W Minnie Reba Capture California Rodeo Championship in Salinas

By Tanya Randall

Former National Finals Rodeo qualifier Nellie (Williams) Miller has another homegrown superstar in Rafter W Minnie Reba ("Sister"). The half-sister to her 2010 NFR qualifier Rebas Smokey Joe ("Blue Duck") is quickly following in his hoofprints with a \$12,118 Championship at the historic California Rodeo in Salinas.

"She just worked outstanding," said Miller, who hails from the northern California town of Cottonwood. "She was just solid the whole week."

Miller and Sister got progressively faster with each run and placed third in all three rounds. They blew everyone out of the water in the Sunday Finals with a 15.86, the fastest run of the event by 2/10ths, to win the average.

"I was first out on the ground after the drag and she really fired," recalled Miller.

Although Sister and her great horse Blue Duck share many similarities, including their blue roan color, but as far as how they run, Miller said, they're completely different.

"He was really free running, and her, you can push a lot harder to the barrels," she said. "You always had to slow Blue Duck down."

Their personalities are bit different too, with Blue Duck being strictly business and a little standoffish, while Sister tends to be little more nervous and a pest that prefers to be "all-up in your business."

While Blue Duck, now 21 and retired, is by Mr Bar Truckle, a son of Bayou Bar out of a Truly Truckle mare, Sister, 8, is by KS Cash N Fame, a son of Dash Ta Fame out of the Easy Jet mare Easy Charett.

"The first time we bred that we bred that mare (Reba), when we got my old horse (Blue Duck), she was only four," said Miller. "We only got the one colt out of her and I went to running her in high school. So, there's a big age gap between the two. After I started doing good on [Blue Duck], we started breeding her again."

Although now barren, Reba is still alive and packing Miller's oldest daughter. Miller also has two more colts out of Reba, a Dashair 6-year-old gelding and a 5-year-old full brother to Sister.

"My dad trained her and broke her," said Miller. "I started running barrels on her pretty seriously a year ago. Our first rodeo was last year over the Fourth of July. I took her to a circuit rodeo in Folsom. I've been running her pretty solid for a year, but before that I had two kids, so my dad pretty much camped on her while I was having my babies."

Miller and her husband James have two little girls, ages 4 and 15 months. With one year left before her oldest daughter starts school,

## Burger continues to Win at Cinch Shootout Rodeo in Cheyenne

Mary Burger and her buckskin gelding are a duo that is hard to beat in any arena and that was certainly evident at Frontier Park on Friday at the Cinch Shootout Rodeo.

The teamwork between the four-legged animal and the talented barrel racer is something to watch and fans got to see that twice at the opening rodeo of Cheyenne Frontier Days. They were one of eight selected contestants and in the first round had the fastest run of the day at 17.047 seconds.

The top three advanced to the final round where she and Mo again dominated with a 17.114 second run. That was good for a \$10,000 cash prize. Burger is quick to give credit to her horse that she got when he was a two-year-old. While Mo be the reason that she is doing so well, he is only part of the equation.

Burger trained the horse and brought him along to the point that he could take the grueling road and different ground conditions and arena set ups found at rodeos. He is now seven years old, just a short 60 years younger than his jockey. They are dominating the Women's Professional Rodeo Association and are favorites to earn a world championship in December.

# Platts & JW Frenchmanicure Dash N Dash Futurity Champs

By Hope Sickler

Arizona barrel racer Wendy Platts and her 5-year-old mare JW Frenchmanicure made the long trek from the blistering hot desert of Arizona to the cool Blackhills in Spearfish, South Dakota in hopes of catching a break from the hot temps and putting together some nice profitable runs at the Dash N Dance Futurity held at Seven Down Arenas. Not only did Platts put together some smokin' runs but she claimed the Futurity and Open Championship titles aboard the extremely talented mare.

