### NOTES

They say it isn't the size of the dog in the fight, but it is the size of the fight in the dog. This couldn't be more true when it came to this year's 5-States Breeders Futurity. Pint sized in stature, 13.2 hand Nother Time To Cash and 10 year old rider Sage Kohr stood tall above the competition. Unofficially, Sage may be the youngest rider to ever win a futurity and who knows her horse might be the littlest too! Nother Time To Cash is a cross between the potent blood of Dashing With Cash and a Dox Bueno Dinero mare. Dashing With Cash possesses that same First Down Dash sire line crossed on a Tiny's Gay mare line similar to Dash Ta Fame. The dam, Good Times N Cash, traces back to cutting champion Miss N Cash through Dox Bueno Dinero. It is interesting to note, since Miss N Cash is a son of Dash For Cash, Nother Time To Cash is a double bred Dash For Cash horse. The great speed horses crossed with some of the greatest performance influences led to a pint sized barrel burner! By the way, Monday, Sage took her prize money & headed back to 5th Grade!

## Double Down Special Wins Record All American Derby

Double Down Special, a \$2,100 yearling purchase and \$40,000 supplemental entry, prevailed by a neck yesterday in the \$1,548,076 All American Derby at Ruidoso Downs, the richest 3-year-old race in Quarter racing history.

Ridden by Jacky Martin for trainer John Stinebaugh, even money favorite Double Down Special broke on top from post position #7 and stopped the clock in :21.234 at 440 yards. Runner-up Apollitical Jess finished 1 1/4 lengths ahead of third-placed Smokey Stone.

"He had a little incident in the trials, but he got over that and he was perfect today," said Martin of the gelded son of The Down Side, owned by Vanessa Bartoo, Truth or Consequences, NM. "I can't say enough about how John had the horse set up. We had a perfect trip."

The \$774,038 victory made Double Down Special the sport's newest millionaire with a total of \$1,211,934. His seven wins from 15 career starts, include the Gi Ruidoso Derby and the G3 West Texas Derby, where he set a world record of :18.613 for 400 yards.

The win was another milestone in the comeback summer for Martin, 55, who was reinstated to ride in May, after a four-year restriction. Earlier in Sunday's program, he won the All American Gold Cup with champion Noconi. --*Courtesy of www.SallyHarrison.com*

## Dodge National Circuit Finals Rodeo Moves to Oklahoma City

The Professional Rodeo Cowboys Association is pleased to announce that the Dodge National Circuit Finals Rodeo (DNCFR) is moving to Oklahoma City in 2011.

ExpressLazy E Sports Productions is bringing the DNCFR – one of the centerpieces of the ProRodeo season – to the Oklahoma State Fair Arena in Oklahoma City. The rodeo will run March 31 through April 3.

The more than \$525,000 in prize money being offered makes the event one of the richest rodeos in the world.

"The PRCA is excited to bring another major professional rodeo event back to Oklahoma," said PRCA Commissioner Karl Stressman. "The people of Oklahoma have always proven to be great rodeo fans and now, in addition to this fall's November 5-6 Clem McSpadden National Finals Steer Roping at the Lazy E Arena in Guthrie, we'll take the DNCFR to Oklahoma City in the spring."

From 1965-78, the Oklahoma State Fair Arena (then known as the Jim Norick State Fair Arena) was home to the National Finals Rodeo where, under the direction of general manager Clem McSpadden, it became a major league sports event.

The DNCFR was held in Pocatello, Idaho, from 1987-2010. In 2011, the Pocatello committee will host a Wrangler Million Dollar Tour silver rodeo, and join the fastest growing segment of ProRodeo.

The DNCFR is the showcase event of the circuit season. Each

of 12 PRCA circuits sends two competitors in each event to the DNCFR – the year-end earnings champion and the winner of each Dodge-sponsored circuit final – to compete for cash, a national championship and a Dodge vehicle voucher.

