The Finals Countdown is on - NFR Interviews Continue With #6 through #10

#6 Taci Bettis, \$103,692

Age: 24 - Hometown: Round Top, TX - Joined WPRA: 2017
Career earnings: \$266,138 - NFR Qualifications: 2 (2017-18)

BRR: Which horses are you taking with to the finals?

Bettis: Bogie Is A Smash (Smash), 10yo Bay gelding
Traffic Guy Shine (Shiner) 5yo Bay gelding

BRR: What are your horse(s) approximate lifetime earnings?

Bettis: Smash, \$400,000

BRR: If your horse was a famous celebrity, public figure or cartoon character, which one would it be and why?

Bettis: I would say JJ Watt, mainly because JJ made it big due to his big heart and the fact that he always gives everything he has. I feel the same way about Smash, we only made it this far because he gives everything he has every single run.

BRR: What are 3 items you must have to in your truck before you leave for a rodeo?

Bettis: Gum, Topo Chico, and my phone charger.

BRR: What two bits do you have that you can't live without and why?

Bettis: A Simplicity and a Loomis. It feels the best on Smash.

BRR: What quality or qualities does your horse possess that makes him/her an NFR horse that is different than other horses you have had or trained?

Bettis: I've been blessed with some great horses but Smash holds something a little closer to my heart because we have achieved a lot of milestones together, mostly due to his grit and heart.

BRR: What schedule of rest, runs and exercise best suits your horse(s) between the end of the regular season & the NFR to have them at their peak during the Finals?

Bettis: I always try to give him a few weeks off from competition leading up to the NFR. I do keep him conditioned we just don't go make a run anywhere. I think it's important to build up his stamina but leave his batteries charged for the marathon that is the NFR.

BRR: If you could have one piece of advice, quote, or Bible verse on your trailer as you went down the road to share with people, what would it be and why?

Bettis: The horse is made ready for the day of battle, but victory rests with the Lord -Proverbs 21:31

Mr Eye Opener Passes

Champion racehorse sire Mr Eye Opener died on November 17 at his longtime home at Dee and Betty Raper's Belle Mere Farm in Norman, Oklahoma. He was 28.

Bred by Joe Kirk Fulton, Mr Eye Opener was by Dash For Cash out of Bedawee, by Beduino (TB). Running for Dale Smith of Tulsa, Oklahoma, the stallion lit the board every time he stepped on track, but once, and finished with a record of 9-2-4, worth \$202,978. Some of his notable races included victories the Grade 1 West Texas Futurity and Speedhorse Gold & Silver Cup Futurity, a second place finish in the Grade 1 Rainbow Futurity and a third-place finish at the Grade 1 Kansas Futurity.

As a sire, Mr Eye Opener sired 941 winners, 222 stakes horses, 4 racing champions and earners of more than \$28.1 million including Grade 1 All-American Futurity Winner and two-time champion Eysa Special si 107 (\$1,394,911).

In the arena, Mr Eye Opener was amongst the top 100 sires of barrel horses of all-time in the later part of his stud career. He was also ranked amongst the top 50 all-time leading maternal sires of barrel horses, according to Equi-Stat.

Mr Eye Opener was buried beside leading barrel horse and barrel horse broodmare sire Bully Bullion, who also stood at Belle Mere.

#7 Kylie Weast, \$101,715

Age: 30 - Hometown: Comanche, OK- Joined WPRA: 2011
 Career earnings: \$110,189 - NFR Qualifications: 1 (2018)

BRR: Which horses are you taking with to the finals?

Weast: I plan to take 2 horses; Hell on the Red (Reddy) is a 6 year old sorrel mare owned by Youree Ward Barrel Horses and Namgis D 15 is a 9 yr old sorrel gelding, owned by me, Kylie Weast.

BRR: What are your horse(s) approximate lifetime earnings?

Weast: Reddy, \$170,000 & Namgis D15, \$113,000

BRR: If your horse was a famous celebrity, public figure or cartoon character, which one would it be and why?

Weast: If Reddy was a human, my first thought would be Pink because she's a fierce female, a little rough around the edges, yet still feminine, gritty, and doesn't give a s\$&@ about what others think.

BRR: What are 3 items you must have to in your truck before you leave for a rodeo?

Weast: My phone, beef jerky, and my ported Petska.