JW Frenchmanicure is by Frenchmans Guy and out of Famous Brandy by Dash Ta Fame. Famous Brandy is a full sister to The Red Dasher and has produced several other standout athletes in the arena, including full sister to JW Frenchmanicure, JW Freeze Fame.

"We raised "Venus". She was born on our place and has a full sister who was also born that year, actually only 5-days apart, that Joy Wargo has. Since they were full sisters, we decided to name them "Venus" and "Serena Williams";" explained Platts.

While Platts started and trained "Venus" on the barrels, she also credits veteran barrel horse trainers Joy Wargo and Ashley Schafer along with her daughter Rylea for helping her along the way.

"All three of them have been there and helped me along the training process and I feel confident knowing that if I have a problem or don't know what to do in a situation, I can ask any of them and we will get it solved. I am very lucky to have great people helping me out and appreciate them all very much, along with all of the other people that help me along the way."

Platts describes the beautiful palomino mare as pretty laid back and quiet for the most part and one who really loves to run barrels.

"She does this trademark Dash Ta Fame tongue thing where she sticks it out and curls it up and puts it in her nose. It is the funniest thing. She looks like a giraffe! Both her mother and her sister do it as well," Platts said.

**SPONSORS/SPECIAL THANKS:** I would like to thank my daughter Rylea who is my number 1 fan and my right-hand man, Joy Wargo who is a lifelong and excellent trainer, Ashley Schafer who is also a great friend and amazing trainer, my husband Joey Platts for his support and backing throughout the years, my farrier Jeremiah Garrison and Rick Manucy who has helped me with many horses and continues to do so and to all my fellow competitors that I learn from each time I compete just by watching them.

Throughout this years' futurity season, Platts and "Venus" have seen some success, winning the first go of the futurity at the Greg Olson back in January as well as making the short go at coveted and extremely tough Diamonds and Dirt and finishing 12th overall.

"Up until this weekend we hadn't won a futurity yet, but we have done well. Everything that we have thrown at her, she has handled with grace. She is such a special mare and probably the nicest horse that I have ever owned or dealt with."

In the first round of the Dash N Dance Futurity, Platts admitted that she pushed "Venus" harder than she has ever pushed her.

"Sometimes she is a little on the "looky side" so I kind changed my typical ritual with her and it paid off. I pushed her harder than I've ever pushed her before and she handled it awesome. She was so focused. It was definitely a very fast and smooth ride but I didn't realize it was going to be as fast as it was," commented Platts.

With a blistering fast time of 13.596-seconds, Platts won the first round by 2-tenths of a second ahead of new mom Jessica Routier riding Fiery Miss West.

Going into the second round, Platts was running low on sleep and energy due to having to stay up all night watching a colic so her

Dash N Dance Continued on Page 17

## Dash N Dance Continued From Page 16

goal was to be smooth and clean and quite frankly, just stay in the buggy!

"Thankfully the colic ended up ok and the horse made it through the night and is doing well now. I didn't know what to expect for my second run because I knew how tired and lethargic I was. I was just hoping that "Venus" would take care of me."

Making another nice run in the second round, Platts stopped the clock in 13.644-seconds which ended up second in the round behind Hallie Hanssen and French Streakin Jess who posted the fastest run of the entire weekend, along with a new arena record, 13.382!

"I was just grateful that I was able to stay on and let her do her job. She made two great runs back to back and I could not be more proud of her. We are headed home for a couple weeks before we head back north for McCook, Broken Bow, 5- States, Fizz Bomb and the Parker Wood. It will be nice to be home for a while and let her rest. She deserves it!"

# Odle Crowned 2016 National High School Rodeo Association Champion Barrel Racer

By Hope Sickler

18-year-old Alex Odle from Brush, Colorado made three smooth, fast and clean runs at this year's National High School Rodeo Association Finals to earn herself her first National Championship. Odle ran BR Archie Boone, an 8-year-old by Dashing Investment and out of Boons Cowgirl by Boon Bay, to the win with a total time on three of 51.681-seconds.

