Sears Joins Panhandle Rock and Roll Team

Panhandle Slim, the Fort Worth, Texas based western wear manufacturer is excited to announce the signing of World Champion Barrel Racer Lindsay Sears to promote the brand in the Rodeo and Western Lifestyle community.

Known for her chic clothing style, Lindsay Sears reads Vogue and Glamour magazines, wears low-rise jeans and waits eagerly for "Fashion Week" in New York and London every year. "I have finally found a brand of clothing that has a great fit and at the same time a cutting edge look", said Lindsay Sears, "Nothing fits me like my Rock and Roll Cowgirl Jeans....except maybe Martha"

"I am very excited to be a part of the Panhandle Slim team and look forward to working with everyone at Panhandle Slim"

Lindsay, who hails from Nanton, Alberta, Canada travels the rodeo trail in both the United States and Canada each year. She has dominated the barrel racing on her great mare, Martha – the 2008 AQHA/WPRA horse of the year, winning every major rodeo including the National Finals Rodeo in Las Vegas, NV to become a World Champion Barrel Racer.

Becoming a part of the Panhandle Rock and Roll ProRodeo Team, Lindsay joins rodeo great Tuff Hedeman, Professional Bull Rider Pistol Robinson, World Champion Saddle Bronc Rider Jesse Kruse, 14 time NFR Steer Wrestling qualifier Todd Suhn, PRCA Cowboys JJ Elshere and Joe Gunderson, and fellow WPRA barrel racers Britany Fleck, Jordan Peterson Briggs, and Carlee Pierce.

Panhandle Slim is a division of Westmoor Mfg. Co., founded in 1946 in Minneapolis, MN by brothers Ernest and Martin Hochster. In 1975, the headquarters moved to Ft. Worth, TX where it has remained since. The family owned company, now in its third generation, continues to be a major force in the western apparel industry. Today, Westmoor Mfg Co. owns and distributes six major premium clothing brands: Panhandle Slim, Rough Stock, 90 Proof, Powder River, Rock and Roll Cowgirl, and Rock and Roll Cowboy.

Brazile Adds Cowboy Christmas Record To Résumé

When Trevor Brazile has a Cowboy Christmas run this dominating – breaking Ty Murray's earnings record with \$39,993 – it is hard not to start thinking the unthinkable. As in? Is he capable of a Grand Slam, winning the team roping, tie-down roping, steer roping and all-around gold buckles in the same year?

He won his second Triple Crown a year ago, missing the unprecedented slam only because he finished second in the steer roping standings, and he knows just exactly how difficult it is to get everything to align for that sort of parlay.

"I haven't thought about (the slam) that much," Brazile said. "That's how up and down rodeo is. I was probably \$30,000 behind in the calf roping this year from where I have been the past few years at this point. So, you just never know.

"That's why the mental game is so important. You've got to be optimistic and think you're going to win more than you ever won any other time of the year. It's a give- and-take deal. You can't always win the same rodeos, but there are plenty of chances to win at other ones out there."

Brazile led all tie-down ropers with earnings of \$28,089 over the Fourth of July week commonly known as "Cowboy Christmas" and made another \$11,904 with team roping partner Patrick Smith to break the record for total earnings of \$37,630 set by Ty Murray in 1999.

Brazile certainly didn't stint on the travel last week, going from Reno, Nev., to Canada for stops in High River, Airdrie and Ponoka, before heading off to Prescott, Ariz., Molalla, Ore., St. Paul, Ore., Red Lodge, Mont., Livingston, Mont., and back to Ponoka. He finished up the week with the win at the Cody Stampede on the Fourth of July.

"Cody really topped off the week," Brazile said. "It always helps to finish off the week strong. I won almost \$10,000 there.

"I had such good help this week that I didn't have to get on a lot of other (peoples') horses. I owe a lot to Chad Baker; he's helped me for the last four or five years. He drove his tail off so I could have horses where I needed them. It helps me not have to get on horses I'm not familiar with. Chad went to high school with me and has been my best friend for no telling how long. He knows things about me people shouldn't know."

The complete Top 10: 1 Trevor Brazile (TR/TD) \$39,993; 2 Wesley Silcox (BR) \$29,186; 3 Taos Muncy (SB) \$26,489; 4 Shane Hanchey (TD) \$25,121; 5 Lindsay Sears (GBR) \$23,838; 6 Curtis Cassidy (SW/TD) \$22,146; 7 Cody DeMers (BB) \$20,192; 8 Clint Cannon (BB) \$20,155; 9 Shane Proctor (BR) \$18,987; 10 Steve Woolsey (BR) \$18,953. There were 59 contestants who earned more than \$10,000 during the week.