BRR: What two bits do you have that you can't live without and why?

Weast: Two bits that I don't leave home without is my ported Petska and an L&W 3 piece dog-bone.

BRR: What quality or qualities does your horse posses that makes him/her an NFR horse that is different than other horses you have had or trained?

Weast: Reddy is just tough, mentally and physically. I feel like she never gets tired.

BRR: What schedule of rest, runs and exercise best suits your horse(s) between the end of the regular season & the NFR to have them at their peak during the Finals?

Weast: I ride her 5 days a week and try to find one run a weekend. I think it is good to keep us both sharp.

BRR: If you could have one piece of advice, quote, or Bible verse on your trailer as you went down the road to share with people, what would it be and why?

Weast: "But first, pray."

#8 Jessica Routier, \$98,704

Age: 35 - Hometown: Buffalo, SD - Joined WPRA: 2011
 Career earnings: \$165,394 - NFR Qualifications: 1 (2018)

BRR: Which horses are you taking with to the finals?

Routier: Fiery Miss West (Missy) owned by Gary Westergren. 7 years old, 14.3 hands, palomino mare. I futurited her as a 5-year-old, and she has been my one and only rodeo horse the past 2 years. I also roped and ran poles on her her 4- and 5-year-old years, and she won a couple All-Around futurity horse titles.

Especials Smoothie (Smoothie)- owned by me. 23 years old, 14.3 hands, sorrel mare. I rodeo'd on Smoothie from high school through my first 12 years of pro rodeo. She made the National High School Finals in the breakaway and pole bending, won the College National Finals, and took me to 11 circuit finals and 4 National Circuit Finals.

There are a lot of similarities between Missy and Smoothie. Both excelled at an early age, have huge hearts, and love running barrels. They travel well and are super gritty.

BRR: What are your horse(s) approximate lifetime earnings?

Routier: Missy, \$175,000 & Smoothie, \$200,000

BRR: If your horse was a famous celebrity, public figure or cartoon character, which one would it be and why?

Routier: The little engine that could!

BRR: What are 3 items you must have to in your truck before you leave for a rodeo?

Routier: Coke, water and plenty of snacks...doesn't really matter what kind.

BRR: What two bits do you have that you can't live without and why?

Routier: I have had a lot of luck with Carol Goostree's chain snaffle bit. I don't like to run in a ring snaffle, but that is another bit I like to have around to soften a horse up, if needed.

BRR: What quality or qualities does your horse possess that makes him/her an NFR horse that is different than other horses you have had or trained?

Routier: I believe that an NFR horse has to be extra tough- they have to be willing to try their hardest when things aren't 100% right, they are tired, or the arena is muddy and slick; and they also have to be very nonchalant about all the different situations they may encounter. My favorite horses have been super responsive. You can move them wherever you want to at any time during a run. That puts more pressure on me to place them in the correct position, and ride them correctly, but I'd rather a horse make a mistake because I did something wrong, rather than because they just felt like it or because they were unsure of something.

BRR: What schedule of rest, runs and exercise best suits your horse(s) between the end of the regular season & the NFR to have them at their peak during the Finals?

Routier: That is a question I have been trying to figure out, since this is my first time going to the NFR. I want my horse to be fresh, but I also want her to be in her best running shape. She has had a week or two off here and there since the regular season ended, but not much since our Circuit Finals is the first week of October, and we went to a couple other 2019 rodeos the beginning of November. Since then, she has been swimming to stay in shape, and I plan on making one or two runs on her a week to 10 days before we leave for Las Vegas.

BRR: If you could have one piece of advice, quote, or Bible verse on your trailer as you went down the road to share with people, what would it be and why?

Routier: There will be very painful moments in your life that will change your entire world in a matter of minutes. These moments will change you. Let them make you STRONGER, SMARTER, and KINDER. But don't you go and become someone that you're not. Cry. Scream if you have to. Then you straighten out that crown and keep moving. -Erin van Vuren

BRR: Which horses are you taking with to the finals?

Conrado: KN Fabs Gift Of Fame (JLo); she is 9, gold palomino, long white mane, she is beautiful! Long stride Mia Fabulous Fame, Haley Wolfe's great mare! Light palomino DT Sugar Chex Whiz; 8-year-old black mare, she will be my grand entry horse.