"I still cannot believe it. It doesn't feel real but I am so very thankful and blessed. The competition was tough and they were a lot of very nice runs made all week so I am feeling very fortunate that "Archie" and I pulled off the win," explained Odle.

"Archie" as she affectionately calls her partner in crime on the barrel pattern was bought from Martha Josey when he was a 5-year-old.

"My old horse at the time had gotten hurt so we started the process of looking for a replacement. We went down to Texas and to the Josey's and we ended up looking at "Archie". He was actually going to be Martha's horse but I got along with him so well that she decided to sell him to us."

While Odle and "Archie" had to get to know one another, it didn't take them long to forge a bond both inside and outside the arena.

"He is a very special horse but you would not guess him to be a typical barrel horse. He is very laid back, almost to the point of lazy and a dead head," laughed Odle. "He walks right into the arena and doesn't get worked up for much of anything. He is very deceiving which I think is cool because he tends to surprise our competition." Odle, who did not grow up in a rodeo-based family, has had support in the arena from the Segelke family and support outside the arena from her family who have been there since day 1 making her dreams come true.

"My support system is phenomenal. I have a wonderful family who does anything and everything possible to make my dreams a reality and the Segelke family has went above and beyond in helping me become the rider and competitor that I am today."

Support systems are a piece of the puzzle that mold a champion and Odle is grateful that some of family and friends were able to be in Gillette to watch her compete. Odle made her runs in the barrels both on Wednesday; her first run Wednesday morning and her second run Wednesday evening.

In her first run, Odle made sure that she took "Archie" at a slower speed to the first barrel to guarantee that they turn it tight. With a time of 17.292, Odle finished 5th in the first round. With only a few hours to prepare for her second run since she was up the same day in both rounds, Odle made sure that "Archie" was well taken care of and got some good rest before their run that evening.

Running a 17.172 in her second run, Odle had to wait a couple more days for the rest of the barrel racers to run their second one before she knew if she was coming back to the short round or not. When the second round was all said and done, Odle finished 3rd in the round and was heading into the short round on Sunday in a very good spot.

"I was very anxious for the short round. I couldn't sleep and I was ready to run and to capitalize on what I had hoped to do," Odle explained.

In the short round, Odle knew that she had to make a clean run

and the rest would take care of itself. Getting by the barrels some to keep them upright, Odle clocked a 17.216 which finished third in the short round behind Sadie Leyba from Nevada and Karson Bradley from Wyoming.

With three solid runs, Odle won the aggregate and was crowned this year's NHSRA Champion Barrel Racer.

"I am so very thankful and I am looking forward to what the future has in store for us. I will attend college at South Plains College in Levelland, Texas next year majoring in Ag Business and Pre-Vet on a rodeo scholarship and I hope to add a few more national championships to my resume."

# Abby Gray & Docs Reckless Win Youth Division Champion at NBHA World

By Tanya Randall

The Gray and Wise families have a pretty good formula when it comes to winning NBHA Youth World titles. In 2012, it was Chloe Gray winning the Teen World Championship aboard Sixums Lady Luck, formerly owned by Carl Wise and his daughter Kassie Newman. In 2016, it was 14-year-old Abby's turn with Carl's 2015 NBHA Open 1D Reserve World Champion Docs Reckless.

"It was a great experience," said Abby Gray. "I'm just still on Cloud 9 about the whole thing. It was a lot of pressure riding a horse like that, one that had won so many titles with Mr. Carl. It was just awesome. It was awesome to help him get another world title."

Gray had never thrown a leg across Doc until the NBHA Youth World. To get them some confidence together, Wise had them make the trip to nearby Unadilla for slow work before each run.

"Unadilla and Perry aren't very far apart and both are indoor pens," noted Carl Wise. "We'd go down there two hours before she'd run and I'd just let her trot through a couple of times and slow canter and we'd go back up there and run. That's what I do a lot of time when I'm running at the World Show and it really seemed to help since she had never run him much."

