Champagne Toast at the Dash and Dance Futurity

By Tanya Randall

Sabra O'Quinn was the toast of the party at the Dash and Dance Futurity, held August 12-14 at the Seven Down Arena in Spearfish, S.D.

The Ocala, Florida, barrel racer and businesswoman rode Guys Champagne Girl for Bill and Deb Myers of St. Onge, S.D., to a clean sweep in the \$5,000-added Futurity and the 1D Average Championship in the Northern Hills Homes and RVs Open 4D. O'Quinn also won the \$10,800 Slot Race with her rodeo horse Wonders Oro.

In the 59-entry futurity, O'Quinn's main concern was getting the talented mare around the close-set course.

"I was a little concerned about running her in that small, indoor pen," O'Quinn admitted. "She's a little intense about her job. She's super turny."

After setting a possible arena record in the first round, O'Quinn wanted to make sure she stayed clean on her second run.

"She was a little nervous," recalled O'Quinn, who is sponsored by Morinda Care, Triple Crown Feeds and Fiddlers Trailer Sales. "I rode her with a lot of inside leg. My main concern was to keep her moving through her turns. It wasn't as smooth and a little wilder than her first run."

The victory in the futurity was worth \$3,271.50, while their open 4D earnings from their carry-over times was \$1,053.12 for total earnings of \$4,342.62.

Bred by the Myers, Guys Champagne Girl is by the great Frenchmans Guy out of Hot Brandi N Wine, by Hot Colors. Hot Brandi N Wine is a money winner on the track and in the arena. Her dam is the great Fleeting Pie, a daughter of Pie In The Sky, who produced Myers standouts Sky High Guy and Fleeting French Girl, both by Frenchmans Guy. Incidentally, Guys Champagne Girl's 2-year-old full sister All Warm N Fuzzy sells in the Myers Sale on August 27.

O'Quinn started riding the mare last summer.

"Bill did all the hard work," said O'Quinn, who has been in South Dakota escaping the heat and humidity of Florida's summers the past eight years. "I took her home with me to Florida and started hauling her."

This was just the second futurity for "Champagne." Her first futurity was the Red Desert Classic in Rock Spring, Wyo., in June, where she finished fifth in the average.

"She was a little tired when we got there," O'Quinn explained. "I drove all the way out there from Florida and she didn't get to rest much on the way."

With 5-year-old futurity season in full swing, O'Quinn and Champagne have a busy schedule until fall with events like the Cornhusker, 5-States and Fizz Bomb futurities, to name a few, on tap.

"I'm just extremely tickled with her," said O'Quinn, who celebrated

Houston Rodeo Gives \$9 Million To Texas Youth

Each year, nearly 2,000 students attend Texas colleges and universities thanks to the Houston Livestock Show and Rodeo™, and the fall semester will see more than 560 new students as part of that group, with nearly \$9 million in scholarships.

"Providing students with a financial aid outlet is more important than ever with the cost of education on the rise," said R.H. "Steve" Stevens, Show chairman of the board. "We are extremely proud to be able to support thousands of college students every year."

With the new school year fast approaching, parents and students alike should start looking into the opportunities for financial assistance through the Houston Livestock Show and Rodeo. Although the Show promotes agriculture and Western heritage, Show scholarships are for students from any background and with

any choice of college major — no agriculture required. Students with majors ranging from accounting to biomedical science, and criminal justice to education, are currently pursuing their dreams on a Show scholarship.

"This scholarship is going to help me out a lot," said Erica Molson, 2011 Houston Livestock Show and Rodeo Metropolitan Scholarship recipient. "My mom raised me alone — as a single parent — and my brother is disabled. I want to go to medical school after college, and [the scholarship] is a lot of money."

The Show's Metropolitan, Opportunity and School Art Scholarship Banquet, held in May, is one of the largest scholarship events in Houston, and this year, more than 300 students were awarded four-year, \$16,000 scholarships.

