Melvin and My Guy Make All the Right Moves

THE RUNDOWN: HALLIE MELVIN

HORSE: Whats A Guy To Do "My Guy"
Sorrel Gelding, 5 Years Old, 15 hands, 1100 lbs.

OWNER: Mick & Anita Strohschein

HISTORY: I picked him after Walla Walla about the middle of April. He was really well broke; Tom Wagoner had broke him so he had a really good foundation and it was really easy for him to go to the barrels. I just started him slow and started exhibiting him the middle of June and by the middle of July I was entering him already after only exhibiting him probably twice. He is just a really natural barrel horse. I had run him at the Barrel Bash in Rapid City, SD and the Red White And Run Futurity before this weekend's Dash & Dance Futurity. If he wouldn't have tipped in the 2nd Round at the Red White And Run he would have won 1st or 2nd. He had only run 5 times in competition before the Dash & Dance Futurity and ended up winning it and a total of \$4,655. I was pretty happy with that!

BIT: Twisted O Ring Snaffle

HEADGEAR: None

SADDLE: Dale Martin Barrel Saddle

PAD: Wyoming Tack Wool Pad

LEG GEAR: Classic Equine bell boots & front boots

GRAIN: Woody's Summer Heat

SUPPLEMENTS: Royal Champion Supplement

HAY: Alfalfa

SHOEING: Just basic shoeing, steel rim shoes on all four

SPONSORS: Royal Champion Supplements

BRR: TELL US A LITTLE ABOUT YOUR RUNS?

Melvin: He is really smooth to ride and doesn't really feel like he is going anywhere so you feel like you are in slow motion. He can really cover ground. When I started him he felt really explosive when he left a barrel. He was a forward motion kind of horse when I worked him and those horses usually clock really well so I figured he would clock good as well. When I say a "forward motion" horse it means a horse that keeps moving forward throughout the turn, in other words they keep their forward momentum going throughout the whole turn. I felt like he made two really solid runs for a horse that hadn't been run that much. He is just kind of getting his job figured out so it is pretty fun.

BRR: WHAT HELPED MY GUY GET TO THE WINNER'S CIRCLE SO QUICKLY?

Melvin: The combination of the foundation he had along with his natural ability to want to be a barrel horse, helped him get there this quickly. He has what I call "want to"!

BRR: WHAT ARE YOUR PLANS FOR MY GUY AND YOUR OTHER HORSES FOR THE FALL?

Melvin: We are just going to continue to go to the fall breeders futurities (Cornhusker Futurity, Roper Apparel & Footwear Futurity, 5 State Breeders Futurity, Fizz Bomb Futurity, Roper Rally Futurity, Grid Iron Futurity, Hawki Futurity, WPRA Finals Futurity). Then we will probably go to Waco (JBQH Creating Legends Futurity) this fall and a couple of my horses will go on to the BFA in Oklahoma City.

Road To The Extreme Mustang Makeover Slot Barrel Race

Better Barrel Races has joined with The Mustang Heritage Foundation (MHF) to present the first ever Extreme Mustang Makeover Slot Barrel Race. The event will be held in conjunction with the \$15,000 Added BBR OK-TX Regional Challenge Finals at the Diamond W Arena - Alvarado, TX, over the November 16-18, 2012 weekend. 32 applications were received with 25 Trainers being approved by MHF/EMM and the Bureau of Land Management (BLM) to compete for the estimated \$20,000 purse and a \$10,000 first place pay check. The purse is based on MHF/EMM contributing \$1,000 per horse on 20 head actually competing in November. Should all 25 mustangs make the competition the purse will increase to \$25,000.

The mustangs selected for this competition were hand picked by Byron Hogan of EMM. It was Hogan's desire to put together approximately 30 head of 3 and 4 year old bay, brown and sorrel mares of comparable size, conformation and motion. Horses were then drawn and assigned to trainers by EMM. 24 of the trainers picked up their assigned mustang Friday August 3, while one made arrangements to pick up his mustang on Monday, August 5.

