## Jennifer Barrett & Beduinos Prospector Strike Gold at Farm City Rodeo in Hermiston

By Tanya Randall

Jennifer Barrett of Buhl, Idaho, and Beduinos Prospector ("Larry") topped the \$13,500-added Farm-City Pro Rodeo in Hermiston, Oregon, for \$4,218.

"Larry did very well this weekend," said Barrett of the 7-year-old gelding by the Mr Prospector (TB) son Prospector Street (TB) out of the Chicks A Blazin, On A High mare High AS Chicks. "He decided to turn it back on. He knew I was getting discouraged."

After winning the Wilderness Circuit Finals Rodeo last year, Barrett, a New York native, tried to expand her horizon this year.

"This is our first year of really trying," she said. "Last year we stayed in our circuit and hit a couple of the bigger three-day shows. This year we decided to pick and choose and go to some of the bigger added money rodeos. We've either hit or we've done well."

Lately, the second barrel bug was weighing heavily on her.

"I hit the second at Heber City last weekend and that just broke my heart," she said. "It broke my spirit. That was the straw. That is it! This is stupid. We are done."

To fix her barrel bug, Barrett took Larry to jackpot in Jerome, Idaho, that Sunday.

"I went right and he's a lefty," she said, thinking the direction switch would free up the gelding. "He turned the first barrel so hard I thought 'Oh my God!' He ran across to the second and gave me so much room. I was like 'Yes!' I cracked him twice to the third. I figured if we're freeing him up, why not? The second I quit whipping he went right like he was supposed to go back up the pen. He took a little detour and I got him back right and around third. We embarrassed ourselves pretty good and ended up in the bottom of the 2D. I don't think he wanted to be embarrassed anymore because or next run was Hermiston, and he was like, 'Oh sister, I've got this!' Don't make me go right!"

Barrett, with her husband Dusty at the wheel, started out in Thursday night slack at Hermiston. They turned right around and drove back home so Barrett, an x-ray technician, could go to work the next morning in Twin Falls, Idaho. When her workday was over at 3 that afternoon, they headed out to two circuit rodeos in Utah -- the Summit County Fair & Rodeo in Coalville and Cache County Fair & Rodeo in Logan.

They ended up placing fifth in Logan for \$859, which bumped their weekend earnings to \$5,077.

"We needed to hit some circuit rodeos and not hit any barrels and pick up some checks," she said. "I will grovel. I will do whatever it

takes to fix this monkey on my back. I think we've got it kind of figured out now. I know now if I start hitting the second again, I'll go back right and free him back up."

Barrett said the upcoming circuit rodeos—ones that she and Larry did well at last year—make her feel a little more comfortable about making the Wilderness Circuit Finals again this year. Her secondary focus is to stay with in the Top 40 in the WPRA World Standings to be able enter the larger winter rodeos.

"This year was a learning experience for us all," she said. "I'm still coming home each week to work. We've learned a lot. We picked a few that we won't go back to next year and we found a few that we probably should have gone to, but didn't, but will go to next year. I think we'll get a better game plan and feel. Not being from out here, we don't know. You don't know until you go, and you won't know if your horse has never been.

"I'm pretty happy with where we are and what we've learned. We have a much better game plan for next year. I'm just going to try to keep my eye on the top 36 and stay in the hunt at making sure we

The sale features some of the best bloodlines in the business; FLING A PENNY (last full sister to Fame Fling N Bling offered through the sale); STREAKIN SILKPANTIES (a filly by A Streak Of Fling out of 2 time Slot Race winner & earner of \$235k Famous Silk Panties by Dash Ta Fame); STREAKIN KINGFATIMA (a 2 yr old stud colt by A Streak Of Fling who is a full brother to Streakin Queenie LTE \$65k and Streakin Ta Corona LTE \$40K); A STREAKIN TRAFFIC (a buckskin stud colt by A Streak Of Fling out of the NFR Qualifying mare Morning Traffic by Frenchmans Guy); and 4 outstanding prospects by A Streak Of Fling & CS Flashlight that hail from the Fulton foundation broodmare line, Easy April Lena.

get a seat at those big winter rodeos.”