"This scholarship means 'commitment' to me," said Pedro Barceñas, 2011 Houston Livestock Show and Rodeo Opportunity Scholarship recipient. "I want to be committed to receiving this scholarship, and to my future. Also, it is a commitment to my education. I have the most sincere gratitude toward [the Show]. A lot of people put hard work into this, and I really appreciate it."

Also during the summer months, Show officials handed out more than \$2 million to students in FCCLA, Texas 4-H and Texas FFA. In February, the Show's 60 Area Go Texan counties also received \$16,000 scholarships for 70 graduating high school seniors outside the Houston Metro, for an additional total of \$1,120,000.

"Show volunteers, staff, patrons and supporters drive our success each year — and that success translates into tremendous support for Texas students," said Skip Wagner, Show president. "The first step for graduating high school seniors is to begin the college application process."

"Although our scholarship applications are available starting in mid-November, we want to encourage parents and students to start preparing for college now. There are so many steps and requirements to think about with any scholarship application, and we know that early planning puts you ahead of the game."

In order to receive a Show scholarship, applicants must first meet Show requirements. Those applying for any of the Show's scholarships must:

- Be a graduating high school senior.
- Be a citizen of the United States and a Texas resident.
- Completely fill out and submit a Free Application for Federal Student Aid form. (www.fafsa.gov)
- Plan to attend college in the state of Texas.
- Not have other financial aid (total) exceeding \$75,000.
- Submit a full application by the deadline.

With multiple scholarship programs available, parents and students should visit the Show's website, www.rodeohouston.com, to review the complete list of requirements for each program.

"Again, don't wait until you're trying to apply to colleges and getting ready for graduation to start filling out the FAFSA form, writing essays, and the multiple things everyone has to do to apply for any scholarship," Wagner said.

O'Quinn has another great horse in the trailer—her own Wonders Oro, an 11-year-old double-bred Wonder Otoe gelding. Wonders Oro is by Joe Can Wonder, by WPRA World Champion Maudies Joak out of a Wonder Otoe daughter, and out of Go Wonder Belle Go, by Wonder Otoe.

"I'm so proud of him," she said of his \$2,660 win in the slot race. "He doesn't really clock good in those low 14-, 13-second patterns. He was really picking them up and putting them down during that run."

O'Quinn hadn't run the gelding since the Cheyenne Frontier Days in July.

"I turned out a bunch because I was tired," she said with a sigh. "I've been helping Bill and Deb ride the sale horses and trying to rodeo. It was wearing me out!"

Anderson and Firebug Hot on NFR Trail

After the year they had last year, it should be no surprise that Jeanne Anderson and Flaming Firebug won \$8500 and jumped from #24 in the world all the way up to #15 with \$43,486 in earnings. Although Jeanne doesn't like to travel, with the encouragement of Tana Poppino and her husband she is out on the road and doing the only thing her and Firebug know how to do, win! If you like that older barrel blood then you wouldn't be surprised a bit at Flaming Firebug's success. He combines the blood of Tiger Leo and Flaming Jet on the top side with Bugs Alive In 75, Lightning Bar, and John Red on the bottom side. With a strong finish in 2011 this team will not only head to the Prairie Circuit Finals but the NFR as well!

THE RUNDOWN: JEANNE ANDERSON

HORSE: Flaming Firebug "Firebug"

Sorrel Gelding, 11 Years Old, 15.1 hand, 1100 lbs.

HORSE HISTORY: I bought him as a yearling off the people in Nebraska who actually owned Tiger Leo. The neighbors had him and they are actually who I got him from. Even though I thought he was going to be too green, I took him his 4 year old year to the SunRise Futurity and he won the Open Futurity. He ran two 17.1s on a standard pattern on bad ground so that surprised me. Then he won the first round Hawki Futurity and tipped in the second round to win that round as well. I had him entered in OKC (BFA Futurity) but didn't get to take him because he was sick. At the end of his 4 year old and beginning of his 5 year old year I had to run him at our circuit (Prairie) finals. He placed in the first round and the average and I was just hoping to make the pattern and get him out that tiny gate. His 5 year old year we went to Rodeo Houston because my roan horse (Boogers Apache) was hurt. From then on Firebug was used with Boogers Apache (an own son of Cee Booger Red) at the rodeos whenever I didn't run the roan. Firebug has made or helped make the Prairie Circuit Finals 9 years in a row including this year. I have qualified to the DNCFR 3 times, 1 time on Boogers Apache, and 2 times on Firebug. Both times there on Firebug, I tipped to run the fastest time there. Firebug made it to the NFR last year (2010) and has won around \$110k to \$120k the last two years. Another interesting fact about Firebug is he has battled back from both West Nile Virus and EPM and we have even had to treat him for EPM recently.