Trainers travelled, or sent haulers in their stead, from as far away as Arizona, North Dakota and Florida to pick their assigned horses. The trainers include Fawna Lee Abel -Houston, TX, Crystal Bailey - Alvin, TX, Caitie Bellinger - Flower Mound, TX, Lacinda Bengston - Bluejacket, OK, Jamie Ogburn - Lake City, FL, Amy Crawford - Broken Bow, OK, Kari Lee Eddleman - Salado, TX, Clinton Foster - Ft. Worth, TX, Lance Graves - Hartshorne, OK, Melissa Griffith - Argyle, TX, Brittany Horne - St. Augustine, TX, Susan Hanna - Killdeer, ND, Sheena O'Gorman - Rose Hill, KS, Melanie Kessler - El Paso, TX, Addie Monroe - Dragoon, AZ, Jennifer Williams - Tioga, TX, Patricia Nuernberg - Antlers, OK, Heather Plummer - Sedalia, MO, Anna Schaben - Arapahoe, NE, Kelli Sema - Cleveland, TX, Molly Sherrill - Desert Hills, AZ, Stephanie Swope - Peck, KS, Fallon Taylor - Whitesboro, TX, Dusty Voorhies - Ashland, KS and Jed Ward - El Dorado, KS.

BBR will follow trainers progress over the 100 day period between load out and competition. This set of mustangs will be offered for sale at the conclusion of the Extreme Mustang Makeover Slot Barrel Race competition on Sunday, November 18.

Boot Barn Announces Agreement To Acquire RCC Western Stores

Boot Barn, America's favorite western and work wear store, has reached an agreement to acquire RCC Western Stores, including

the company's 29 stores and online retail website (www.rccwestern-stores.com.) Boot Barn stores are located in the Western half of the United States while RCC has a strong presence in the Midwest and South. The combined company will be the largest specialty retailer in the industry, with stores coast to coast.

RCC Western Stores is one of the nation's oldest and most respected western lifestyle retailers and was founded in 1948 as Rapid City Clothing in Rapid City, South Dakota. Over 64 years, RCC Western Stores has expanded into 12 states from North Dakota to Florida. "We have a tremendous amount of respect for Bob Hoover and his top notch management team, along with the strong company they have created. The management and customer service philosophies mirror Boot Barn's, making RCC Western Stores a perfect fit not only in terms of product offering, but also in commitment to the community and western lifestyle," said Peter Starrett, Chairman and CEO of Boot Barn.

With the acquisition of RCC Western Stores, Boot Barn will operate 115 stores in 20 states, as well as online shopping available via their respective websites.

Matrix Capital Markets Group served as the exclusive investment banker to RCC Western Stores and its shareholders. For more information, call 888-Boot-Barn or visit bootbarn.com.

It's About Time

In a unanimous 7-0 decision this week at Laurel Park, the Maryland Racing commission voted to change Secretariat's official time in the 1973 Preakness to 1:53, which eclipses the previous Preakness record of 1:54 set by Canonero II in 1971, as well as the 1:53 2/5 shared by Tank's Prospect (1985), Louis Quatorze (1996) and Curlin (2007).

Secretariat's record times in the 1 1/4 mile Kentucky Derby (1:59 2/5) and the 1 1/2 mile Belmont Stakes (2:24, against wind in the backstretch) also still stand. His official electronically recorded time in the Preakness was charted at 1:55, but changed to 1:54 2/5 two days later based on the Pimlico clocker's manually recorded time. But two staff members of the Daily Racing Form independently clocked the performance at 1:53 2/5, increasing doubt about the validity of the track's "officially" adjusted time.

"It is wonderful for the sport to remove an asterisk and wonderful for the legacy of Secretariat and his fans, who believed he set the record in all three Triple Crown races," said Leonard Lusky, who represented Secretariat's owner, Penny Chenery. It was Chenery and Tom Chuckas, president of Pimlico race track, who requested an investigation into the matter, and modern film synchronization techniques were called upon to resolve the controversy once and for all. --Courtesy of www.sallyharrison.com

Read what past interns have to say about the RVSW Program!