"The goal of the PRCA is to grow our events, and we can't think of a better place to do that than Oklahoma City – a metropolitan location in the heart of this great country," Stressman said. "We've always appreciated how supportive Oklahomans are of the sport of professional rodeo."

Tickets for the event will go on sale Dec. 1. For more information, contact the Express-Lazy E at 282-RIDE or 232-GOAL.

## Cooper Earns Biggest Career Win at Justin Boots Playoffs

PUYALLUP, Wash. – A win at one rodeo can change everything. Just ask Clif Cooper. The 22-year-old Decatur, Texas, cowboy earned the biggest win of his career when he roped and tied a calf in 8.0 seconds in the final round of the Justin Boots Playoffs, Sept. 12 at the Fair & Events Center.

Cooper won \$13,500 overall, and the triumph moved him from 18th to seventh place in the Wrangler Million Dollar Tour Standings, assuring him a spot in the Justin Boots Championships, Sept. 23-25, in Omaha, Neb.

The middle son of ProRodeo Hall of Famer Roy Cooper, Clif came into the competition unheralded and with \$17,686 in Tour money. He left western Washington a different man and with total Tour money of \$31,186.

"I have always said I was the late bloomer, and it was going to happen sooner or later," Clif Cooper said. Clif's older brother, Clint, and younger brother, Tuf, have both qualified for the Wrangler National Finals Rodeo twice.

Cooper was elated to have his breakthrough come in the Playoffs with the ESPN cameras rolling. "I was thinking, 'I won it. I can't believe it. I won it!'" Cooper said. "Guys started giving me high-fives back there (behind the chutes). I couldn't believe it. It is just now starting to sink in."

When Cooper added another win at the Lewiston (Idaho) Roundup over the weekend, he moved from 20th in the PRCA World Standings to join his brothers in the Top 15 at No. 9.

The top 24 qualifiers from the Wrangler Million Dollar Tour advanced to the Justin Boots Playoffs. The field was split into two groups of 12 competing in two preliminary rounds each. All scores and times were erased, and a field of eight faced off in the semifinals, followed by a clean-slate final-four round. The top 12 in the Tour are now qualified for the Justin Boots Championships in Omaha.

The finals of the Justin Boots Playoffs will be broadcast Oct. 17 at 5 p.m. (ET) on ESPN2, followed by the Justin Boots Championships broadcast at 6 p.m., also on ESPN2. Replays of both Puyallup and Omaha broadcasts will be shown on ESPN Classic and ESPN2. **NOTES**  
Colours Of Shadows and Carisa Shearer swept the 5-States Breeders Futurity and like the other winners this weekend, the pedigree tells the tale. In fact, she is a full sister to the 2009 5-States Breeders Futurity Champion, Heza Hot General. Colours of Shadows is by Hot Colours, a leading barrel and race sire, and out of a mare, Generals French Lady, which combines several of the top barrel racing bloodlines in the business. Second dam, PC Lady Frances, was a top barrel horse for Deb Myers and is a very close relative to Frenchmans Guy, since she is by Sun Frost and out of Frenchmans Guy's second dam Casey's Ladylove. Bogies General, the dam sire and a barrel racing producer himself, traces back to NFR qualifier Bogie Biankus and perennial leading barrel sire Jet Of Honor. It would be hard to fit more barrel racing influences into one pedigree.

### NOTES

Brenda Mays and her mount Jethro (Judge Buy Cash) have dominated their home territory of the Northwest this year and added another victory at Puyallup this past weekend. Brenda has used a late season surge to vault to #4 in the world with over \$96k in earnings. After her Puyallup and Lewiston, ID victories, Mays has turned Jethro out for a couple weeks and will run her backup horses at a couple rodeos, Pendleton and Othello, WA. After that, she will head home to watch her son, Kyle Easterly, play football for the fall. Mays will bring Jethro back into action at the American West 4D Finals and the Columbia River Circuit Finals to get him ready for a big showing at the NFR!