BRR: What are your horse(s) approximate lifetime earnings?

Conrado: JLo, \$550,000

BRR: If your horse was a famous celebrity, public figure or cartoon character, which one would it be and why?

Conrado: Definitely Charlize Theron! Fits her perfectly!

BRR: What are 3 items you must have to in your truck before you leave for a rodeo?

Conrado: All my music on my phone, preferably Billie (boyfriend, team roper Billie Jack Saebens) & Angel (my dog)

BRR: What two bits do you have that you can't live without and why?

Conrado: The first one is a bit Billie got from Brad Lund that we use on JLo for tuneups before runs. There's no mark on it, we aren't sure who made it. (2 piece twisted gag longer shank). The 2nd is a my medium shank Ed Wright (3 piece twisted gag), I ride it on a lot of my colts.

BRR: What quality or qualities does your horse posses that makes him/her an NFR horse that is different than other horses you have had or trained?

Conrado: She's incredibly honest. It's like a surprise there's barrels in the arena every time. She wants to make the same run every time!

BRR: What schedule of rest, runs and exercise best suits your horse(s) between the end of the regular season & the NFR to have them at their peak during the Finals?

Conrado: I just take it week by week. Once I knew I made the NFR after Puyallup, we didn't run again until Omaha. We went to Omaha to get a run before she saw Marty Tanner so that we could properly assess her after the summer run. Between Puyallup & Omaha I literally just ponied her. I laid off her for a while as far as having a saddle on her back till a few days before All American finals & Circuit Finals. She got ponied every day for an hour long trotting and loping. Now that it's colder she's got to get ridden more because she gets FRESH. We will just treat the NFR like another rodeo.

BRR: What are your horse(s) approximate lifetime earnings?

Fischer: Ziva, \$175,000

BRR: If your horse was a famous celebrity, public figure or cartoon character, which one would it be and why?

Fischer: Marilyn Monroe and Lindsey Vonn- Beautiful and a winner

BRR: What are 3 items you must have to in your truck before you leave for a rodeo?

Fischer: My dog, sweet tea (Pure Leaf only!) and Ziva

BRR: What two bits do you have that you can't live without and why?

Fischer: A Loomis because I ride it on every horse, every day, and Simplicity 2 piece twist because it is what Ziva wins in.

BRR: What quality or qualities does your horse posses that makes him/her an NFR horse that is different than other horses you have had or trained?

Fischer: She is consistent. In the past I have had go-round horses but would hit barrels. Ziva was and is consistent.

BRR: What schedule of rest, runs and exercise best suits your horse(s) between the end of the regular season & the NFR to have them at their peak during the Finals?

Fischer: This is her first trip, so we aren't sure but we had a very light November to be rested and ready.

BRR: If you could have one piece of advice, quote, or Bible verse on your trailer as you went down the road to share with people, what would it be and why?

Fischer: Work Hard in Silence, Let Success be your Noise!

Headin' For Home

by Sherry Morrison
Triple M (Mike Morrison Ministries)

Did you practice the fruit of self control last week or did you eat three helpings? It's okay. You don't have to answer. Most of us would be incriminated.

Have you ever heard the question, "If you were being judged in a court of law on being a Christian, would there be enough evidence to convict you?" Sheesh, this is starting out to be a real downer!

The answer to both of those questions is, "YES AND YES!" Friends, we are going to the next level, right? So maybe we did eat three helpings, but that's better than the 5 we ate last year! And we love Jesus, so, every day we are practicing what He wants us to do and it's SHOWING!

We aren't cutting people off in traffic. We controlled our temper and walked in love with that unlovely person at work. Your friends and family saw a smile on your face! That cold tried to attack you and with the Word of God you fought it off before it became

pneumonia. You gave in the offering at church and you got blessed over and above that!

There is a pattern developing here. WE. ARE. WINNING!!!! 2 Thess. 3:13 tells us to not grow weary in doing good. And Matt. 19:26....with God all things are possible. Go do some more winning this week!!

Mike and Sherry Morrison pastor "Church at the Barn" in Gillette, WY. They also travel to other areas ministering at barrel races, ranches, rodeos, churches and home Bible studies. Check out our schedule online. You can also download all Bible studies by visiting our website: m-m-m.org or contact us at: PO Box 2439, Gillette, WY 82717, 307/685-2272.