Barrett wanted to give special thanks to Sid Britt for “the phenomenal footing” at Hermiston. “It was greatly appreciated,” she said.

Barrett also wanted to thank her sponsor Arenus Animal Health and her husband, who serves as saddlemaker, farrier and driver.

“I tell my husband I could never leave him,” she laughed. “You make my saddles. You shoe my horse. You drive my butt everywhere!”

## THE RUNDOWN *w/Jennifer Barrett*

Beduinos Prospector “Larry” 15.1 hands, 1,000 lbs. “Everyone says, ‘I thought he was bigger.’ I’m just little; I’m like 5’3” and have no legs!”

BIT: Twisted O-ring snaffle

SADDLE: Dusty Barrett Saddlery

SADDLE PAD: 1” felt

LEG GEAR: Classic Equine Legacy II

SHOES: Husband is her farrier. Flat steel, wide-web shoe shod full in the heel with a lot of support.

FEED: Purina Ultium, Purina Outlast and pelleted beat pulp  
HAY: Alfalfa plus an alfalfa-grass mix and pasture “We come home as much as we can, so he can get on his pasture.”

SUPPLEMENTS: Arenus Animal Health--Assure Guard Gold, EQ-Well, Steadfast

ALTERNATIVE THERAPIES: Respond Laser, BeneFab Sheet, Sore No More Poulitice, ice after each run, Soft Rides “I ice him from his knees down after every run. I really think it’s important to pull the heat out their legs, let them breathe and have a chance to cool out before they go back in trailer. I think it’s worth it to take that extra 10 to 15 minutes. I only have one horse, so I’ve got to do everything I can to make him last a long time.”

CONDITIONING/TRAINING REGIME: “He’s a ton of fun to ride,” Barrett laughed sarcastically. “In the winter, spring, fall, he gets ridden probably five to six days a week for 45 minutes to an hour. Walk. Trot. Lope circles. He’s kind of a hothead to ride. I do a lot to just keeping him quiet and soft, and not feed into his quirks. Now that it’s hot, I try to wait until it’s cool out to get on him. Sometimes it’s only 15 to 20 minutes. When I’m running him, I try to give him a day or two off. Because he’s young and kind of a flighty guy, I like to get on him even if it’s just to walk him in between to say every time I throw a saddle on him it’s not to go 90 and make a run.”

SPONSORS: Dusty Barrett, Arenus Animal Health.

# Winning Time – Race for the Top 15 Heats Up

By Tanya Randall

With a month and half left in the 2018 Pro Rodeo Season, WPRA members are trying solidify their positions in the standings. For some, it's securing a position in the coveted Top 15 for qualification to the National Finals Rodeo. For others, it's staying within the Top 40 to have a chance to make the cut at the for the lucrative, limited-entry winter rodeos.

While the top 10 in the WPRA World Standings has remained relatively the same with just a little wiggling back and forth, the big action is from 11 to 15.

Two-time NFR qualifier Ivy Conrado moved up one spot to 11th this past week with \$76,830. The Hudson, Colorado, barrel racer stayed within her home circuit of the Mountain States and picked checks at five rodeos.

Conrado won three—the Dick Stull Memorial Rodeo in Sterling (\$959), the 4th Annual Ridin' & Riggin' Days in Craig (\$826) and Steamboat Springs Pro Rodeo Series (\$549). She placed third at both the Larimer County Fair & Rodeo in Loveland (\$1,854) and the Yuma County Fair & Rodeo (\$661). All totaled, her little home-state run netted \$4,849.