### NOTES

As the 2010 season winds down Benette Barrington is in a dogfight to make the NFR, holding down 16th position but only being a measly \$373 out of the 15th position. Sheena Robbins is clinging to 15th with earnings of \$46,168 and Barrington is in 16th with \$45,795 worth of earnings. Barrington had been riding Smooth My Credit for a good share of the year but was riding Nicky Brick House for her reserve title at Puyallup. Nicky Brick House combines several of the old barrel racing bloodlines including Brick House Bouncy (Bouncy Mac and Harlan), Dr Nick Bar, Pass Em Up, and Jet Smooth. With Pendleton and the Justin Boots Championships in Omaha coming up there is still good money out on the trail and with a little luck over the next couple weeks Barrington could find herself on her way to Vegas.

**NOTES**  
NFR barrel racer Deb Renger and her mount Docs Flashy Scooter claimed the Melville Agri-Park Futurity title. After a quick look at this gelding's pedigree, it should be no surprise that he is a performer. His grandsire, Doc's Dee Bar had an amazing 170 halter points and an even more amazing 273 performance points. Also, through his sire line he possesses the blood of War Leo who gathered up 72 halter points and 192 performance points. On the top side it is pretty well established that performance should not be a problem. On the bottom side, Docs Flashy Scooter traces back to some of the great old foundation all around speed sires such as the The Ole Man, Rebel Cause, Bob's Folly, and Leo. If Docs Flashy Scooter lives up to his pedigree we may see Renger venture away from Canada and make another run at the NFR very soon.

## SWAN FARM

Newell, Butte County, South Dakota

[www.clarklandbrokers.com](http://www.clarklandbrokers.com)

Located 7-1/2 miles northwest of Newell, South Dakota, this productive, irrigated farm consists of 160± deeded acres of which 90 acres are irrigated hay ground, 12 acres of pasture that can be irrigated, and 58 acres of dry land pasture. The farm is easily accessed year-round via a well maintained, county road and is 30 minutes from the northern Black Hills of South Dakota. Improvements include a 1982 Moduline 28' by 66' double-wide house set on concrete blocks, barns, corrals, and automatic water tanks as well as mature landscaping. # Headin' For Home

By Sherry Morrison  
Triple M (Mike Morrison Ministries)

If a person could bottle a day like today...oh my! When the skies are blue, the sun not too hot and no wind it's easy to thank God for His goodness. Those lovely times when things are going really good, the bills are paid for the month, nobody is sick or hurting in the family, we're getting along with everyone... days of heaven on earth. How many of those in 365 do we have? Hmmmm. Personally, I have developed the really BAD habit of only seeing the fight to be fought...every....single...day! But my carefree husband sees the fun....

So, since everything I have picked up to read from other ministries lately is about attitude, looking at the positive and not the negative, I have to assume that the Holy Spirit is speaking to ME. Yesterday, I was going to make a quick trip to town. EVERY trip I make to town is a quick trip! I mean, I have a lot to do so get out of my way! I was about 1/4 of a mile from home and the car told me that one of my tires was low (don't ask me how it know this) and the gag gauge said empty (I know that one). I whipped into the gas station, filled up, backed quickly around to the side and aired up a tire. I didn't have an air checker thing (?) so I just stuck the hose on and counted to 15. That's how you do it right? Let's see, Air pounds per second, needed about 20# and I didn't want to pop it because that would take too much time

hence the 15. (Aren't you glad you're not married to me?) Back in the car and screaming to town, my CD player talking to me about PATIENCE. I had to wait in the drive up at the bank behind this guy that had already got the tube back and I swear he was paying his bills! I wanted to ram him!!! And the tape player was saying I should practice patience. ARE YOU KIDDING ME???? Well, I finally had to laugh. Isn't it just like God to teach us something when we really need it? He's so good.

But the kicker was when this preacher said, if you don't have patience, you don't have faith. Now that hurt. I think I have a lot of faith...in MYSELF and MY ability to get something done. Dumb...Dumb...Dumb...Jesus is Lord. Not me. Apart from Him, I CAN DO NOTHING!! So, I'm practicing patience...very slowly! I pray you hear His voice for you today.