Well the tuning paid off big time with a first round win at Ponoka by .25 seconds and an arena record. She then returned in the Championship Round to win 3rd and 1st in the average. Then her and Real Claim To Fame got a barrel in the bonus round but still grabbed an additional \$1,000. That brought their total for Ponoka to a whopping \$14,716. Add that to a good run at Cody that grabbed their 9th place and another \$1,496, a 10th place at Airdrie for another \$813 and their Fourth total rings in at \$17,025! Even more impressive is the fact that Idaho Sue Smith and her traveling partner Sammi Bessert only went to four rodeos. Going to Airdrie and Ponoka in Canada, then they snuck down to Cody and Livingston before heading back to Ponoka for the Championship Round. Their easy schedule worked out just about right because in addition to Smith and Claimer winning \$17,025, Sammi Bessert and Terrible Tommy Twist pulled in an additional \$10,948 bringing the rig total to over \$28k! That is \$7k per rodeo for that rig. Real Claim To Fame gets better with more runs so he should be primed and ready for Vernal this Thursday, then Smith is off to Calgary for the second set.</p> <p>SPONSORS: Iconoclast, Silver Bit Ranch, Seabuck, Coats Saddlery, Elliot Bit & Spur</p>

NOTES: Lindsay Sears is back in a familiar position, #1 money earner on the weekend; however after Round 9 at last year's NFR she didn't know if it would happen for a while if at all again. Martha (Sugar Moon Express) had severely injured her stifle, similar to someone blowing out their knee in football. Sears didn't know when or if Martha would be running barrels again at the level they were used to. Sears took Martha home after the NFR and her vet started trying a variety of different new treatments. The injury was such they knew it was going to take some measure of a miracle for her to get back running so they tried it all. Those treatments mixed with rest worked out just right. After over 4 months of stall rest at night and a 40 x 40 pen during the day her stifle ultrasounded clean and her exercise program was set in motion. First, just walking for minutes at a time on a walker in April, then by the middle of April she was on the walker an hour a day, then an hour and a half by the first of May. The first week of May, Sears was on Martha's back starting slowly and continually working up to more exercise. Her rehab included lots of walking but all that time seems to be paying off in spades! Martha's first rodeo back was in Sisters, OR, their first run at Reno was their third run back and then they went straight into Cowboy Christmas. Sears used her remuda of horses to her advantage over the Fourth, riding Moe (Ima Guy Of Honor) at Greeley (total earnings \$4,172), Martha (Sugar Moon Express) at Ponoka, Livingston, and Cody (total earnings \$19,666) and DJ Nick Bar at Williams Lake and Airdrie (tipped barrels). Last year, Sears was the high money earner for the Fourth (\$21k) using a similar travel schedule and flying between the rodeos. Again the plan worked to perfection. Even though Sears kept a rigorous schedule, her horses were well rested and ready to the tune of \$23,838 in earnings and the #1 money position over the Fourth for the second year in a row. Her earnings jumped her from #12 in the WPRA World Pro Rodeo Standings to #5.

NOTES: Ever have one of those days where nothing goes right? You know, the car won't start, you have a bad meeting at work, you sit in the doctor's office for an hour before they finally get to you. Well, about a month ago Angie Meadors had one of those days when the owners of Fantasia Fame decided to go a different direction with her. Meadors was entered in rodeos and didn't know what she was going to ride. Well, with a little help from Bo Hill and Latricia Duke (Heza Bug Leo's trainer), owners Trip & Callie Duperier had Meadors come down to see if she could get along with futurity & derby standout Heza Bug Leo (Bugs). Heza Bug Leo has placed in or won nearly every futurity and derby there is over the last couple years and was bidding his time waiting for his next mission. After one quick breeze through the barrels Duke knew Meadors and Bugs would be a match. Meadors made a plan to take him to North Platte, NE and Weatherford, TX and if he could place then they would head to Reno and then on to the Fourth of July rodeos. At Weatherford, Bugs pulled the check from the last hole, so they were on to Reno and the big time. After that, Meadors figured she would wait until Greeley to see if they could hit the road to Calgary and the rest of the summer. The experiment is going well! Meadors and Heza Bug Leo won 3rd at Cody and 2nd in the Average in Greeley on the way to a total haul of \$15,870! With those earnings, Meadors went from being nowhere in the World Standings to #18 and now they are hot on the trail to another NFR. "I am just so very thankful to Heza Bug Leo's owners Trip & Callie Duperier, his trainer Latricia Duke, and Bo Hill for giving me this opportunity." Meadors said. "I think it says a lot about Latricia's training that a 6 year old who has never been to rodeos can go out and run with the big boys like this." Now Meadors is on her way to run in the first set at Calgary and then on to Casper, Sheridan, and then Cheyenne. In just ten runs, Heza Bug Leo has now made \$17k. Interestingly, another Duke trainee, Yeah Hes Firen won \$13,222, so on the weekend Duke trained horses won a little over \$29k!

NOTES: When a team like Sherry Cervi and Tammy Fischer buddy up for the Fourth of July Rodeos you expect to see quite a bit of winning, but maybe not to the tune of the \$30,000 that the two of them won. Cervi and Fischer entered 8 rodeos together, they traveled in their own rigs but entered together. Cervi and Fischer both went to Ponoka, Airdrie, Molalla, Eugene, St Paul and Cody and Fischer snuck away to Red Lodge as well. Cervi placed along everywhere she went but her and MP Meter My Hay's (Stingray) win at St Paul, OR for \$7,102 pushed their earnings up to \$16,618. Cervi and MP Meter My Hay were accompanied by another homebred horse MP A Man With Roses (George) as a backup, Cody Hannah doing the driving, and her normal passel of pets that keeps the road like home. It just shows that when two veterans team up for a Fourth of July run, they bring their own fireworks! Cervi is now headed off to Vernal, Laramie, Sheridan, Casper and Colorado Springs.