"The RVSW Undergraduate Internship is one of the strongest internships in the nation because the size of the business is paralleled by the involvement of the veterinarians and staff in meeting the individual learning goals of the student. It is very stimulating to work with professionals in the field that welcome interns and are dedicated to teaching them physiological theory as well as practical skills they need for the future." - Megan Born

"All that I am learning is only confirmation that equine reproduction is the area that I wish to work in. This area of study fascinates me... I believe that RVSW has a great internship program. Everyone here is warm and friendly making it a great work environment. Interning (here) has improved my knowledge of equine reproduction immensely. My internship at Royal Vista Southwest has truly been a life changing experience." - Christina Gosch

Atkinson Gives A Fine Performance

THE RUNDOWN: JILL ATKINSON

HORSE: RNL A Fine Move "Mosaic"
Sorrel Mare, 5 Years Old, 15.1 hands, 1200 lbs.

OWNER: Ross Parker (Dad) and Jill Atkinson

HISTORY: We bought her from Ron & Laurie Moosman, who trains racehorses; he ran her on the track. We go down to their barn and look at their horses a lot after they run them. After her 2 year old year of racing my Dad and I went down and bought her. My brother-in-law, Joe Ruiz, rode her and got her more broke and then I took her to the barrels. She was pretty easy to train. She's a nervous horse so I have to warm her up quiet and keep her away from everything until I run but she really tries hard. She placed at the Pasco, WA Sand Cup Futurity Average, placed in the 2nd Round of the VGBRA Futurity, placed at the UBRA Futurity, and now she has won the Idaho Barrel Futurity. She has won approximately \$7,000 so far this year.

BIT: Short shanked snaffle that my brother-in-law Joe Ruiz made

HEADGEAR: Rope tiedown

SADDLE: Merrill Barrel Saddle

PAD: Ed Wright Wool Pad

LEG GEAR: Classic Equine bell boots & splint boots

GRAIN: A little bit of oats

SUPPLEMENTS: Fastrack

HAY: Alfalfa

ADDITIONAL CARE & SHOEING: My husband (Jim) shoes her, steel rims on front, plain shoes on back, just normal shoeing.

BRR: TELL US A LITTLE ABOUT YOUR RUNS?

Atkinson: She kind of surprised me her first run, it was a nice run but I didn't realize she was running that hard until I looked at the clock. In the second run, she slipped on the first and the second barrel but kept trying and still clocked good enough to win the average.

Bass Back At It - 2012 NFR On the Horizon

Kaley Bass and Wonders Cowboy Dan lit up the plains again this week. Bass won Lawton, OK, Lovington, NM and Sikeston, MO. All totaled she won a whopping \$11,463 for 50.73 seconds of work. That's around \$226 per second! Plus she placed at Missoula, MT to bring her total earnings for the weekend to \$12,416. Over the last two weeks alone she has won an amazing \$25,299. Those winnings put her total earnings to \$63,343 in the WPRA World Standings for the year and gives her a virtual lock on her first NFR berth. Her backup horse, Girl Pal Wonder, is a full sister (one year younger) to her main horse Wonders Cowboy Dan...Sherry Cervi placed several times over the weekend to push herself into the #8 position in the World with \$64,797 in earnings. Looking back, in the World Standings as of June 4 she sat back in #16 position with only a little over \$24k in earnings; so in 2 1/2 short months the veteran team of Cervi and Stingray (Mp Meter My Hay) have won \$40k to put themselves in position for another NFR and another 10 runs in the Thomas & Mack where they are always dangerous...It is only about a month and a half from the end of the rodeo season and the standings are starting to tighten up. The top 7 have stayed basically the same but those last 5 spots or so are up for grabs and it is going to be a battle to the end. #8 - #16 as of August 14, 2012:

- 8 Sherry Cervi \$64,797
- 9 Lisa Lockhart \$64,767
- 10 Kaley Bass \$63,343
- 11 Christina Richman \$53,672
- 12 Trula Churchill \$48,124
- 13 Kelli Tolbert \$44,870
- 14 Robyn Herring \$43,276
- 15 Sammi Bessert \$42,689
- 16 Fallon Taylor \$42,433