Gray was still "very nervous" before their first run, a fourth-place finishing effort of 14.914.

"I really didn't know what to expect," she said. "I was just hoping for the best."

They got by the first barrel on their second run, but still won the round with a 14.922.

"I told her that he'd run a little better each time so she just

is he is pretty automatic, but you have to do a little something. He's got a lot of try in him and he doesn't like to lose. He's got all the heart in the world as far as wanting to do and wanting to run."

In the Finals, Gray and Doc had the first barrel down pat. "I was toward the end," said Gray, who turned in a victorious 14.836. "I was 148 out of 151 in Finals. It was very nerve wracking and I was praying that I came out on top. There were several really nice horse left to run. I was just praying my run would hold."

Gray also qualified for the Finals aboard her own horse His Effort Can Do It, who finished fifth in the second go. All totaled, she won \$4,454 in Perry, Ga.

The incoming high school freshman followed her sister's footsteps into the barrel racing arena.

"My sister started when she was 8 or 9 and I wanted to be just like her so I started running barrels around 3 or 4," she said. "My dad had always had horses so we'd always been around them, long before we started to barrel racing."

Gray wanted to thank her parents Christian and Misty Gray "for doing everything and helping me to get to where I am in my barrel racing career," and the Wise family. "I want to thank Carl and Gina Wise and Kassie (Wise Newman) for the opportunity to ride such an amazing athlete," she said. "Not that many people get the opportunity to ride a horse that special. Doc is Mr. Carl's baby, so I felt honored to be able to run him there and make him proud with the runs we had."

# Hitting the Jackpot -- Carly Taylor & Diva Deniro Win Teen World Championship at NBHA World

By Tanya Randall

Carly Todd had an exceptional NBHA Youth World Championship. The 17-year-old from Clinton, Tenn., had two prime bullets in her gun—Diva Deniro [sic] and Blue Blazin Hot Fling (“Django”)—to fire for a chance to the Teen Division 1D World Championship.

The ultimate glory went to her 5-year-old mare Diva, who clocked the fastest time in the Finals to win the championship.

“At first I was kind of nervous,” said Taylor of running Diva in the Finals. “I really held it together better than I thought I would. When she took off down the alley, I just had a feeling that she was going to make a super nice run. When we came out I was super excited.”

Taylor didn’t have long to reflect on her good fortune as she had to run Django 30 horses later. He was run 196 out of a 201 head finals. The 6-year-old gelding ended up 15th overall in the 1D.

“I swear the big drag they had a 200 felt like it took forever!” laughed Taylor, who wanted to thank her parents Ben and Suzanne for all their help and support as well as Josh Pack.

Taylor, a homeschooled senior, had qualified for the Finals in the first go. Both of her horses ran 15.2s, with Diva placing 16th and Django placing 20th. Both horses were out of the money, so she agonized over making her second runs.

“It was a hard decision, because it was so hot, if I wanted to run them again or if I just wanted to wait for the finals,” she said. The decision to run again turned out to be a profitable one, with Django winning the second round with the fastest time of the event, a 14.761 and Diva placing fourth with a 14.927.

All totaled, Taylor pocketed \$6,658 between the two horses.

Taylor first partnered with Diva, a daughter of WPRCA World Champion Sire PC Frenchmans Hayday out of KC Bully, by Bully Bullion, before last year’s Youth World when she purchased the mare from Liz Michael of Paris, Ohio. She’d had Django, who is by A Streak Of Fling out of Ima Blue Dragon, by Final Conquest, longer, having purchased the gelding as a 3-year-old from the Holland family of Lavonia, Ga.

She said her dad gets the credit for picking out and buying such nice horses. Ironically, neither of her parents had a background in horses or barrel racing. It wasn’t until the family moved into their current home when Taylor was 6 that they bought their first horse.

“The people who lived here before us had horses,” said Taylor, who credits trial-and-error as her biggest teacher. “We saw them and always wanted to play with them, so then my dad bought horses. He’d actually planned on my brother getting into barrel racing, but he never really took up with it, but I did. I was the one out with the horses and he never really cared about it.”