RIDER/OWNER: SARAH McDONALD; BREEDER: SHANNON RENEE AKERSTORM

THE RUNDOWN: SARAH McDONALD

HORSE: Fame Fling N Bling

Grey Roan Gelding, 5 years old, 15 hh, 1100 lbs.

HORSE HISTORY: My Uncle Stephen and his friend Larry D Ammons bought her at the Fulton Performance Horse & Production Sale in Valentine, Nebraska as a yearling.

BIT: Lifter Bit, no headgear

SADDLE: Mike Green Frontier

PAD: Professionals Choice Charmayne James SMX

LEG GEAR: Legacy front and back boots

GRAIN: Tribute

SUPPLEMENTS: Ultrabloom

HAY: Hay in the morning, Alfalfa at night

ADDITIONAL HORSE CARE: Aluminum on all 4, Occasional chiropractic work, I give them breaks after every 3 day show and days off after a every show. I think it is important for a horse to be turned out to run and eat grass as well as be able to act like a horse.

#1 TRAINING OR RIDING TRIP: My Uncle Stephen is a very good trainer and he starts my horses. I help finish them and haul them to the shows. We make sure that the colts are not being pressured and that they go their own speed until they show that they are ready to be advanced. I like for a horse to be broken in the face before they ever see a barrel. They usually will not need any headgear. I try to keep my open horses in shape by long trotting and loping a good bit. I do not drill them at home on the barrels except for walking for trotting if needed to fix a problem. I like for a horse to move off of my rein. I am currently riding two left handed horses, but it just ended up that they worked that way better. I have recently been working very hard at sitting up and making sure I wait until I am past the barrel to make a move. My goal this year is to make as many smooth clean runs as possible without picking up any bad habits.

FLICK N COYOTE - 2005 Black 15.2 hand Gelding

Dr Meter Reader si 90-Shaka Flick si 105, No Brakes Now si 104

Wiley is a gentle, really broke gelding that will fit any age rider. He is running in the 2D and 3D and has the potential to be a 1D horse. He has been hauled in TX and OK and has already won slightly under \$2500. He loves to run barrels and is a pleasure to ride, he spins, has big stops, counter arcs and bends any way you would want. Light and rides around in a Junior Cowhorse bit. His sire is a Stakes winner on the track and his dam is a Stakes winner who is also a track record holder. Wiley has a lot of personality and will be smarter than most of your friends! He loves people and would enjoy having someone dote on him. Would make a great youth horse or great for someone who just wants to have fun at the barrel races. Home Raised, \$12,500

SOLID BARREL MARE-READY TO HAUL!

HUMMER CANDY CAN - 2003 Sorrel Tobiano 15.1 hand Mare *Humbolt Duster-Indians Katie Girl, One Tuff Indian*

Gentle, solid built mare that has been ridden and patterned on the barrels for 4 years by my 58 year old mother. Solid on the pattern, now we're just asking her for a little speed. She's run in the 2D at a local show and has won checks in the 4D with limited hauling.

Candy is a sound, stout built, tough horse that is ready to be hauled more. Nothing bothers her, she is the same at the shows as she is at home. Gentle enough for youth to older rider. Very well broke, can move all 5 body parts, flexes, counter bends etc. Home Raised mare. Her sire, Humbolt Duster, has produced many arena horses and her dam has produced a Paint Racing stakes qualifier. \$6500

Headin' For Home

by Mike Morrison
Triple M (Mike Morrison Ministries)

Some times when you're training a young horse, you have to back to the round pen for a refresher course in basics. It's the same with us, too. We can get so caught up in our daily pursuits that we neglect the basic things for a satisfying and productive walk with God.

But, you argue that you have bills and unexpected expenses to cover. Your job is so demanding, there's health issues and your kids are giving you all sorts of grief. You are so busy with life in the world that you don't have time for a spiritual life. Don't forget you are a spirit! You're a three-part person. You're a spirit, you have a soul (mind, will and emotions), and you live in a body.

It tells us in John 4:24, "God is Spirit, and those who worship Him must worship in spirit and truth." That's good because we don't need an appointment to talk to God. We can call Him at any time and He will answer us and direct us in all our ways. If you've made Jesus the Lord of your life, (Romans 10:9) you're in God's family and heaven's unlimited resources are yours!

Read John 14 and 15 to see how God has provided for us through Jesus Christ. Read your Bible, pray and look for a good Bible study group where you can learn and fellowship with other believers. We can help you, too, and it won't cost you a dime. We send out teaching CDs all over the country free of charge so you can study in the privacy of your own home and in your free time. Just send your name and address to us at Box 2439, Gillette, WY 82717 to get on our mailing list. Or you can log on to www.m-m-m.org to get updated messages. Don't wait. There's an exciting world out there!