Amber Moore, who is back on her great mare CP Dark Moon ("Paige"), is 12th, but has a slate of good rodeos ahead of her. Many of them are in her home Columbia River Circuit. As of press time, she and Paige had placed in the first round of the Caldwell Night Rodeo and were leading the second round and average.

Carley Richardson, a two-time NFR qualifier from Pampa, Texas, remained in 13th. She placed at Sikeston, Missouri, over the weekend, plus had a bridal shower for her upcoming nuptial to Chase Cervi.

Jessie Telford of Caldwell, Idaho, jumped into the 14th spot after earning \$8,433 over the weekend. She won the Jerome County Fair

NFR qualifier from Ledbetter, Texas, won the Omak Stampede (\$2,611) and was 10th at Hermiston (\$737) for \$3,348 on the weekend. She has \$68,938 in season earnings.

Other top 15 barrel racers having strong weekends were Kylie Weast, earning \$6,425 after winning both the Sikeston Jaycee Bootheel Rodeo in Missouri, and the Linn County Fair & Rodeo in Mound City, Kansas, as well as placing third at the Lawton Rangers Rodeo in Oklahoma; Brittany Pozzi Tonozi, picking up \$5,940 after winning the Bozeman (\$2,051) and Missoula (\$2,141) Stampedes in Montana and the Lincoln County Fair & Rodeo in Afton, Wyoming, plus placing third at Yuma and 12th at Loveland; and Stevi Hillman, earning \$2,835 after placing third at Omak (\$1,828), ninth at Missoula (\$375) and 11th at Hermiston (\$632).

The chasers having pretty good weekends were Ericka Nelson, who placed second at Sikeston and ninth at Lawton for \$3,568, and Tracy Nowlin, who was fourth at Sikeston and 7th at Lawton for \$2,328. Heavy rains at the second richest rodeo of the weekend, the Lea County Fair & Rodeo in Lovington, New Mexico, hurt some of those barrel racers on the southern trail of rodeos.

# CFOUR A DARKNIGHT

BY **Darkelly** - MILLION DOLLAR SIRE!

OUT OF **CFour Tibbie Stinson** \$450,000<sup>LTE</sup>

- Current World Record Holder on a standard pattern at a PRCA rodeo, 16.650!
- 2016 AQHA/PRCA Barrel Horse of the year!

**Contracts Available October 1!**

On the afternoon of August 11<sup>th</sup> after an amazing sale experience with Copper Spring Ranch, I was able to complete an agreement with Jason Martin of High Point Performance Horses and fulfill my passion for genetics, conformation and performance.

CFour A DarkKnight aka "BatMan" will be coming home. He is the combination of two FANTASTIC animals which I have been blessed to steward, Darkelly and

CFour Tibbie Stinson, who are second to none in my eyes. "Tibbie" and Darkelly have hammered out their own mark in the Barrel Horse Industry's history books and "BatMan" possesses the genetics, conformation and balance to carry my life's passion and their Legacy forward as my new Junior Sire. I look for him to do the same.

I cannot thank you enough Jason Martin and Charlie Cole, my heart is full and the future bright.

# DTF Time Traveler Tops Copper Spring Ranch Performance Horse Sale for Record Price of \$170,000

By Tanya Randall

The 2-year-old Dash Ta Fame stallion DTF Time Traveler topped the Copper Spring Ranch Performance Horse Sale, held August 11 in Bozeman, Montana, for a record auction price of \$170,000 for a 2 yr old barrel horse prospect.

DTF Time Traveler was one of the 61 head consigned to the sale, which featured offspring of Copper Spring Ranch stallions Furyofthewind, Prime Talent and Firewater Canyon as well as quality horses from guest consigners. All consigned horses went through the ring for a gross of nearly \$1.2 million. With 56 head (92 percent) changing hands, the sale netted just over \$1 million with an average of \$19,441 on the gross and \$19,302 on the net. The median, or middle price, was \$14,000.