LeeAnn Rust, Tana Renick, Britany Fleck, Liz Combs, Emily Eford, Randa Kellogg, and Christy Lofin are all within \$10k of the 15th spot as well. Last year the it took \$60,588 to earn the 15th spot. In previous years it is has bounced between \$50-\$60k. It should be interesting to see which barrel racers hit a hot streak in the late summer!...Over the weekend, rodeo veteran Molly Powell and her new mount Missy (Quixotes Bar Chex) won Omak, Wash. and a big \$3,004 check and placed 4th in the Average at Hermiston, OR; she has placed along through the summer and with just a handful of rodeos sits #49 in the World with \$20,079. She currently doesn't have plans to try to make the 2012 NFR but keep an eye out for this team in 2013!...North of the border in Dawson Creek, BC, Gaileen Babcock and Cranna Roberts battled for the title there riding siblings. Both Babcock's, Possible Muffet and Roberts', Leaguer Moon are out of the same mare, The Miss Muffet by The Major Leaguer. Babcock and Possible Muffet were first and Roberts and Leaguer Moon were second...

RODEO NOTES WITH KALEY BASS

BRR: What has changed over the last month that has allowed you to make such a big move in the standings?

BASS: Nothing has really changed, I guess the horses have just been "on" the last two weeks. I just went in there doing what I always do and he (Cowboy) has just been running awesome. At Sikeston, my reins flipped over his head onto his right shoulder after I turned the first barrel and I had to lean forward leaving the second to flip the reins back over. I did the same thing there last year but he placed there last year too, so he must just like that arena.

BRR: Are your two full siblings Wonders Cowboy Dan and Girl Pal Wonder similar and different?

BASS: Girl Pal Wonder (Girl) is shorter strided and built shorter and stockier. She just isn't as consistent yet. I have more confidence in Cowboy (Wonders Cowboy Dan) right now but she can definitely go in and work too. The two horses have nearly the same personality, sometimes people who don't watch me run all the time can't even tell them apart from how they act and how they run. I like running Girl in big outdoor pens because she is hard to get by the barrels in a smaller setup. I know my horses well enough to ride them in any kind of arena. Cowboy can handle anything, good ground, bad ground or whatever. I have complete confidence in him. I guess that's the confidence that you have in a horse you have had since they were 3 years old!

BRR: What's it like to have your first NFR berth virtually locked up?

BASS: Everyone works their butt off and stays tough the whole year to make it there and once you do it's really exciting and nerve wracking all at the same time. I know the year isn't over yet either so I want to keep going in there pulling checks and having fun.

Headin' For Home

by Mike Morrison
Triple M (Mike Morrison Ministries)

When you start your run and cross the electric eye, time begins for your run. The clock is running. You want to do your best and there are great rewards for the winners. It's much the same way in life. The clock starts when we are born and it keeps running all the years during which we learn, are taught and tested.

Oh, we try so hard but, like a barrel horse, we have good days and bad days. There are times we stumble and fall, knock some of life's barrels over and even head the wrong direction. That's why we need Jesus in our lives.

Jesus said, "I am the Way, the Truth, and the Life. No one comes to the Father except through Me." Jesus is so full of love and mercy, that when we mess up, He is eager to forgive us if we just ask Him (John 14:6 and 1 John 1:9) He will help us get out of whatever mess we've gotten ourselves into. When satan intends for evil, God can change for good.

"We know that all things work together for good to those who love God, to those who are called according to His purpose," (Ro-

mans 8:28) God has a plan for each of our lives and God's plans are all good. If we follow His plan, our lives will be good, happy and peaceful.

Every day we should spend time with God in prayer. And don't do all the talking. Listen, too, and give God a chance to speak to you!

Remember the clock is running and your race in life will be determined by your relationship with Jesus. Make Jesus your Lord and Savior today and ask Him to show you His will for you and then help you to do it. You'll have the time of your life!