# Champion Barrel Horse HM Cornerstone Passes

By Tanya Randall

NBHA Open 1D World Champion and BFA World Futurity Champion HM Cornerstone passed away on June 23, following a competition injury at the NBHA Youth World Championships. The great gelding, who earned nearly \$200,000 in his competitive career, was just 11.

"He was a sweet, beautiful individual," said his owner Johnny Kight of Hazelhurst, Ga. "Losing him is like losing a family member."

Bred by Herb Mullis, Cornerstone was named after the Cornerstone Baptist Church. He was by Docs Getting Reckless out of the Royal Quick Dash, Bully Bullion mare Bashful Dash.

Kight bought Cornerstone when he was a 2-year-old and started him on the barrels. The gelding began his competitive career with Kassie Wise Newman and then was ridden by Heath Holland and Talmadge Green before Kebo Almond took the reins before the 2011 Old Fort Days Futurity.

Almond and Cornerstone just clicked. Together they won the 2011 NBHA and BFA titles. Cornerstone was the first 4-year-old to win both titles in the same year. The following year they won the inaugural Diamonds & Dirt Open and Derby with the fastest time of the event, earning a Rolex watch. They won the Classic Equine BRN4D Derby in Arizona and topped many big races on the East Coast, like the Fiddler's Turkey Run. Almond and Cornerstone also qualified for the Semifinals of RFD-TV's The American, finishing just one out in the progressive round of the Semis.

"He was a horse you could always count on," Almond said. "He was so solid, plus he was just a joy to be around."

In a moving Facebook post, Almond wrote:

"As a barrel horse trainer and jockey you do not always get to own the horses you ride, but you do get to love them. Cornerstone was a horse that I loved, and anyone that has ridden him or watched him run could see he was a special horse.

He brought out the best in me, and I always said that I wanted to show to everyone what he could do. He and I had a lot of conversations together. We had ups and downs, good runs and tipped barrels, but I will always be grateful to Johnny Kight for the opportunity to ride such a great horse and to Cornerstone for changing my life and fulfilling a lot of my dreams.

He was a friend, a teammate, and a damn good horse. Rest in peace, Cornerstone."

Cornerstone went on to win with many different riders including Kyle Noon and Tyler Crosby.

With Crosby, Cornerstone won the 2D World Championship in the Teen Division at the 2015 NBHA Youth World Show. They were hoping to better the effort at the 2016 when the gelding fractured his pelvis turning the second barrel.

His connections attempted to get the great gelding to Auburn University but he succumbed during the trailer ride. Veterinarians suspect that the fracture severed an artery, which caused his death. Cornerstone will be remembered for his impressive championships, beautiful runs and winning disposition.

Has anyone out there besides me ever had trouble keeping your mouth shut??? I guess it really does depend on your personality. Some people get tongue tied if they have to order at a restaurant and others try to order for everybody!

But WHEN should we speak up? For me, it's always SPEAK UP!!! However, I thank God that He is working on me to hear Him FIRST. In Matthew 12:34-37 it says, "O generation of vipers, how can ye, being evil, speak good things? For out of the abundance of the heart the mouth speaketh. A good man out of the good treasure of the heart bringeth forth good things: and an evil man out of the evil treasure bringeth forth evil things. But I say unto you, that every idle word that men shall speak, they shall give account thereof in the day of judgment. For by thy words thou shalt be justified, and by thy words thou shalt be condemned." So we need to put good things in our hearts and minds so when we open our

mouths, something good comes out.

And HOW do we do it? Eph. 4:15 says, "speaking the truth in love....". Anytime we open our mouth, we should be talking in love. Sometimes, doggone it, the truth hurts! But if we will say whatever we have to say, LOVING THE PERSON we are talking to, it will go better for everyone! God is LOVE and He speaks to us in love. We shouldn't do it any other way either!