Consigned by Bob and Darian Burt, owners and breeders of the late leading barrel horse sire of all-time, Dash Ta Fame, DTF Time Traveler was out of the 2005 Old Fort Days Futurity Champion Moon Light Martha, by Marthas Six Moons, a former leading barrel horse sire and one of the Top 10 all-time leading broodmare sires. The stunning, well-broke colt sold to Bill McKesson of Dublin, Texas.

"We are very excited for Bob and Darian Burt for having the high-selling horse, DTF Time Traveler," said Karen Gilhousen, owner of Copper Spring Ranch. "We also want to express our gratitude to all of the buyers and individuals that supported our sale. We look forward to seeing you at our sale next year August 10, 2019."

The Burts of Sandy, Utah, were the volume guest consigner with six of their seven head selling for \$254,000.

"We were very excited, grateful and honored to participate in the Copper Spring Ranch Sale," said Darian Burt. "It was classy in all ways—the place, sale, buyers and horses."

The second high-seller was Peachy And Juicy, a 2-year-old Palomino daughter of leading sire Blazin Jetolena out of proven performer and producer SX Frenchmans Peach, by Frenchmans Guy. Peachy And Juicy is a half-sister to Fames To Blame that helped Ivy Conrado qualify for the 2017 National Finals Rodeo and SX Dr Peacharita, a multiple aged event and open champion. Consigned by Copper Spring Ranch, Peachy And Juicy sold to Todd Matte of Lafayette, Louisiana, for \$84,000.

Following Peachy And Juicy in the ring was the third high-seller TR Judges Doll. Consigned by Thomas Ranch, TR Judges Doll is by the late leading sire and broodmare sire Judge Cash out of two-time WPRA Reserve World Champion and two-time National Finals Rodeo Champion TR Dashing Badger ("Dolly"), by Mr Illuminator. The stunning bay 2-year-old filly sold to current WPRA World Standings Leader Hailey Kinsel of Cotulla, Texas, for \$65,000.

Todd Matte, who was the volume buyer, purchasing four head, also claimed the fourth high-seller, Pop The Bubbly, for \$50,000. Consigned by Copper Spring Ranch, the 2-year-old stallion was by Furyofthewind, sire of 2015 BFA Year-End Champion Champion-of-the-house, out of Champagne Lane, by Dash Ta Fame, the all-time leading broodmare sire of barrel horses. Champagne Lane is a full sister to Woodbridge, one of the top siring sons of Dash Ta Fame, and Kendall Jackson si 114, a multiple graded stakes winner of \$409,244.

Rounding out the top five high-sellers was the yearling buckskin stallion Fire Hazzard. Consigned by Kyle Edwards and Sue Smith, Fire Hazzard is by the late leading barrel horse sire Fire Water Flit out of Daisy Duke Dash, a multiple barrel futurity winning daughter of Dash Ta Fame. Fire Hazzard sold to Larry Robinson of California for \$40,000.

# Headin' For Home

by Sherry Morrison  
Triple M (Mike Morrison Ministries)

In all the sporting events I've been in, I know there can be fierce competitiveness. Barrel racing is no exception. If you were mentored/coached by a classy individual, I'm sure you were taught that your battle is with the clock and not others. But we all know that there are people whose mindset is to outrun 'Matilda' no matter what!!

If that's your only goal in barrel racing, you are limiting yourself to being 1/1000th of a second better than ONE individual. Not much room for improvement there! What if 'Matilda' places last every barrel race? You have the self-satisfaction that you are placing higher, but you are quite a ways out of the money, even in a 4D!

Let's obey God and be blessed His way! It would be great if you would read 2 Cor. 10, the whole chapter. God tells us in verse 12, "But they, measuring themselves by themselves, and comparing

themselves among themselves, are NOT wise."

If we want to compare ourselves to someone, let's compare ourselves to Jesus...we'd all have lots of room for improvement if we'd do that!

We'd love more, help each other more, be a blessing to those around us, and enjoy the journey!