BIT: Medium Shank Ed Wright Chain Bit

SADDLE: Larry Coats

PAD: Tod Slone

LEG GEAR: Classic Equine on the front, Polo Wraps on back

GRAIN: Omolene 400

SUPPLEMENTS: Lixotinic, Equisure

HAY: Alfalfa and Grass

ADDITIONAL HORSE CARE: Succeed paste, Adequan, Chiropractic care and injections as needed

#1 TRAINING OR RIDING TRIP: Try to be consistent with what you do. They learn from repetition.

WHAT ARE YOUR PLANS FOR THE REST OF THE YEAR: We entered about 6 of the earlier rodeos in the Northwest and then go closer to home. Heading home before Ellensburg and Pendleton. We will then try to stay closer to home, going to Pueblo, CO, Elk City, OK, Hastings, NE, Dayton, IA, and Ft Madison, IA then see what it looks like by the time Albuquerque, NM and Abilene, TX roll around.

WHO DO YOU TRAVEL WITH: I travel with Tana Poppino most all of the time and part of the time of Brenda Mays and Brandie Halls when we can get her to leave home!

THE 2012 SPEEDHORSE

BARREL STALLION REGISTER IS COMING!

The Speedhorse Stallion Register has long been deemed the #1 Resource of the Quarter Horse Racing Industry. We are now bringing that reputation, history, ability and quality to the Barrel Horse Industry.

- ★ We offer the longest promotional viewing time of any equine publication.
- ★ We offer the most affordable rates for promoting YOUR STALLION in FULL COLOR!
- ★ We will be promoting & distributing the Barrel Stallion Register at our booth at the Barrel Futurities of America World Championship in Oklahoma City, at no cost, as well as major barrel events & sales Nationwide & in Canada and Brazil.

The Speedhorse Barrel Stallion Register will be the "Go To Book" for the barrel industry. By incorporating Businesses and Services relevant to the Barrel Horse Industry, we will increase the number of people viewing the book. That, in turn, will increase the number of people (potential mare owners!), viewing YOUR STALLION!

Headin' For Home

by Mike Morrison
Triple M (Mike Morrison Ministries)

God doesn't want you in stress over the future or the bad news that comes forth from the media every day.

God gives us all the help we need for today and when tomorrow comes, He'll send fresh grace to get us through whatever comes. He is the God of solutions. He doesn't suffer lack in any area and He doesn't want His children in lack either. When the Israelites were wandering in the desert, God provided fresh manna for them every day. God provided for them every day and, since He is no respecter of persons, you can trust Him to provide what you need, too. This doesn't mean you can sit on the couch, eat donuts and watch TV all day long and God will dump blessings on you. No, you have to talk to God and get direction from Him. Then you work to do the best you can and God will do the rest if you fully believe His promises and trust in Him.

Make Jesus the Lord of your life and believe you can have the abundant life He died to give. Remember the advice offered by Corrie TenBoom, "Never be afraid to trust an unknown future to a known God."

The Bible IS NOT OUTDATED. It is especially relevant today. It's God's set of instructions for us telling us how to live in today's world. Dwell on this Scripture that says, "Be anxious to nothing, but in prayer and supplication, with thanksgiving, let your requests be known to God; and the peace of God, which passes all understanding, will guard your hearts and minds through Christ Jesus." (Philippians 4:6)

When fear tries to come on you, cast it out in the name of Jesus and claim Psalm 91. You're a winner because Jesus lives in you and He said He'd never leave you or forsake you (Hebrews 13:5).
